The Electoral Act, 1893.

*Colonial Secretary's Office,
Perth, January 16th, 1894.*

SECTION 25 of "The Electoral Act, 1893," enacts that the Electoral Registrar of every Electoral District shall include in the list of persons qualified in the district to vote for a member to serve in the *Legislative Council* "the name of every person in the *Electoral Roll then in force for the Province* in "respect of a qualification situate or arising in such "district."

At present there is no Electoral Roll in force for a Province, and the fact of a name being on the Roll in force for an Electoral District will not justify the insertion of that name in the list of Electors for a Province.

Every person therefore is recommended to make a claim to have his name placed on the Electoral Lists for such *Provinces* in respect of which he holds the requisite qualifications.

Section 6 of the "Instructions to Electoral Registrars," dated 13th November, 1893, is hereby cancelled.

2. At all such sales, should the applicant not be the purchaser, his deposit will be refunded, and the purchaser shall on the fall of the hammer deposit an amount equal to ten per cent. of the purchase money, and such deposit shall be considered as part payment thereof, so far as the same will extend. In every case the balance of purchase money shall be paid, within twelve months, by four equal quarterly instalments on the first days of January, April, July, and October; the first instalment to be paid on the first day of the quarter next following the date of sale; the fees for Crown Grant and Registration being paid with the last instalment.

3. In default of payment of any one of the several instalments of purchase money within 30 days after the dates mentioned, or if the required fencing is not completed within two years from the date of sale, the land shall be absolutely forfeited, together with all purchase money or fees that may have been paid. Provided that nothing shall prevent the balance of the purchase money and fees being paid at an earlier date should the purchaser so desire; but no Crown Grant will be issued until the Commissioner of Crown Lands is satisfied that the required fencing has been completed.
