CIRCULAR.⁽¹⁾

Downing Street,
22nd March, 1905.

Sir,

I have the honour to inform you that considerable difficulty has been experienced in this Department in connection with the attestation of signatures to documents executed in the Colonies and required for use by Foreign Governments.

2. I have to call your attention to Chapter VII., paragraph vii., of the Colonial Regulations (Nos. 229, 230, and 231), and to state that, save under exceptional circumstances, I do not feel justified in authorising the certification for legalisation of any signatures except those of the Governor or Officer administering the Government; and I shall be glad if you will invite your Ministers to adopt some means of notifying persons concerned of what is required in order to facilitate the legalisation of documents in this country.

I have, etc.,

ALFRED LYTTTELTON.

The Officer administering the Government of

COLONIAL REGULATIONS.
CHAPTER VII.—PARAGRAPH VII.
Attestation of documents.

229. The attestation of signatures to documents can only take place upon a full knowledge or intimate belief in the genuineness of those signatures, and, as a general rule, the Secretary of State can only undertake to attest those of Governors or officers administering Government.

230. Persons, therefore, who may have occasion to instruct their friends or agents in any State to send to them certificates or powers of attorney or judicial acts for legal use in this country, should take care to have these documents authenticated in the State by the officer administering the Government.

231. The same rule must particularly be observed by the Governor in sending home documents which, after being verified in England, are intended to be used in foreign countries. The last signature attached by way of attestation to any such document must invariably be one which is known, and can therefore be certified to in this Department. If possible, it should always be that of the officer administering the Government.

APPEALS TO HIS MAJESTY'S
PRIVY COUNCIL.

THE following letter from the Registrar of His Majesty's Privy Council, together with a copy of the Order in Council therein referred to, amending the procedure to be followed in England in Appeals to His Majesty in Council where the Respondent fails to enter an Appearance, is published for general information.

By order,

F. A. MOSELEY,
Registrar Supreme Court.

Supreme Court Office,
Perth, 12th May, 1905.

Privy Council Office,
Downing Street, London, S.W.,

Sir,

31st March, 1905.

1. I am instructed by the Lord President of the Council to send you four copies of an Order in Council, dated the 20th March, 1905, amending the procedure to be followed in England in Appeals to His Majesty in Council where a Respondent fails to enter an appearance, and to ask you to be good enough to bring the contents of the Order under the notice of the learned Judges of the Supreme Court of Western Australia.

2. I am, at the same time, to explain that the Order, which has been assented to by the Colonial and India Offices, was passed in response to representations made to the Lords of the Judicial Committee from many quarters as to the inconvenience and expense of the existing practice in cases where a Respondent does not enter an appearance.

3. The object of the Order is, on the one hand, to supply a method by which an Appellant may set down an Appeal *ex parte* without having to take out Appearance Orders against a non-appearing Respondent, and, on the other hand, to ensure the Respondent's having ample notice of the Appeal, and a reasonable time within which to appear.

4. As the Order is intended to apply to Appeals from all Courts from which an Appeal lies to His Majesty in Council, it has necessarily been framed in general terms, but their Lordships conceive that its provisions cannot in any way conflict with the rules for the time being in force in any of the Courts referred to.

5. Their Lordships have observed that in many cases a considerable interval elapses between the admission of the Appeal and the dispatch of the record. In an Appeal recently heard by their Lordships this interval amounted to over three years. The Order in Council accordingly provides for the Respondent's receiving notice of the despatch of the record to England.

6. Their Lordships desire me, in conclusion, to express the hope that the Transcript Record, or the covering letter of the officer transmitting the same to England, may, whenever practicable, show that the notices mentioned in the Order have been given to the Respondent, in order that the parties to the Appeal may have the benefit of the procedure provided by the Order.

I am, etc.,

E. S. HOPE,

Registrar of the Privy Council.

The Registrar,
Supreme Court of Western Australia.

AT THE COURT AT BUCKINGHAM PALACE,
THE 20TH DAY OF MARCH, 1905.

Present:

The King's Most Excellent Majesty

Archbishop of Canterbury Lord President	Lord Suffield Sir William Walrond.
--	---------------------------------------

WHEREAS there was this day read at the Board a representation from the Judicial Committee of the Privy Council, dated the 16th day of March, 1905, and in the words following, viz. :—

"The Lords of the Judicial Committee having taken into consideration the practice under which an Appeal to Your Majesty in Council cannot in the absence of a special Order in that behalf made by their Lordships be set down for hearing *ex parte* as against a Respondent to the Appeal who has failed to enter an Appearance thereto in the Registry of the Privy Council unless the Appellant shall have previously obtained from their Lordships two successive Orders commonly known as 'Appearance Orders' requiring the said Respondent to enter an Appearance to the Appeal within the periods by the said Orders respectively limited and shall have duly published the said Orders by affixing the same on the Royal Exchange and elsewhere in the usual manner and unless the said periods so limited by the said Orders as aforesaid shall have expired And being of opinion that the said

practice is inconvenient and ought in certain cases and subject to certain conditions to be dispensed with Their Lordships do this day agree humbly to recommend to Your Majesty to order as follows that is to say :—

"1. That where a Respondent to an Appeal to Your Majesty in Council whose name has been entered on the Record of the Appeal by the Court admitting the Appeal fails to enter an Appearance to the Appeal in the Registry of the Privy Council and it appears from the Transcript Record in the Appeal or from a Certificate of the Officer of the Court transmitting the said Transcript Record to the Registrar of the Privy Council that the said Respondent has received notice of the Order admitting the Appeal to Your Majesty in Council or of the Order of Your Majesty in Council giving the Appellant special leave to appeal to Your Majesty in Council (as the case may be) and has also received notice of the dispatch of the said Transcript Record to the Registrar of the Privy Council the Appellant shall not subject to any direction by their Lordships to the contrary be required to take out Appearance Orders calling upon the said respondent to enter an Appearance in the Appeal and the Appeal may subject as aforesaid be set down for hearing *ex parte* as against the said Respondent at any time after the expiration of three calendar months from the date of the lodging of the Appellant's Petition of Appeal in like manner as if the said Appearance Orders had been taken out by the Appellant and the times thereby respectively limited for the said Respondent to enter an Appearance had expired.

"2.
