INTERPRETATION.

Section 2 of the Act shall be read and construed together with the Rules.

PART I.—ELECTION.

1. The first election of members of the Board under section 5 of the Act shall be held on the first Tuesday in the month of December, 1897, and every election thereafter shall be held on the same day and month in each and every succeeding third year thereafter.

Every election to fill any vacancy in the Board, as provided by section 5 of the said Act, shall be held as soon as practicable after such vacancy occurs, and within not more than 28 days or less than 21 days after notice of such vacancy has been advertised as the Board may direct.

2. Every person desiring and being qualified to become a member of the Board, shall, not less than fourteen days before the date of an election, forward to the Registrar written notice of his intention to seek election, countersigned by at least two practitioners entitled to vote.

3. If there are no more candidates than the number of vacancies, such candidates shall be declared elected.

4. If there are more candidates than the number of vacancies, the Secretary shall, at least ten days before the day of the election, post to each person entitled to vote a ballot paper containing the names of all candidates. Such ballot papers shall be returned to the Registrar and be re-
