Regulations for the Control and Management
of the Pearl Shell Fishery at Sharks Bay.

HIS Excellency the Governor in Council, under the powers conferred upon him by "The Sharks Bay Pearl Shell Fishery Act" (55 Vic., No. 9), has been pleased to repeal the Regulations approved on the 25th day of March, 1892, and to make the following Regulations for the Control and Management of the Sharks Bay Pearl Shell Fishery in lieu thereof:—

1. The rent for General Licenses shall be £8 per annum for each boat, payable in advance, and no license shall be issued for less than £2.
2. The rent for Exclusive Licenses shall be not less than Two shillings an acre, payable in advance, and the term shall not exceed fourteen years.
3. All general and exclusive licenses granted under these Regulations shall be computed from the 1st of January preceding the date of issue, and the rent shall be calculated as from the 1st of January to the 31st December, and shall be paid to the Inspector. Licenses applied for during the year will be charged rent from the beginning of the quarter previous to the date of application, viz., from the first day of April, the first day of July, and the first day of October, as the case may be.
4. Applications for general licenses shall be made to the Inspector, as the authorised agent of the Minister, and the applicant shall give the name of the owner and the name of the boat, provided that the Inspector may, in any case in which any boat is disabled or unable to work, allow another boat to be substituted for the boat so disabled or unable to work.
5. No person shall destroy or preventably permit to perish any immature pearl shell, nor shall collect, remove, or have in his possession such immature pearl shells, excepting under the conditions covered by Clause 12; and no person shall open any pearl shells except at such places as shall have been approved of by the Inspector.
6. The holder of a general license shall only be entitled to have two men at work in each boat; but if more are required, the permission of the Inspector in writing shall be necessary; and, if obtained, an additional fee of 10s. per month for each additional man so employed in such boat shall be paid in advance.
7. All boats licensed shall have a distinguishing number painted on the bow above the water line, and the licensee shall maintain such figures in a clear and legible manner during the currency of the license.
8. The owner or the agent of the owner of any licensed boat, before proceeding to work on any of the waters of Sharks Bay, shall bring the crew of such boat before the Inspector, who shall explain to such crew the regulations under which they are to work.
9. The Inspector may, in his discretion, prohibit the use of a dredge on any portion of Sharks Bay, whether held under exclusive license or not, and this prohibition shall be absolute and continuous on all shallow or so-called "Pick-up banks."

10. It shall be lawful for the Inspector to at any time absolutely prohibit the obtaining of pearls and pearl shells, either by dredging, collecting by hand or otherwise, from any portion of Sharks Bay, whether held under exclusive license or not, when in his opinion the working is likely to detrimentally exhaust the ground.

11. It shall be lawful for the Inspector, by notice in writing to the holders of general or exclusive licenses, to prohibit the collection and removal of pearl shell from any of the waters of Sharks Bay during the principal spawning season of the year; the exact dates to be named in such notice.

12. No person shall retain any young or immature shell, and shall at once return them to the water, unless they are required for planting areas held under exclusive licenses, in which case they shall be so dealt with as not to be allowed to perish.

13. The Minister may set apart any portions of Sharks Bay as reserves for the growth and breeding of the pearl or other oyster; and no person shall dredge or otherwise obtain shell from any such reserve.

14. No person shall trespass, or sail over, or anchor on any Government reserve, or other locality set apart by the Minister for the growth and breeding of any oyster; and no person, except the Inspector or licensee, shall trespass, sail over, or anchor upon any sections held under exclusive license.

15. Applications for exclusive licenses shall be made to the Inspector, as the authorised agent of the Minister, of areas of from 10 acres upwards, but shall not exceed 100 acres. Each application shall be accompanied by an accurate description of the area applied for, and an application fee of £1.

16. The Inspector shall give notice, by affixing a notice on the notice board of his tent or office for seven days, that an application has been made, and shall hear and report all objections that may be raised to the granting of such exclusive license in open Court.

17. The Minister shall not be bound to entertain any application, and he may invite tenders for any license or licenses, but shall not be bound to accept the highest or any tender. The Inspector may in open Court refuse to recommend the granting of an exclusive license over the area applied for.

18. All holders of exclusive licenses shall cultivate the areas held by them in a *bonâ fide* manner to the satisfaction of the Inspector, by planting and protecting the oysters on the area; and the holders of exclusive licenses shall be subject to the Regulations in the same manner as the holders of general licenses.

19. The holder of an exclusive license neglecting or offending against these Regulations shall, upon conviction, in addition to the penalties provided by these Regulations, render his license liable to forfeiture by the Governor in Council.

20. The Inspector may visit, inspect, and report on all portions of Sharks Bay, whether reserved, held under exclusive license, or otherwise.

21. The decision of the Inspector shall in all cases be final.

PENALTIES.

22. Any person offending against the provisions of these Regulations shall be liable, on conviction, to a penalty not exceeding the sum of £50.

Colonial Treasurer.
