**Rewards for Destruction of Native Dogs.**  
(47 Vict., No. 13, 1883.)

CIRCULAR.

*Colonial Secretary's Office,  
Perth, 15th September, 1895.*

THE attention of all Government Residents Police and Resident Magistrates, and Justices of the Peace is called to the fact that it has come to the knowledge of the Government that divers ingenious artifices are resorted to by unscrupulous persons, in order to obtain the reward fixed by the law for native dogs' tails, such as the purchasing from natives of the tails of their dogs which are not destroyed, thus defeating the object of the Act; the artificial manufacture of what closely resemble native dogs' tails with bits of the skin of the dog, which, when green, are closely wound round a piece of sinew or a rat's tail, and the hairs neatly pointed at one end; the sending of tails from one district to another to secure the higher reward, and other devices of a like nature; every care should, therefore, be exercised in order to prevent fraud, in determining whether the tail produced is genuine, and that the dog from which it has been taken has been destroyed before the reward is paid.

Under Secretary.
