##### *Reward for the discovery of Guano.*

1. The discovery and detailed report of a hitherto unknown deposit of not less than 2,000 tons of Guano shall entitle the discoverer to a reward equal to ten per cent. of the amount received for the Guano by the Government within five years following the discovery.

##### *Commissioner of Crown Lands may issue Licenses.*

2. The Commissioner of Crown Lands may, at his discretion, license the master of any vessel to collect and remove guano. The license shall be deemed to be under the Act 40 Victoria, No. IX.

##### *Classes and forms of Licenses.*

3. A license to remove Guano shall be either *General*, *Special*, or *Exclusive*, according to the forms annexed.

##### *General License.*

4. A *General License* shall apply, save as excepted under these regulations, to all coasts and islands within the territorial limits of the Colony. It shall only be issued in exceptional cases, to encourage the discovery and utilisation of new deposits of Guano. Localities comprised within any previously issued *Exclusive License*, or localities which the Commissioner of Crown Lands may deem it desirable to reserve, shall be excepted from the operation of a *General License*, and so noted thereon. The localities comprised within any subsequently issued *Exclusive License* shall also be excepted from the operation of a *General License*, but not until the *Exclusive License* has been exhibited by the holder thereof, or his agent, to the master of the vessel acting under the *General License*.

##### *Exclusive License.*

6. An *Exclusive License* shall only be issued to the master of a vessel the owners or charterers of which are under special agreement with the Government to remove the whole of the Guano in a particular locality; such agreement shall not be entered into unless the Government are fully informed as to the quantity and quality of the Guano. ##### *Royalty on Guano for Export.*

8. A Royalty of ten shillings per ton, calculated on the registered tonnage of the vessel, shall be paid to the Collector of Customs, or other duly authorised Officer, before the issue of any license to collect Guano for export from the Colony; but this charge may, in the case of an *Exclusive License*, be increased by the Governor in Executive Council.

*Guano for use in the Colony.*

9. Licenses to collect Guano for use in the Colony will be issued free of royalty, on the applicant entering into a bond, with one surety, in the prescribed form, for an amount sufficient to cover the royalty calculated as prescribed in the preceding clause.

*Commissioner of Crown Lands may impose further Conditions.*

13. Holders of licenses and their agents should understand that they are liable to the penalties specified in Act 40 Victoria, No. IX, in respect of any act not duly covered by the terms of their licenses and these Regulations; and the license of any ship infringing the conditions of the license, or of these Regulations, or any order thereunder, shall be held to be revoked, on intimation to that effect given to the master of the ship or his principals by the Commissioner of Crown Lands or his agent.
