6. If after thirty minutes of the time appointed for the meeting there be no quorum, the meeting shall stand adjourned.

#### MEETINGS AND PROCEEDINGS.

9. A special meeting may, on the requisition of three members of the Board, be called at any time in the manner prescribed by the 9th section of the Act; but the Chairman may call a meeting of the Board as often as he may think proper. No business shall be transacted at any ordinary or special meeting unless at least three of the members of the Board, inclusive of the Chairman or member of the Board chosen to preside in his absence, shall be present, that no business shall be transacted other than that for which the special meeting was called. (Vic. 52, 16, Sec. 9.)

14. The Chairman shall preserve order at all meetings, and his decision, subject to the provisions of the following rule (No. 21) of these By-laws, shall be final and binding upon every member.

##### *Minutes of Proceedings.*

16. (a.) In addition to the Minute Book prescribed to be kept by the 10th section of the Act, a Rough Minute Book shall be kept, in which any item of business transacted by the Board at a meeting shall be then and there entered by the Secretary, and subsequently re-entered by him in the manner prescribed by the Act, in the Minute Book.

##### *Call to Order.*

19. It shall be competent for any member to rise to order, on which the member speaking must at once resume his seat and remain silent until the point of order has been succinctly, but briefly, stated by the member who has risen.

20. The Chairman must thereupon decide the point of order or practice, and, if required, cite the rule applicable to the case without argument or comment.

21. It is then competent for any member, not being the member interrupted by the member who rose to order, to demand that the sense of the Board be taken on the point, when the decision of the majority shall prevail, and be final and binding on every member.

##### *Speaker must not digress.*

22. A member having audience shall not digress from the subject of debate.

28. All moneys shall, within seven days after they have come into the hands of the Board or of any officers, servants, or clerks for the use of the Board, be paid into such Bank.

To insert after the word "purposes," "I have also devised an alternative method of operating my invention, whereby a swinging motion is imparted to the riddles. Said motion may be either transverse to, or longitudinal with their length; this swinging motion is obtained by means of hinged or pivotted rods which are suitably centred in bearings affixed to the foundation frame of the machine. Said pivotted rods are placed on one side, the riddles being supported on the opposite side by vertical flat springs which assist in bringing the riddles and attached mechanism back to their normal or 'home' positions."
