By-Laws of the Yilgarn Roads Board.

 $\frac{223}{91}$

THE Yilgarn Roads Board doth hereby make and publish the following By-Laws, under and by virtue of the provisions of "The Roads Act, 1888."

BY-LAW No. 1—STANDING ORDERS.

Order of Proceedings.

1. The Board shall meet on the first Thursday in every month, at the hour of half-past seven o'clock, p.m., at such place as the Chairman shall from time to time appoint, for the transaction of their ordinary business, and the business of the Board shall be conducted with open doors.

2. The Board shall commence business as soon after the above-mentioned hour as there is sufficient number of members in attendance to constitute a quorum of three; but if at the expiration of thirty minutes from the above-mentioned hour there is not a quorum present, no business shall be transacted by the Board at that meeting.

3. At all meetings of the Board the minutes of any preceding meeting, not confirmed, shall be read as the first business, in order to their confirmation, and no discussion shall be permitted thereupon except as to their accuracy as a record of the proceedings.

4. Immediately after the confirmation of the minutes, the Chairman may make any communication to the Board which he may deem advisable, or bring under consideration any business he may think necessary; and it shall be competent for any member of the Board to ask a question or questions, but he shall confine himself to the question simply, and no debate shall ensue thereon at that time.

5. The ordinary business shall then be proceeded with.

Order of Debate.

6. Any member proposing a motion or an amendment shall, if the Chairman so desire it, put it in writing and sign and deliver it to the Chairman for the time being after it has been duly seconded, and the Chairman shall read the same before being discussed, and no motion or amendment so made shall be withdrawn without leave of the Board.

7. No member shall speak twice upon the same question, except by way of explanation, or in reply, upon any original motion or amendment of which he may have been the mover; nevertheless any member who may have been misrepresented or misunderstood may be allowed to explain. Immediately after the mover has replied, the amendment or the original motion, as the case may be, shall be put to the vote.

8. The Chairman shall, without waiting for the interposition of the Board, call to order any member proceeding to speak a second time on the same question, unless entitled to reply, or in explanation as aforesaid.

9. Any member moving a motion or amendment shall be held to have spoken on that question.

10. No member shall digress from the subject matter of the question under discussion, or impute improper motives to any member.

11. The Chairman when called upon to decide a point of order or practice, shall decide the same without argument, and his decision shall be final in that particular case.

12. One amendment only shall be discussed at one time but if lost, another may be moved before the original question is put to the vote, but upon any amendment being carried it shall be competent for any member to move one other amendment thereon, but no more.

13. In case of equality of votes, the Chairman shall, in addition to his ordinary vote, give a casting vote; and any reasons stated by him shall be entered in the minutes of proceedings.

14. No By-Law shall be finally passed or rescinded at the meeting at which it shall have been first proposed, but at the next or some subsequent meeting of the Board, duly convened.

BY-LAW No. 2.

Suspension of Standing Orders.

Every member present shall record his vote.

3. No member of the Board nor any auditor or officer of the Board shall be received as surety for any officer appointed by the Board, or for any work to be done by the Board; and in all cases in which security for the due and faithful performance of any duty or contract is required, the expense of preparing such security shall be borne by the Board.

BY-LAW No. 4.

Rates.

1. All rates made and levied by the Board shall be paid yearly, and the Collector for the time being appointed by the Board shall, at the commencement of each year, leave with the person liable to be rated, at his residence within a radius of ten miles of the Telegraph Office at Southern Cross, a notice of the amount due by such person for rates.

2. If the property rated is situated beyond a ten miles radius as aforesaid, notice may be sent by registered letter through the post. All rates shall be paid within three months of the receipt of such notice.
