## COMMONWEALTH OF AUSTRALIA.

Department of External Affairs,  
Melbourne, 9th September, 1901.

SIR,  
I have the honour to forward, for your consideration copy of a letter which has been received by His Excellency the Governor-General from the London Committee of the fund for the building, in connection with the Cape Town Cathedral, of a Memorial of the Soldiers and Sailors of all ranks, and of all parts of the Empire, who have given their lives for their Sovereign and their country in the South African war.

The design of the proposed building was forwarded with the letter; but I regret that, no spare copies having come to hand, it is not possible to send you one.

From the ground plan, it appears that the memorial portion consists of the choir, a memorial chapel adjoining, and the choir transept.

I forward also a copy of letter from *The Times* soliciting subscriptions, and shall be glad if you will give it publicity in your State, in order that any citizen who may feel disposed to assist should have an opportunity of doing so.

From the names of the signatories of that letter, you will perceive that the movement is a thoroughly representative one; and I may also mention that Their Majesties the King and Queen are respectively Patron and Patroness of the fund. The vice-patrons are His Grace the Archbishop of Canterbury, His Grace the Archbishop of York, Field Marshal Earl Roberts, and Lord Milner; while H.R.H. Princess Christian of Schleswig-Holstein is President of the Ladies' Committee, and in the list of the General Committee many very well known names occur.

I hope you will be able, at an early date, to furnish me with the roll of names asked for, in order that I may forward it to the Committee.

I have, etc.,  
EDMUND BARTON.

The Honourable  
The Premier of Western Australia,

SIR,  
With the object of recording as far as possible, in the memorial portion of the proposed Cathedral at Cape Town (coloured in plan), the names of those of all ranks who have been killed in action or died of wounds or disease during the present war in South Africa, I am directed by the Chairman of the General Committee (Field Marshal The Commander-in-Chief) to ask whether you will be good enough to obtain for and forward to me a nominal roll of those who have lost their lives while serving in any of the Contingents furnished by the Federated Colonies of the Commonwealth of Australia.

I need hardly say that your assistance in this direction will be much appreciated by my committee.

I have, etc.,

SIR,

We ask to be allowed to appeal to the British public through your columns on behalf of the proposal to erect in Cape Town a building which shall serve both as a memorial to those who have fallen in the South African war and as a thank-offering for those whose lives have been spared. In pursuance of the precedent of the erection of the English Church at Constantinople after the Crimean war, it has been decided that the present memorial shall take the form of the Eastern portion of the new Cathedral about to be erected in Cape Town. There is a widespread desire that there should be built on South African soil a dignified and stately monument, hallowed by religious sanctions and dedicated to the service of Almighty God, in memory of the soldiers and sailors of all ranks and of all parts of the Empire, who have given their lives for their Sovereign and their country. For this memorial portion of the Cathedral a sum of at least £30,000 is required. Opportunity will be given to preserve on the walls of the building the names, so far as may be possible, of all those who have fallen. It is only right to say that towards the adjacent portion of the new Cathedral a sum of about £20,000 has been subscribed, mainly from Colonial sources.

The Memorial has received the cordial approval of His Majesty the King, who has most graciously consented to become the Patron of the fund; and we are authorised to say that Her late Majesty Queen Victoria "took a great interest in the success of the proposed Memorial."

The names of an influential committee were announced through the Press, on Monday, May 20th. A committee of ladies is also now being formed, of which H.R.H. Princess Christian has graciously accepted the office of President. Her honoured and beloved son was, it is known, very deeply interested in this proposal, and took an active part in its promotion when he was attacked by his fatal illness in Pretoria.

The new Cathedral will be regarded, we trust, as a pledge of the responsibilities both of the Church and of the Empire towards the future well-being of South Africa as well as a glorious Temple for the service of God, and a noble memorial to the courage and heroism of the fallen. In this spirit we most earnestly commend this our appeal, and trust that it may be most generously responded to by rich and poor alike in every part of the Empire.

Contributions will be most thankfully received by the Secretary, Cape Town Cathedral Memorial Fund, Church House, Westminster, S.W.

### COLONIES.

#### Correspondence relating to the proposed alteration of the Royal Style and Titles of the Crown.

No. 1.

*Mr. Chamberlain to Governor-General the Earl of Minto (Canada), and Governor-General the Earl of Hopetoun (Australia).*

(Sent 7.10 p.m., January 29, 1901.)

TELEGRAM.

King Edward's accession offers an opportunity of considering the Monarch's titles, and I am very desirous that the separate and greatly increased importance of the Colonies should be recognised, if possible.

I therefore venture to suggest "King of Great Britain and Ireland and of Greater Britain beyond the Seas."

It is possible that some of the self-governing Colonies might desire more special recognition, as King of Canada, King of Australia, but this would give rise to very great difficulties. Other self-governing Colonies, viz., New Zealand, Newfoundland, the Cape of Good Hope, and Natal, could hardly be excluded. It would be also desirable to refer to the Crown Colonies, all of which would be covered by the expression which I propose.

I request that you will consult your Ministers most confidentially, and enquire whether such recognition by the King would be gratifying to them, and, if so, whether they approve of the proposed style.

No. 2.

#### CANADA.

*Governor-General the Earl of Minto to Mr. Chamberlain.*

(Received 7.55 a.m., February 6, 1901.)

TELEGRAM.

Referring to your telegram of the 29th January,\* respecting the King's title, my Responsible Advisers desire me to express their high appreciation of your action in inviting the opinion of the Government of Canada on this important matter. They recognise the desirability, if the result can be reached without inconvenience, of making His Majesty's titles convey, not only to His own subjects, but to Foreign Powers as well, some idea of the world-wide character of the Empire over which He rules. They entertain some doubt as to the appropriateness of the expression "Greater Britain," which, while convenient colloquially, is perhaps hardly definite or intelligible enough for such a formal purpose. They would therefore suggest for consideration the expediency of retaining the title of King of Great Britain and Ireland and Emperor of India, and adding the words "King of Canada, Australasia, South Africa, and all the British Dominions beyond the Seas;" but if the mention of greater Colonies be deemed unfair to remainder of smaller Colonies, or otherwise objectionable, the addition to title might be "King of all the British Dominions beyond the Seas." The repetition of the word "King" in the title would perhaps be open to criticism, in which case, the word "Sovereign" might be used as a suitable synonym. The King's titles would then be "King of Great Britain and Ireland, Emperor of India, and Sovereign of all the British Dominions beyond the Seas."

No. 3.

#### AUSTRALIA.

*Governor-General the Earl of Hopetoun to Mr. Chamberlain.*

(Received 10 a.m., February 8, 1901.)

TELEGRAM.

With reference to your telegram of the 29th January,\* the Ministers of the Commonwealth would prefer as the title of the Monarch the following, which appears to them

\* No. 1.

to meet the wishes of His Majesty's subjects in the Commonwealth of Australia, viz., "Of Great Britain and Ireland King, Defender of the Faith, Emperor of India, and Sovereign Lord of the British Realms beyond the Seas."

No. 4.

*Mr. Chamberlain to the Governors of the Cape of Good Hope-Natal, New Zealand, and Newfoundland.*

(Sent 10.30 p.m., February 13, 1901.)

TELEGRAM.

King Edward's accession offers an opportunity of considering the titles of the Monarch, and I am desirous that the separate and greatly increased importance of the Colonies should be recognised, if possible.

The following suggestions have been made:—

First.—"King of Great Britain and Ireland, Emperor of India, and King (or Sovereign) of Canada, Australasia, and all the British Dominions beyond the Seas."

Second.—Addition to present title of the words "Sovereign Lord, or King, of the British Realms beyond the Seas."

Third.—Addition to present title of the words "King of all the British Dominions beyond the Seas"; without specifying any particular Colony.

On the whole, I prefer the third suggestion. I shall be glad if you will consult your Ministers confidentially, and enquire whether such recognition by His Majesty would be gratifying to them, and, if so, which they would prefer of the above suggestions.

No. 5.

#### NATAL.

*Governor Sir W. F. Hely-Hutchinson to Mr. Chamberlain.*

(Received 10.20 p.m., February 17, 1901.)

TELEGRAM.

Your telegram of the 13th February† having been laid before Ministers, Prime Minister has replied that the third alternative, "King of all the British Dominions beyond the Seas," is preferred. He adds that such a recognition of the Colonies will be gratifying to Ministers.

No. 6.

#### CAPE OF GOOD HOPE.

*Governor Sir Alfred Milner to Mr. Chamberlain.*

(Received 2.10 p.m., February 18, 1901.)

TELEGRAM.

With reference to your telegram of the 13th February,† I have just received a Minute from Ministers, saying that they desire to express their strong approval of the idea as embodied in the proposal of the Secretary of State, and that of the three suggestions named they greatly prefer the third, but they suggest that the title should be as follows:—"King of Great Britain and Ireland, and of all British Dominions beyond the Seas, and Emperor of India."

No. 7.

#### NEWFOUNDLAND.

*Governor Sir H. E. McCallum to Mr. Chamberlain.*

(Received 7.30 p.m., February, 1901.)

TELEGRAM.

With reference to your telegram of the 13th February,† my Ministers feel much gratified at the suggested recognition by the King. They would prefer the addition to the present title which is numbered three in your telegram.

No. 8.

#### NEW ZEALAND.

*Governor the Earl of Ranfurly to Mr. Chamberlain.*

(Received 8.34 a.m., February 21, 1901.)

TELEGRAM.

In reply to your telegram of the 13th February,† my Government have unanimously decided in favour of the third suggestion, to add "King of all the British Dominions beyond the Seas." This would gratify the people of New Zealand.

### General Order.

Head Quarters,

Perth, 20th September, 1901.

THE following communication having been received from the Right Hon. the Prime Minister of the Commonwealth of Australia, with reference to the recent visit of Their Royal Highnesses the Duke and Duchess of Cornwall and York, is published for general information:—

#### COMMONWEALTH OF AUSTRALIA.

Department of External Affairs,  
Melbourne, 6th August, 1901.

SIR,—

I have much pleasure in transmitting herewith copy of a letter which was received by His Excellency the Governor General from His Royal Highness the Duke of Cornwall and York.

I shall be glad if you will transmit the commendations of His Royal Highness to the various departments of your State Service affected, and if you will embody in your communications an assurance of the pleasure which the Federal Ministry feel as Australians in these admirable services of their countrymen.

I have, etc.,

(Signed) EDMUND BARTON.

The Hon. the Premier of Western Australia, Perth.

H.M.S. "Ophir,"

Western Australia,

DEAR LORD HOPETOUN,—

20th July, 1901.

The time has now arrived when we must take leave of the great Island Continent over whose destinies you preside, and the principal object of my mission has been accomplished.

I am proud to have been entrusted by the King with that mission, in accordance with the wish of my beloved Grandmother, and to have had the honour of presiding at the inauguration of the first Parliament of this newly constituted Federation.

The never failing interest and pleasure which the discharge of our duties gave to the Duchess and myself will remain fresh in our memories, and we shall live in the recollection of those memorable and stirring days which witnessed the celebration of Australia's new political birth.

I would ask you to kindly make known to the Prime Minister of the Commonwealth, and to the Premiers of the several States, through their respective Governors and Administrators, and to the whole community, our warmest thanks for the hearty greetings and manifestations which have been invariably displayed towards us from the first moment that we set feet on your shore.

To the several Governments we desire to express our sincere gratitude for everything which has been done by them to conduce towards our comfort, convenience, and enjoyment.

I would especially refer to the excellent arrangements made for our long journeys by rail, the accommodation for which surpassed any that we have ever before experienced.

We are greatly indebted to all the officials and employees whose work must, on these occasions, have been excessive and we trust that the public generally did not suffer from the dislocation of the normal working of the Railways.

The Police arrangements were everywhere carefully conceived, and carried out with marked tact and ability, though on all occasions I noticed with pleasure how light were the duties of the Police in the streets, where order seemed to be a natural instinct among the vast crowds which thronged them.

The Post and Telegraph Departments displayed the greatest attention and courtesy in dealing with what, I fear, was no inconsiderable addition to their ordinary duties.

During our stay in the different States I had the pleasure of reviewing the Forces of the Commonwealth, numbering upwards of 25,000.

Everyone must have been impressed by this splendid display of fighting material available in Australia. The number on parade, and the cheerful willingness with which the volunteers assembled, often travelling long distances at no little personal inconvenience, gave proof of that fixed readiness to defend the national interests whenever and wherever they may be threatened, which has been declared so unmistakably throughout the Empire.

I feel certain that immeasurable advantages must accrue to the Military organisation of the Commonwealth by its being brought under one central administration.

I look upon it as a great privilege and pleasure to have had the opportunity of seeing and, in the King's name, presenting medals to the officers and men who have returned from the seat of war, and I have noted with much satisfaction the enthusiasm with which they have been received by their fellow countrymen.

I have been much interested in the Cadet Corps, many of which were particularly smart, soldierlike in their bearing, and well equipped.

I am confident that the great importance of securing thoroughly efficient instruction for these corps will not be lost sight of by the responsible authorities.

It seems to me that in this excellent movement lies a strong power for good, for besides the benefit of a physical training, it inculcates into the coming generation that spirit of subordination and *esprit de corps* so essential, not merely in the soldier but in the development of the national character.

I have realised, with much satisfaction, that a sound and practical education is placed within the reach of all, and that the opportunities thus given by the State are fully taken advantage of by the people at large.

At the same time, the great importance of physical training is not lost sight of, and I had the pleasure of seeing not only the drill of the cadets but also admirably executed physical displays by the school children in the various States.

The Duchess and I feel that we cannot adequately thank Lady Hopetoun and you for your generous hospitality, for your unflinching kind attention, and for the manner in which you anticipated our wants and personally supervised all the arrangements of our visit.

Our cordial thanks are due to your excellent staff for their untiring patience and kindness in carrying out these arrangements, and for their valuable and ready assistance to me and my staff.

To the Governors and Administrators of the several States and to their staffs we desire to express our sincere thanks for the similar kind and thoughtful consideration which we have received while their guests, and our deep appreciation of the spirit in which all the trouble and inconvenience of entertaining so large a party was met.

We leave with many regrets, mitigated, however, by the hope that while we have gained new friendships and goodwill, something may also have been achieved towards the strengthening and welding together of the Empire through the sympathy and interest which have been displayed in our journey—both at home and in the colonies.

The Commonwealth and its people will ever have a warm place in our hearts.

We shall always take the keenest interest in its welfare, and our earnest prayer will be for its continued advancement, not only in material progress but in all that tends to make life noble and happy.

Believe me, etc

(Signed) GEORGE.

The Mineral Lands Acts, 1892-99.

Amendment of Regulation 141.

1125  
1901

Department of Mines,  
Perth, 19th September, 1901.

HIS Excellency the Governor in Executive Council, under the powers conferred upon him by "The Mineral Lands Act Amendment Act, 1899" (63 Vict., No. 48), has been pleased to cancel Clauses 6 and 9 of Regulation 141 made thereunder, and to substitute the following new Clauses in lieu thereof, to date from 18th September, 1901.

H. GREGORY,  
Minister for Mines.

REGULATION 141.

Clause 6.

(6.) The lessee or applicant for a lease, as the case may be, may summon the caveator or his agent to attend before the Supreme Court, or a Judge in

Chambers, or the Registrar of the mining district in which the lease or application for lease is situate, to show cause why such caveat should not be removed; and such Court, Judge, or Registrar may, upon proof that the caveator has been summoned, make such order in the premises, either *ex parte* or otherwise, as to such Court, Judge, or Registrar shall appear fit.

Clause 9.

(9.) Before the expiration of a caveat, the caveator or his agent may make application to a Judge of the Supreme Court, or the Registrar of the mining district in which the lease or application for lease is situated, and upon his giving such undertaking and security, or lodging such sum in Court as the Judge or Registrar may consider sufficient to indemnify every person against any damage that may be sustained by reason of any disposition of the property being delayed, then, and in such case, a Judge or Registrar may make an order directing delay in registering any dealing with a lease, or application for a lease, for a further period to be specified in such order, or may make such other order as may be just.

## NOTICE.

An Act to amend "The Companies Act, 1893, Amendment Act, 1897" (62 Vict., No. 28); amended by an Act to amend "The Companies Act, 1893, Amendment Act, 1897" (63 Vict., No. 54).

ATTENTION is hereby drawn to the following provisions of the above Acts relating to Foreign Companies.

F. A. MOSELEY,  
Registrar of Companies.

Supreme Court, Perth,  
27th March, 1900.

*Local register to be kept by foreign companies.*

Every foreign company, or the attorney of every foreign company, carrying on business in this Colony shall, in the case of companies carrying on business therein at the time of the passing of this Act, within two calendar months from such time, and, as to all other companies so carrying on business at any time after the passing of this Act, within two calendar months from the deposit in the office of the Registrar of the power of attorney, in accordance with Section One hundred and ninety-eight of "The Companies Act, 1893," open, keep, and maintain, or cause to be opened, kept, and maintained, at the registered office of the said company in the Colony, a Register of Shareholders under this Act, to be called a Colonial Register, for the registration of all shareholders in such company who may apply in writing to such attorney to be registered therein.

Every such register shall be kept in the manner provided by Part III. of "The Companies Act, 1893," and transfers shall be effected on such register in the same manner and at the same charges as on the register kept at the head office of the company, and transfers lodged in the colonial office of the company shall be binding upon the company, and the Court shall be entitled to exercise the same jurisdiction of rectifying the same as is by Section Thirty-six of the said Act vested in such Court with respect to a register of a company incorporated in the Colony.

Every such foreign company failing or refusing to comply with the provisions of this section shall incur a penalty not exceeding One hundred pounds for every day during which such refusal or non-compliance shall continue, to be recovered in a summary manner before any two Justices of the Peace, or by action or suit in the Supreme Court, and shall be a charge on the property of the company, and in addition thereto, if such default continues for the space of three calendar months, the company, and every person acting as trustee or agent for the company or otherwise on its behalf, shall thereafter be incapable, while so in default, of bringing or maintaining in Western Australia any action, set-off, counter-claim, or other legal proceeding whatsoever in the said Colony.

*Requirements on reconstruction.*

Whenever a foreign company carrying on business in this Colony is reconstructed on the basis of a sale by the liquidator of the assets of the company or otherwise, the liquidator or the company shall reserve, for the benefit of the members of the company registered on the colonial register (hereinafter called the colonial members), a part of the consideration passing to the reconstructing company, proportioned to the interests of the colonial members, and shall forthwith cause notice of such reservation to be published in the *Government Gazette* and to be delivered to each colonial member, or sent by post to his registered address; and at any time within two months after such publication every colonial member may, by writing under his hand delivered by post or otherwise to the liquidator or the company, or the attorney of the liquidator, or of the company in the Colony, claim the share proportioned to the interest of such shareholder in the part of the consideration so reserved, and shall be entitled to receive the same.

The liquidator or the company shall forward to the Registrar at the Supreme Court a statutory declaration made by the liquidator or by a director or officer of the company authorised by the company in that behalf, stating how this section has been complied with; and until such declaration has been filed no conveyance, transfer, or dealing with any property of the company shall be registered in the Department of Mines or of Crown Lands or in the office of Land Titles, or in the office for the registration of deeds; and no person holding any property, real or personal, as servant, agent, or trustee on behalf of the company shall convey, deal with, or dispose of the same, nor shall any property of the company in this Colony pass to the purchaser thereof.

Before filing any declaration purporting to comply with this Act, the Registrar shall examine the same and satisfy himself of such compliance.
