Colonial Secretary.

## CIRCULAR (1)

SIR,

*Downing Street,  
21st April, 1894.*

I have the honour to transmit to you, for publication in the Colony under your Government, a copy of a Convention between Great Britain and Roumania, relating to the suppression of false indications of origin on goods, which was signed at Bucharest on the 1st April, 1893, and of which the ratifications were exchanged on the 13th ultimo.

I have to call your attention to Article VI. of the Convention, from which you will observe that, if it is desired that the stipulations of the Convention should be made applicable to the Colony under your Government, notice to that effect must be given to the Roumanian Government within one year from the date of the exchange of the ratifications.

I have therefore to request that you will be good enough to acquaint me as soon as possible of the wishes of your Government in the matter.

I have, &c.,  
RIPON.

The Officer Administering  
the Government of

CONVENTION BETWEEN GREAT BRITAIN AND  
ROUMANIA RESPECTING FALSE INDICATIONS  
OF ORIGIN ON GOODS.

*Signed at Bucharest, March 20, 1893.  
April 1,*

[Ratifications exchanged at Bucharest, March  $\frac{1}{13}$ , 1894.]

HER Majesty the Queen of the United Kingdom of Great Britain and Ireland, Empress of India, and His Majesty the King of Roumania, being mutually desirous of concluding a Convention relating to the suppression of false indications of origin on goods, have named as their respective Plenipotentiaries, that is to say:

Her Majesty the Queen of the United Kingdom of Great Britain and Ireland, Empress of India, the Honourable Charles Hardinge, Her Britannic Majesty's Charge d'Affaires at Bucharest, &c., &c., &c.;

And His Majesty the King of Roumania, M. Alexandre N. Lahovari, Grand Cross of the Royal Order of the Crown of Roumania, &c., &c., &c., his Minister Secretary of State for Foreign Affairs;

Who, having communicated to each other their full powers, found in good and due form, have agreed upon the following Articles:—

## ARTICLE I.

All goods bearing a false indication of origin, in which one of the Contracting States or a place situated in one of them shall be directly or indirectly indicated as being the country or place of origin, shall be seized on importation into either of the two States.

The seizure may also be effected in the State where the false indication of origin has been applied, or in that into which the goods bearing the false indication may have been imported.

If the legislation of either of the two States does not sanction seizure on importation, such seizure shall be replaced by prohibition of importation.

If the legislation of either of the two States does not permit seizure in the interior, such seizure shall be replaced by the remedies assured in such case to natives by the law of that State.

## ARTICLE II.

The seizure shall be effected either at the request of the proper Government Department, or of an interested party, whether individual or society, in conformity with the domestic legislation of each State.

## ARTICLE III.

The authorities are not bound to effect the seizure of goods in transit.

## ARTICLE IV.

The present stipulations do not prevent the vendor from putting his name or address upon goods coming from a country other than that where the sale takes place; but in such case the name or address must be accompanied by a clear indication in legible characters of the country or of the place of manufacture or production.

## ARTICLE V.

The Tribunals of each country shall decide what appellations, on account of their generic character, do not fall within the provisions of the present Convention; regional appellations concerning the origin of products of the vine being, however, not comprised in the reserve provided for by the present Article.

## ARTICLE VI.

The stipulations of the present Convention shall be applicable to all the Colonies and foreign possessions of Her Britannic Majesty, excepting to those hereinafter named, that is to say, except to:

India.  
The Dominion of Canada.  
Newfoundland.  
The Cape of Good Hope.  
Natal.  
New South Wales.  
Victoria.  
Queensland.  
Tasmania.  
South Australia.  
Western Australia.  
New Zealand.

Provided always that the stipulations of the present Convention shall be made applicable to any of the above-named Colonies or foreign possessions on whose behalf notice to that effect shall have been given by Her Britannic Majesty's Representative at the Court of His Majesty the King of Roumania within one year from the date of the exchange of ratifications of the present Convention.

## ARTICLE VII.

The present Convention shall be ratified, and the ratifications shall be exchanged at Bucharest as soon as possible.

It shall come into operation one month after the exchange of ratifications, and shall remain in force until the expiration of one year from the day on which either of the two High Contracting Parties may give notice of its intention to terminate the same.

In witness whereof the undersigned have signed the same, and have affixed thereto the seal of their arms.

Done in duplicate at Bucharest, the first day of April (the twentieth day of March), in the year of our Lord one thousand eight hundred and ninety-three.
