CIRCULAR.

Downing Street,

SIR,

15th December, 1893.

With reference to the Earl of Derby's Circular Despatch of the 6th of March, 1883, I have the honour to transmit to you, for information and publication in the Colony under your Government, a copy of an Order of Her Majesty in Council modifying the provisions of the Order in Council of the 14th of February, 1883, in regard to the mode of estimating the net registered tonnage of Italian Ships.

I have, &c.,

The Officer Administering
the Government of

RIPON.

AT THE COURT AT WINDSOR,
The 23rd day of November, 1893.

Present,

THE QUEEN'S MOST EXCELLENT MAJESTY IN COUNCIL.

WHEREAS by "The Merchant Shipping Act Amendment Act, 1862," it is enacted that whenever it is made to appear to Her Majesty that the rules concerning the measurement of tonnage of merchant ships for the time being in force under the Merchant Shipping Act, 1854, therein called the principal Act, have been adopted by the Government of any foreign country, and are in force in that country, it shall be lawful for Her Majesty by Order in Council to direct that the ships of such foreign country shall be deemed to be of the tonnage denoted in their certificates of registry or other national papers, and thereupon it shall no longer be necessary for such ships to be re-measured in any port or place in Her Majesty's dominions, but such ships shall be deemed to be of the tonnage denoted on their certificates of registry or other papers in the same

manner, to the same extent, and for the same purposes, in, to, and for which the tonnage denoted in the certificates of registry of British ships is to be deemed the tonnage of such ships:

And whereas Her Majesty, by Order in Council dated the 30th day of September, 1873, was pleased to direct that merchant, sailing, and steam ships, belonging to the Kingdom of Italy, the measurement whereof had, after the first day of July, One thousand eight hundred and seventy-three, been ascertained and denoted in the registers and other national papers of such ships testified by the dates thereof, should be deemed to be of the tonnage denoted in their registers or other national papers, in the same manner, and to the same extent, and for the same purposes, in, to, and for which the tonnage denoted in the certificates of registry of British ships is deemed to be the tonnage of such ships; provided nevertheless, that if the owner or master of any Italian steamship should desire the deduction for engine-room in such ship to be estimated under the rules for engine-room measurement and deduction applicable to British ships instead of under the Italian rule, the engine-room should be measured and the deduction calculated according to the British rules:

And whereas Her Majesty by Order in Council dated the 14th day of February, 1883, was pleased to declare that (the rules for engine-room measurement and deduction applicable to the steamships of Italy, having been modified by Royal Decree of His Majesty the King of Italy, dated the 30th day of July, 1882), the steamships of Italy, the certificates of Italian nationality and registry of which were dated on or after the 21st day of September, 1882, should be deemed to be of the tonnage denoted in the said certificates of Italian nationality and registry:

And whereas it has been made to appear to Her Majesty that it is expedient that certain additions should be made to the provisions of the said last recited Order in Council in regard to the mode of estimating the net registered tonnage of Italian ships:

NOW THEREFORE Her Majesty, in virtue of the powers vested in Her by the said recited Acts, and by and with the advice of Her Privy Council, is further pleased to direct as follows, viz., that in the event of the net registered tonnage of Italian ships, estimated under the British rules, being denoted on their certificates of registry or other national papers, the same shall be deemed to be of the tonnage so denoted therein.

TREATY OF COMMERCE BETWEEN GREAT
BRITAIN AND SERBIA.

Signed at Belgrade, June 28, 1893.
July 10,

Ratifications exchanged at Belgrade, October 4, 1893.
16,

HER Majesty the Queen of the United Kingdom of Great Britain and Ireland, Empress of India, and His Majesty the King of Serbia, being equally animated with the desire of consolidating their ties of

friendship and of developing the Commercial Relations between the two States, have with this object determined to conclude a Treaty, and have named as their Plenipotentiaries, that is to say:

Her Majesty the Queen of the United Kingdom of Great Britain and Ireland, Empress of India, Edmund Douglas Veitch Fane, Esquire, her Envoy Extraordinary and Minister Plenipotentiary to His Majesty the King of Servia:

And His Majesty the King of Servia, his Excellency M. Andre Nikolitch, his Minister for Foreign Affairs;

Who, after having communicated to each other their full powers, found in good and due form, have agreed upon the following Articles:—

ARTICLE I.

There shall be full and entire freedom of commerce and navigation between the countries of the High Contracting Parties.

The subjects, vessels, and goods, produce of the soil and industry of each of the High Contracting Parties, shall enjoy in the dominions of the other all rights, privileges, immunities, or advantages whatever which are actually enjoyed, or may hereafter be enjoyed, in the said dominions by the subjects, vessels, and goods, produce of the soil and industry of the most favoured nation.

ARTICLE II.

All articles produce of the soil or industry of Great Britain and Ireland which shall be imported into Servia, and all articles produce of the soil or industry of Servia which shall be imported into Great Britain and Ireland, whether destined for consumption, warehousing, re-exportation, or transit, shall be subjected as long as this Treaty holds good to the same treatment as and, especially, shall be liable to no higher or other duties than the produce or goods of the most favoured nation.

No higher or other duties shall be levied in Great Britain and Ireland on the exportation of goods to Servia, or in Servia on the exportation of goods to Great Britain and Ireland, than may be levied on the exportation of the like goods to the country the most favoured in this respect.

Each of the High Contracting Parties therefore undertakes that the other shall enjoy immediately and unconditionally every favour, privilege, or reduction of duties which has been already granted, or may be granted hereafter, in the above-named respects to a third Power.

Goods of all kinds coming from or proceeding to the territory of one of the High Contracting Parties shall be exempted in the territory of the other from all transit dues. Most-favoured-nation treatment is mutually guaranteed to each of the High Contracting Parties in all that concerns transit.

It is understood that the provisions of the present Article do not apply to such special facilities and privileges as have been or may hereafter be conceded by Servia to the neighbouring States with respect to the local traffic between their contiguous frontier districts.

ARTICLE III.

It is agreed that as regards cost of transport and all other facilities, Servian goods transported over British railways and British goods transported over Servian railways shall be treated in exactly the same manner as the goods of the nation most favoured in this respect.

ARTICLE IV.

The subjects of each of the two High Contracting Parties shall be exempted in the territory of the other from all military service and from all extraordinary requisitions which may be established on account of exceptional circumstances.

The liabilities, however, arising out of the possession of landed property, and for military loans and requisitions to which all the subjects of the State may be called upon to contribute as proprietors, or tenants, of real property, shall be excepted.

ARTICLE V.

The subjects of the two High Contracting Parties shall in the dominions of the other enjoy the same protection and be subject to the same conditions as native subjects, or subjects of the most favoured nation, in regard to the right of property in trade-marks, name of firms, and other distinctive marks showing the origin or quality of goods, as well as in patterns and designs for manufacture.

ARTICLE VI.

The present Treaty shall be applicable, as far as the laws permit, to all the Colonies and foreign possessions of Her Britannic Majesty, excepting to those hereinafter named, that is to say, except to—India, The Dominion of Canada, Newfoundland, New South Wales, Victoria, South Australia, Western Australia, Queensland, Tasmania, New Zealand, The Cape of Good Hope, Natal.

Provided always that the present Treaty shall be made applicable to any of the above named Colonies or foreign possessions on whose behalf notice to that effect shall have been given by Her Britannic Majesty's Representative at Belgrade to the Minister for Foreign Affairs of His Majesty the King of Servia within two years from the date of the signature of the present Treaty.

ARTICLE VII.

The present Treaty shall be ratified and the ratifications shall be exchanged at Belgrade as soon as the formalities prescribed by the Constitutional Laws of the Contracting States have been observed.

It shall remain in force from the date of the exchange of the ratifications until the 31st December, 1903. In case neither of the two High Contracting Parties should have notified twelve months before the end of the said period the intention of putting an end to it, it shall remain binding until the expiration of one year from the day on which either of the High Contracting Parties shall have denounced it.

In witness whereof the respective Plenipotentiaries have signed the present Treaty, and have thereto affixed their seals.

Done in duplicate at Belgrade the tenth day of July (the 28th day of June), one thousand eight hundred and ninety-three.

The Electoral Act, 1893.

Colonial Secretary's Office,
Perth, January 18th, 1894.

SECTION 25 of "The Electoral Act, 1893," enacts that the Electoral Registrar of every Electoral District shall include in the list of persons qualified in the district to vote for a member to serve in the *Legislative Council* "the name of every person in the *Electoral Roll then in force for the Province* in "respect of a qualification situate or arising in such "district."

At present there is no Electoral Roll in force for a Province, and the fact of a name being on the Roll in force for an Electoral District will not justify the insertion of that name in the list of Electors for a Province.

Every person therefore is recommended to make a claim to have his name placed on the Electoral Lists for such Provinces in respect of which he holds the requisite qualifications.

Section 6 of the "Instructions to Electoral Registrars," dated 13th November, 1893, is hereby cancelled.
