HIS Excellency the Administrator in Executive Council has been pleased to confirm the following By-laws made by the Councils of the City of Perth and the Municipality of Day Dawn.

OCT. BURT,
Under Secretary.

By-laws, Rules, and Regulations of the Perth City Council for licensing Tramcars, Drivers and Conductors, and for other purposes.

IN PURSUANCE of the powers in that behalf given to and vested in the Council of the City of Perth by virtue of "The Tramways Act, 1885," and of "The Municipal Institutions Act, 1895," the said Council of the City of Perth hereby makes and publishes the following By-laws, Rules, and Regulations:—

1. No tramcar shall be used for the purpose of plying for hire in the City of Perth unless and until a license has been first had and obtained for the same, or except during the currency of such license.

2. The license in respect of any such tramcar shall expire on the 31st day of December next after the same shall be granted, and the fee to be paid in respect of each such license shall be at the rate of £1 per annum.

3. No license for any tramcar shall be granted or renewed unless such tramcar shall have been inspected and examined by the Traffic Inspector or other officer appointed for that purpose, and reported by him to be in a fit state to be licensed; and no license shall be granted for any tramcar which, in the opinion of the Traffic Inspector, shall be unsafe, in bad repair, or otherwise unfit for the accommodation or conveyance of passengers.

4. The number of the license for each tramcar shall be painted or marked upon such tramcar in such manner and in such conspicuous position as the Council shall direct, and shall be kept so painted or marked during the currency of such license.

5. No tramcar shall travel along any part of Hay street, between Pier Street and King Street, at a greater rate of speed than three miles per hour between the hours of 8 p.m. and 10 p.m. on Saturdays, or at a greater rate of speed than six miles per hour at any other time; and no tramcar shall in any other part of the Municipality travel at a greater rate of speed than ten miles per hour.

6. No tramcar shall, without the consent of the Mayor first had and obtained, follow any other tramcar at a less distance than eight yards, so that there be left a clear space of at least eight yards between the rear of the first car and the front of the succeeding car.

7. Every tramcar shall be provided with proper and sufficient lights, and the driver or conductor of such tramcar shall keep the same properly lighted while such tramcar is being used.

8. Every tramcar shall, during the currency of the license granted in respect thereof, be maintained in a fit and proper state of repair and in a safe condition.

9. The license for every tramcar shall state thereon the number of passengers which such car is licensed to carry, and there shall be a seating space of at least eighteen inches in the clear for every passenger so licensed to be carried by such car: Provided that no child under the age of three years sitting on the lap shall be deemed a passenger within the meaning of this section.

A printed notice containing the substance of this section shall be exhibited in a conspicuous place inside, and also on the front and back platforms of every licensed tramcar.

10. Neither the driver nor the conductor of any tramcar shall allow more than the number of persons for which such tramcar shall be licensed to be carried in or on such car, and no person shall ride in or on such tramcar if informed by the driver or conductor that the same has already the full number of passengers.

11. No person shall act as a driver or conductor of any tramcar without having a valid and subsisting license so to act from the Council, which license such Council is authorised to grant on being satisfied that the person applying for the same is a person of good character, and proper skill and fitness, and competent to perform the duties of a driver or conductor thereof, as the case may be. Every such license shall be registered by the Traffic Inspector.

12. Before any license is granted by the Council to any driver or conductor an application for the same shall be made and signed by the Manager of the Perth Electric Tramways, Limited, on a form to be appointed by the Council, and in every such application there shall be truly stated the Christian name and surname and place of abode of the person upon whose behalf such application shall be made.

13. The license in respect of any driver or conductor shall expire on the 31st day of the month of December next after the same shall be granted, and the fee for such licenses shall be Ten shillings for a driver, and for a conductor Five shillings per annum.

14. No driver or conductor of any tramcar shall lend or part with his license, nor shall the owner employ any unlicensed person as the driver or conductor thereof.

15. When any licensed driver or conductor shall cease to be employed by the Perth Electric Tramway, Limited, he shall, upon demand, deliver up to the Manager thereof his license, and such Manager shall, upon production of such license to the Traffic Inspector, and upon payment of a fee of Two shillings and sixpence, be entitled to have the name of some other person, to be approved of by such inspector, substituted in such license as driver or conductor as the case may be, and thereupon the person whose name shall be so substituted shall be deemed duly licensed for the balance of the term for which the original license was granted.

16. No person shall be licensed as a driver under the age of twenty-one, and no person shall be licensed as a conductor under the age of eighteen.

17. No person shall be employed as driver or conductor upon any tramcar who shall have been convicted of any offence against these By-laws, or against any regulation lawfully made in pursuance of the Tramways Act 1885, unless and until such person shall have applied for and obtained a fresh license from the Council.

18. The driver of any tramcar shall not stop the same upon the intersection of any streets for the purpose of taking up or setting down passengers, or for any other purpose.

19. The driver of any tramcar shall sound the gong or bell attached thereto and give sufficient warning as the said car approaches the intersection of any streets, and also before setting the car in motion after any stoppage, and before passing another car, whether stationary or in motion.
