HIS Excellency the Governor in Council, under the powers conferred upon him by "The Sharks Bay Pearl Shell Fishery Act" (55 Vict., No. 9), has been pleased to repeal the Regulations approved on the 7th day of June, 1893, 13th December, 1893, and 19th June, 1896, respectively, and to make the following Regulations for the Control and Management of the Sharks Bay Pearl Shell Fishery in lieu thereof:—

1. The rent for a General License shall be at the rate of £4 per annum per boat, payable in advance at the date of application, and the term shall be for any period not less than three months and not exceeding one year. All licenses shall expire on the 31st December.

2. The rent for an Exclusive License shall be at the rate of not less than Sixpence per acre per annum, and shall be payable in advance on the 1st day of October in each year, and if not paid within fourteen days from date thereof it shall be lawful for the Inspector to cancel such license. Provided that, in respect of Exclusive Licenses over any blocks surveyed and set apart for such licenses, the rent shall be £10 per block irrespective of the area.

3. The term of an Exclusive License shall be computed from the first day of January preceding the date of approval of the application, and shall be for any period not exceeding fourteen years.

4. Licenses applied for during the year will be charged rent proportionate, calculated from the first day of January, April, July, or October last immediately preceding the date of approval of application, as the case may be.

5. Applications for general licenses shall be made to the Inspector, as the authorised agent of the Minister, and the applicant shall give the name of the owner and the name of the boat, provided that the Inspector may, in any case in which any boat is disabled or unable to work, allow another boat to be substituted for the boat so disabled or unable to work.

6. No person shall destroy or preventably permit to perish any immature pearl shell, nor shall collect, remove, or have in his possession such immature pearl shells, excepting under the conditions covered by Clause 13; and no person shall open any pearl shells except at such places as shall have been approved of by the Inspector.

7. The holder of a general license shall only be entitled to have two men at work in each boat; but if more are required, the permission of the Inspector in writing shall be necessary; and, if obtained, an additional fee of 5s. per month for each additional man so employed in such boat shall be paid in advance.

8. All boats licensed shall have a distinguishing number painted on the bow above the water line, and the licensee shall maintain such figures in a clear and legible manner during the currency of the license.

9. The owner or the agent of the owner of any licensed boat, before proceeding to work on any of the waters of Sharks Bay, shall bring the crew of such boat before the Inspector, who shall explain to such crew the regulations under which they are to work.

10. The Inspector may, in his discretion, prohibit the use of a dredge on any portion of Sharks Bay, whether held under exclusive license or not, and this prohibition shall be absolute and continuous on all shallow or so-called "Pick-up banks."

11. It shall be lawful for the Inspector to at any time absolutely prohibit the obtaining of pearls and pearl shells, either by dredging, collecting by hand, or otherwise, from any portion of Sharks Bay, whether held under exclusive license or not, when in his opinion the working is likely to detrimentally exhaust the ground.

12. It shall be lawful for the Inspector, by notice in writing to the holders of general or exclusive licenses, to prohibit the collection and removal of pearl shell from any of the waters of Sharks Bay during the principal spawning season of the year; the exact dates to be named in such notice.

13. No person shall retain any young or immature shell, and shall at once return them to the water, unless they are required for planting areas held under exclusive licenses, in which case they shall be so dealt with as not to be allowed to perish.

14. The Inspector or other Officer may seize and remove any young or immature shell found in the possession of any person.

15. No person shall have or carry on board any boat or use a dredge without the permission of the Inspector, and the Inspector or other Officer may seize and remove any dredge found on board any boat or used contrary to this regulation.

16. The Inspector may authorise persons to collect mature shell on any portion of the waters of Sharks Bay which shall have been closed under the provisions of Section 12 of the said Act, but such shall not be collected except in deep water and by means of diving apparatus.

17. The Minister may set apart any portions of Sharks Bay as reserves for the growth and breeding of the pearl or other oyster; and no person shall dredge or otherwise obtain shell from any such reserve.

The Inspector may seize and remove any shell so obtained, and any other shell that may be found in possession of any person who may be found collecting shell by dredging or otherwise from any Government Reserve, and any person so found shall be liable to a penalty not exceeding £50.

18. No person shall trespass, or sail over, or anchor on any Government reserve, or other locality set apart by the Minister for the growth and breeding of any oyster; and no person, except the Inspector or licensee, shall trespass, sail over, or anchor upon any sections held under exclusive license.

19. Applications for exclusive licenses shall be made to the Inspector, as the authorised agent of the Minister, of areas of from 10 acres upwards, but shall not exceed two square miles. Each application shall be accompanied by an accurate description of the area applied for, and an application fee of £1.

In all applications for exclusive licenses, the length of the licensed area shall not exceed twice its width.

In those parts of Sharks Bay which have been surveyed into blocks each application must comprise one complete block as surveyed. All applications for exclusive licenses shall take priority according to the

order of their being lodged with the Inspector. In the event of two or more simultaneous applications for the same area, the priority shall be determined by lot by the Minister.

20. The Inspector shall give notice, by affixing a notice on the notice board of his tent or office for seven days, that an application has been made, and shall hear and report all objections that may be raised to the granting of such exclusive license in open Court. Provided that such notice shall not be necessary in the case of applications for surveyed areas.

21. The Minister shall not be bound to entertain any application, and he may invite tenders for any license or licenses, but shall not be bound to accept the highest or any tender. The Inspector may, in open Court, refuse to recommend the granting of an exclusive license over the area applied for.

22. All holders of exclusive licenses shall cultivate the areas held by them in a *bonâ fide* manner, to the satisfaction of the Inspector, by planting, and protecting the oysters on the area; and the holders of exclusive licenses shall be subject to the Regulations in the same manner as the holders of general licenses.

23. The holder of an exclusive license neglecting or offending against these Regulations shall, upon conviction, in addition to the penalties provided by these Regulations, render his license liable to forfeiture by the Governor in Council.

24. The Inspector may visit, inspect, and report on all portions of Sharks Bay, whether reserved, held under exclusive license, or otherwise.

25. It shall be lawful for any person who thinks himself aggrieved by any act or decision of the Inspector to appeal against such act or decision to the Minister, whose decision in all cases shall be final.

#### PENALTIES.

26. Any person offending against the provisions of these Regulations shall be liable, on conviction, to a penalty not exceeding the sum of £50.
