WM. J. GEORGE,

Approved by His Excellency the Governor in Council on the 21st day of June, 1905.

ARTHUR H. WILLIAMS,

The Schedule to By-law No. 33.

No officer or servant of the Commissioner has any authority to dispense with or vary the provisions of this Schedule.

CONDITIONS AND REGULATIONS FOR PARCELS TRAFFIC.

1. All traffic is carried subject to the provisions of "The Government Railways Act, 1904," and the By-laws and Regulations published by the Commissioner.

2. PARCELS—DESPATCH OF.—All parcels intended for despatch from Perth must be tendered at least 30 minutes, and at other stations at least fifteen minutes, before the advertised time of departure of the train by which they are required to be forwarded.

3. The Commissioner will not under any circumstances be responsible for :—

(a.) Loss or misdelivery of any goods improperly or insufficiently marked, directed, or described, nor for loss of, or damage to, goods which he or his officers may consider to be insufficiently or improperly packed or secured. Nor will he be responsible for any loss or damage occurring to goods consisting of a variety of articles in the same package liable by breakage to damage each other or other articles, or arising from leakage due to bad vessels, or bad cooerage, or to fermentation.

(b.) Nor for damage to any articles of a fragile or brittle nature, such as marble ornaments or statuary, musical instruments, furniture, or toys, which are, in the opinion of the Commissioner or his employees, more than ordinarily hazardous, unless they shall be declared in writing and properly packed and protected, and an appropriate rate or charge for the carriage thereof be paid, or contracted to be paid. Furniture and fragile articles simply covered with canvas or in frail skeleton frames, will be treated as unprotected.

(c.) Nor for loss or damage to fruit, fish, meat, poultry, game, milk, cream, butter, vegetables, and other perishable articles arising from the perishable nature of such articles, or from the same not being taken away forthwith on arrival at the station, or for the non-delivery thereof at any certain time, or in time for any particular market, or from not being conveyed or forwarded by any particular train, or from delay or stoppage however occasioned.

4. CLAIMS.—The Commissioner shall not be liable for any loss of or damage to goods unless a claim, in writing, in respect of such loss or damage is made by or on behalf of the owner of the goods and served on the Commissioner :—

(a.) In the case of loss of goods, within 21 days after the day upon which the goods were consigned or handed to the Commissioner or his servants; and

(b.) In the case of damage to goods, within four days after the delivery of the goods alleged to be damaged. The delivery of such goods shall be deemed to be complete when notice of arrival has been given to the consignee, or after the goods have been at the receiving station for 12 hours.

Any claim under this By-law shall be deemed to be duly made if in writing and delivered at the office of the Commissioner, or the Chief Traffic Manager, in Perth, or left with any officer in charge of any railway station (By-law 32).

No claim for any parcel will be entertained unless at time of despatch a receipt therefor, whether insured or not, is filled in by the sender and signed by the proper officer at the Railway Station or authorised Receiving Office.

5. LIABILITY FOR LOSS, DAMAGE, ETC., LIMIT OF.—Every parcel is accepted and carried on condition that the owner warrants the Commissioner free of all liability in respect thereof beyond £1, unless separately insured, and then only up to £10. Any parcel may be insured up to £10 on payment of an insurance fee of 3d.

6. The Commissioner will not be liable for the loss of, or injury to, any goods of the descriptions following, that is to say:—Gold or Silver Coin, or any Gold or Silver in a manufactured or unmanufactured state, or any Precious Stones, Jewellery, Watches, Clocks, or Timepieces of any description, Trinkets, Bills, Bank Notes, Orders, Notes or Securities for the payment of Money; Stamps, Maps, Writings, Title Deeds, Paintings, Engravings, Pictures, Gold or Silver Plate or Plated Articles, Glass, China, Silks in manufactured or unmanufactured state, and whether wrought up or not wrought up with other articles, Furs or Lace, or any of them which shall have been delivered, either to be carried for hire or to accompany the person of any passenger, when the value of such goods shall exceed the sum of Ten pounds, unless at the time of delivery thereof to the person authorised to receive the same to be carried on the railway, or, in case the same accompanies the person of any passenger, before such person commences his journey on the railway, the nature and value of such goods shall have been declared in writing by the person sending or delivering or accompanying the same, and in addition to any ordinary charge, the prescribed charge (if any) for the extra risk shall have been paid and a receipt given for the same.

7. The rates chargeable on the declared value of any of the goods mentioned in the preceding clause, when carried at Commissioner's risk, shall be (in addition to the ordinary charges) 5 per cent. on the declared value.

8. The Commissioner reserves the right to inspect all goods before accepting liability beyond the extent of £1 thereon, in order to ascertain that they are in accordance with the declaration, in good condition, and properly packed. For this purpose, if considered necessary, any package may be opened, which must be done by the sender at his own expense. When such a consignment consists of more than one article, the value of each article must be declared separately.

9. ARRIVAL AND DELIVERY.—The Commissioner does not, under any circumstances, guarantee arrival or delivery of any goods (perishable or otherwise), at any particular time, by any particular train, or for any particular market, neither does he undertake to advise consignees of the arrival of goods.

10. The Commissioner will take every reasonable care to insure correct and prompt delivery, but will not undertake any liability for loss or misdelivery of parcels unless applied for, and certificate of posting presented on arrival of train.

In case of failure to present certificate, delivery may be made, irrespectively of ownership, either to the person who claims the parcel and who, from his description thereof, or other evidence, appears to represent the consignee or his agent, or to any licensed carrier or porter, whereupon all further responsibility shall cease.

11. PLATFORMS AND SIDINGS.—Parcels will not be received for delivery at platforms or sidings except under special agreement that the consignor will relieve the Commissioner of all responsibility in regard to any loss or damage arising from any cause whatever after arrival at destination. All parcels for platforms and sidings must be prepaid at sending stations. Delivery of parcels at such places will depend upon the trains requiring to stop to let down or pick up passengers.

12. ADDRESSING AND PACKING.—All parcels must be fully and distinctly addressed, and well and securely packed. The Commissioner reserves to himself the right to refuse parcels which his officers may adjudge to be unsafe for transit.

13. CHARGES TO BE PAID ON DEMAND.—The authorised charges on all parcels must be paid on demand, and in default the Commissioner has the power to detain and sell the goods on which such charges are payable, or any other property which they may then or at any future time have in his possession belonging to the same owner or consignee, in order to realise the amount due. It is optional with the Commissioner to require the prepayment of freight or allow parcels to be forwarded to pay, but on parcels of a highly perishable nature the freight must always be prepaid.

No credit will be given, except under special arrangement with the Commissioner.

14. CONSIGNEES TO GIVE RECEIPT.—A written receipt must be given by consignees for all goods received from the Commissioner, and the Commissioner may demand proof of ownership or an indemnity note signed by two approved sureties should there be any doubt as to the person applying for the goods being the actual consignee or owner.

15. STORAGE CHARGES.—On all parcels not taken delivery of within forty-eight hours after arrival, a charge for warehouse rent of 3d. per parcel per week, or portion of a week will be made. The Commissioner will not be responsible for the loss of or damage to any goods or parcels addressed "To be left till called for."

16. DANGEROUS GOODS.—Articles of a dangerous nature, such as gunpowder, blasting powder, gun-cotton, dynamite, lithofracteur, fireworks, cartridges, aquafortis, mineral acids, petroleum, lucifer matches, or any other articles which in the judgment of the Commissioner or his officers are of a dangerous nature, will *not* be conveyed by passenger trains.
