Passengers embarking or disembarking will not be required to pay Jetty dues on personal baggage when trucked up or down the jetty.

5. Jetty dues on all goods must be prepaid before they are removed.

6. Before commencing to discharge inward cargoes, ship masters or their agents shall hand to the Officer in charge of the jetty a freight list of the cargo, which shall include mark, number, shipper, consignee, weight, or measurement.

7. No goods shall be placed on the jetty without permission of the Officer in charge.

8. If free goods are not removed from the receiving warehouses within 24 hours from the time they are placed therein, a storage charge of 6d. per ton., or 1d. per package per day, will be made.

9. Cargoes trucked direct into receiving warehouses shall be tallied; and the Officer in charge shall, if requested, give receipts for same.

10. The official hours for trucking will be from 6 a.m. to 5 p.m. between 1st October and the 30th April, with an interval of one hour each for breakfast and dinner; and on Saturdays the hours will be from 6 a.m. to 1 p.m. From 1st May to the 30th September, 8 a.m. to 5 p.m., with an interval of one hour only for dinner; and on Saturdays from 8 a.m. to 1 p.m.

11. No vessels, boats, or flats shall be fastened to any part of the jetty, except to such ring-bolts or other fastenings as are or may be provided for the purpose; and no vessels, boats, or flats shall lie alongside the jetty unless so fastened. All vessels, boats, or flats so fastened shall also be anchored or moored in such manner as to relieve the jetty as much as possible from the weight of such craft; and in no case shall more than *one tier* of such vessels, boats, or flats lie alongside or be fastened to the jetty or be moored or fastened to other vessels, boats, or flats lying alongside the jetty, except on special permission of the officer in charge of the jetty.

12. Such vessels, boats, or flats shall not be moored or so fastened as aforesaid, except for the purpose of loading or unloading, nor for any longer period, during the authorised hours, than shall be reasonably required for such purpose.

13. Passenger boats only may lie alongside the steps on the jetty, and for no longer period than may be necessary to embark or disembark passengers.

14. All such vessels, boats, or flats lying alongside the jetty shall, on the approach thereto of a

passenger steamer, be hauled off to a sufficient distance to enable her to disembark or embark passengers.

15. No person shall fish on the jetty to the obstruction of the traffic.

16. Stones, bricks, clay, sand, lime, coals, coke, or other fuel (except in bags) shall not be landed or placed on the jetty, except imported bricks or paving stone both which latter must be removed immediately. Firewood, for the use of passenger steamers and other vessels or boats shall be taken direct from the truck to the vessels. No goods shall be handed over the rails of the jetty.

17. Tramways and trucks provided for the use of the jetty shall, where so provided, be used for the transit of goods, chattels, and merchandise, on, to, and from the jetty. Bullock or horse teams, or any wheeled vehicle drawn by any quadruped or quadrupeds, shall not be driven on or permitted to go on the jetty.

18. Gunpowder shall not be landed or left on the jetty without a keeper, nor without being well covered with a tarpaulin, and shall be removed with all possible despatch.

19. All goods trucked on the jetty must be carefully removed from the trucks, and not shot off them.

20. No stones or other kind of substance whatever, shall be thrown into the water from the jetty.

21. No person shall make fast any tackle, purchase, or other gear to any part of the cranes placed at the ends of the jetty, except such gear as is furnished by the Government for the working of the crane.

22. Not more than one ton shall be lifted with single half-inch chain, or two tons with a single block added. On a single five-eighth chain not more than 33 cwt. shall be lifted, or 66 cwt. with one single block added. For heavier weights the number of parts of the chain shall be increased in proportion to the weight to be lifted; but not more than five tons shall be put upon any crane without special arrangements with the officer in charge of the jetty.

23. Any steam vessel plying on the coast of this Colony shall be permitted to lie alongside the jetty, for the purpose of discharging and taking in cargo, at all hours of the day and night consistently with the Regulations.

24. All steamers when lying at the jetty shall have and use two up-and-down fenders made of rope, and outside the up-and-down fenders a fore and aft rope fender of sufficient length and thickness to keep the guard streak entirely clear of the fender piles.

25. No goods are to remain on the jetty for more than 24 hours, or on the platforms for more than 48 hours.

26. In cases where special permission is granted by the Collector or other principal officer of Customs for the landing of goods from beyond the seas on the beach, no wharfage charges will be levied as are chargeable on goods landed at the jetty.

27. When the officer in charge of the jetty may deem it unsafe, through stress of weather, for a vessel to remain alongside a jetty, he shall direct the immediate removal of such vessel.

28. All foreign-going vessels shall be moored alongside the jetty, by the officer in charge of the jetty, in such position as may be indicated by such officer, who will, if necessary, direct the removal of other craft for that purpose.

29. Vessels shall unload in the order in which they arrive, and are placed in a list to be kept by the officer in charge of the jetty. Application, to be

placed in turn on such list according to arrival, must be made to the officer in charge on the day preceding that on which the vessel will unload. If such application be not made the next vessel on the list shall have precedence, but the vessel forfeiting her turn may be placed next in succession. Vessels will load according to the order of application to the officer in charge, and shall, when required by him, give place to vessels discharging cargo. Vessels arriving from or bound to foreign ports shall have precedence of coasting and other craft.

30. In the event of any vessel or vessels being moored alongside the Jetty in such way as to exclude any other vessel or vessels whose owners or masters wish also to moor her or them alongside consistently with the Regulations, the Officer in charge of the Jetty has power hereby to order the removal of such vessel or vessels to another berth or berths, and thus afford a berth or berths for such vessel or vessels so wishing to moor alongside such Jetty.

The foregoing General Regulations are published for general information.

Bonus for Deep Sinking.

M  $\frac{1}{10}$

*Department of Lands and Surveys,  
Perth, 11th January, 1893.*

NOTICE is hereby given that the Government offers a Bonus to any person or company who, during the year 1893, shall sink on any of the declared Goldfields of the Colony a Shaft as hereinafter mentioned, and according to the following conditions, from a depth previously attained of not less than 100 feet:—

For a shaft to be sunk from below the depth of 100 feet to a depth of 200 feet, @ £2 10s. per foot.

For a shaft to be sunk from below the depth of 200 feet to a depth of 300 feet, @ £5 per foot.

CONDITIONS.

Each shaft to be vertical throughout, with a superficial area of not less than 27 feet in the clear when completed, and a minimum width of not less than 3 feet, to be sunk and timbered where necessary, to the satisfaction of the Warden or his Deputy.

Provided, that if any shaft has been already sunk of a less superficial area than 27 feet, the bonus shall be paid in proportion; but in no case shall any bonus be paid for a shaft having a less area than 20 feet, or less than 3 feet in width.

All measurements of depth to be taken from the surface of the ground.

Payments will be made monthly as the work progresses. No payments will be made for less than 10 feet, and all work shall be measured and passed by the Warden or his Deputy before payment, and the decision of the Warden or his Deputy shall be final.

No payment will be made in respect of the first 100 feet from the surface.

With regard to existing shafts, no payment will be made in respect of work done before the date hereof.

Any person intending to deepen any existing shaft of or exceeding the depth of 100 feet shall give notice in writing to the Warden or his Deputy of the depth of the said shaft, and of his intention to deepen the same.

The Warden or his Deputy shall ascertain and certify the depth of such shaft, and payment shall be made only in respect of the work done beyond the depth certified by the Warden or his Deputy.

Any person intending to sink a new shaft with the intention of claiming a bonus shall give notice in writing of such intention before the commencement of the work, or before the shaft is down 100 feet.

No company or person shall receive assistance for more than one shaft on the same mining property.

W. E. MARMION,  
Commissioner of Crown Lands.

Western Australia.

The Railways Act, 1873, and the 55 Vict., No. 34.

NOTICE.

I HARRY WHITTALL VENN, Commissioner of Railways for Western Australia, hereby give notice that it is my intention, at the expiration of three months from the date of the publication of this notice, to close the connection of a certain siding now existing and connected with the Eastern Railway, being at or upon Perth Town Lots (part of) Y 175 and Y 174, and known as Honey's siding.

Dated and published at Perth, this 12th day of January, 1893.

The arrival and departure of Mails will be subject to instructions from the Postmaster General, and liable to alterations at any time during the year.

Every tender must bear the *bonâ fide* signatures, duly witnessed, of the tenderer, and of two responsible persons willing to become bound for the due fulfilment of the Contract, in a sum not exceeding the gross amount of the Contract for the whole period over which it extends.

Every tender must be accompanied by the written consent, duly witnessed, of persons proposed as bondsmen as hereinbefore provided, to execute the bonds as aforesaid for the due performance of the Contract, in the event of such tender being accepted.

When mails are conveyed in wheeled vehicles, a free passage must be provided for any officer of the Postal and Telegraph Department travelling on duty.

The Government reserves the right of terminating the Contract at any time, by giving three months notice to the Contractor.

Special forms of Tender, with conditions attached, may be obtained on application to the various Postmasters, and at the General Post Office, Perth; and no Tender will be entertained unless rendered on the prescribed form.

The Government does not bind itself to accept the lowest or any tender.

(By order of the Hon. the Colonial Treasurer),

ARTHUR H. WILLIAMS,  
Acting Postmaster General and  
General Superintendent of Telegraphs.
