P.W. <sup>505</sup>/<sub>1907</sub>  
Ex. Co. 643.

Public Works Department,  
Perth, 11th March, 1907.

It is hereby notified, for general information, that His Excellency the Governor in Council has approved of and consented to the accompanying By-laws for the Mt. Margaret Road Board, under Section 117 of the Roads Act, 2 Edward VII., No. 48.

F. L. STRONACH,

## BY-LAWS OF THE MOUNT MARGARET ROAD BOARD.

THE Mount Margaret Road Board, in pursuance of the powers vested in the said Board under and by virtue of the said Act, doth hereby make and publish the following By-laws:—

WHEREAS by "The Roads Act, 1902," and the amendments thereto, the Board of any District is empowered to make By-laws for all or any purposes in the said Act mentioned: It is hereby resolved by the Board of the District of Mount Margaret, by and with the approval of His Excellency the Governor in Council, that the following By-laws shall be in force within the said District from the date of the publication thereof in the *Government Gazette*.

## CHAPTER I.—THE INTERPRETATION.

1. In these By-laws the following terms shall, unless the context otherwise indicates, bear the meanings set against them respectively, that is to say:

- "District."—The Mount Margaret Road Board District.
- "Board."—The Board of the said District.
- "Chairman."—The member acting for the time being as Chairman of the Board.
- "Member."—A member of the Board.
- "Secretary."—The Secretary of the Board.
- "The Acts."—"The Roads Act, 1902," and amendments.
- "Meeting."—A meeting of the Board.
- "Road" or "Reserve."—A public road or reserve, as the case may be, under the control of the Board.

## CHAPTER II.—THE BOARD.

2. The Board shall consist of seven members, elected by the ratepayers as laid down in the Act.

*Vacancies.*

3. If any member be absent without leave from three consecutive ordinary meetings, his seat may be declared vacant.

4. The Board shall commence business as soon after the time appointed as there is a sufficient number of members present to form a quorum.

5. Three members shall form a quorum for the transaction of business.

6. If, after 30 minutes of the time appointed for the meeting, there be no quorum, the meeting shall stand adjourned.

*Meetings and proceedings.*

7. Meetings of the Board shall be of two kinds, ordinary and special. It shall rest with the Chairman and any three members to exclude the public when, in their opinion, it is expedient to do so, providing the business before the Board warrants such action being taken.

8. Meetings shall be held at the office of the Board on the second Tuesday in the month at 8 p.m., unless otherwise arranged by resolution carried to that effect at the last ordinary meeting of the Board.

9. The Chairman may call a meeting of the Board as often as he may think proper, by giving each member due notice. No business shall be transacted at an ordinary or special meeting unless at least three of the members of the Board, inclusive of the Chairman or member chosen to preside in his absence, shall be present; and no business shall be transacted other than that for which the special meeting was called, unless urgent.

*Notice of meetings.*

10. Notice shall be given by the Chairman or Secretary of ordinary or special meetings at least 24 hours before such meeting, and also of every meeting adjourned for a term exceeding two days.

11. The Chairman, if present, shall preside at all meetings of ratepayers and of the Board, and, in his absence, or if, after being present, he shall retire, one of the members of the Board, chosen by the ratepayers or members present, as the case may be, shall preside.

12. The Chairman shall preserve order at all meetings, and his decision, subject to the provision of No. 21 of these By-laws, shall be final and binding upon every member.

*Voting.*

13. Each member, including the Chairman, shall have one vote, and such Chairman shall, in case of an equality of votes, have a casting vote in addition to his ordinary vote, and all questions at such meeting shall be decided by a majority of the votes of the members present.

*Minutes of proceedings.*

14. (a.) In addition to the minute book prescribed to be kept by the Act, a rough minute book shall be kept, in which any item of business transacted by the Board at a meeting shall be then and there entered by the Secretary and subsequently re-entered by him in the manner prescribed by the Act in the minute book.

(b.) Minutes of special or ordinary meetings shall be confirmed at the next subsequent ordinary meeting.

(c.) No discussion shall take place upon the minutes of proceedings except as to their accuracy, or for the rectification of a clerical error.

*Order of business.*

15. The order of business at all ordinary meetings shall be as follows, that is to say—

- (a.) Reading and confirmation of minutes of last ordinary and of special meeting (if any).
- (b.) Consideration of business arising out of minutes.
- (c.) Reading of correspondence (in and out) and taking such immediate action as may be deemed expedient in regard thereto.
- (d.) Presentation of petitions or memorials, or committee reports and consideration thereof.
- (e.) Consideration of tenders.
- (f.) General business.
- (g.) Passing of accounts for payment.

16. A petition shall be presented only by a member who makes himself responsible for the respectful nature of its language, and as far as possible acquaints himself, before presentation, with the subject to which it refers.

*Call to order.*

17. It shall be competent for any member to rise to order, on which the member speaking must at once resume his seat and remain silent until the point of order has been clearly but briefly stated by the member who has risen.

18. The Chairman must thereupon decide the point of order or practice, and, if required, cite the rule applicable to the case, without argument or comment.

19. It is then competent for any member, not being the member interrupted by the member who rose to order, to demand that the sense of the Board be taken on the point, when the majority shall prevail, and be final and binding on every member.

*The speaker shall not digress.*

20. A member having audience shall not digress from the subject of debate.

*Motions and amendments.*

21. (a.) A motion once moved at a meeting cannot be withdrawn, unless by consent of the Board.

(b.) One amendment may be proposed on a motion before the Board, and the amendment shall be put first.

(c.) A motion or amendment not seconded cannot be discussed by any member except the mover, or put by the Chairman.

(d.) In submitting a motion or an amendment, the Chairman must put the question first in the affirmative and then in the negative.

*Amendment becomes a substantive motion.*

(e.) When an amendment is carried, the motion as amended thereby becomes a substantive motion, upon which a further amendment may be moved before it is finally dealt with.

*Appointment of Committee.*

22. The Board may, at any meeting, appoint three or more members as a Committee to inquire into any matter, and make a report thereon, but no Committee shall incur any financial liability, or commit the Board to any responsibility whatever, without express and specific authority conferred by the By-laws or by a resolution of the Board.

23. The quorum of a committee of three shall comprise two members.

*Financial accounts.*

24. All accounts, bills, and vouchers shall be submitted to the Board by the Chairman at the ordinary meetings, and after being certified as correct shall be paid by cheque.

25. An account shall be opened with such bank as the Board may direct, and all moneys received, from whatever source, shall be paid into such bank to the credit of the Board, and no account shall be paid except by cheque signed by the Chairman of the Board together with another member of the Board and Secretary.

26. All moneys shall, within seven days after they have come into the hands of the Board, or of any of its officers, servants, or clerks, for the use of such Board, be paid into such bank.

27. The accounts shall be balanced annually up to the 30th June in each year, and, after such balancing, the auditor or auditors shall audit the said accounts as provided by the Act.

*Urgent work.*

28. Any one member may, in case of urgency, authorise the expenditure of a sum not exceeding £3, but shall in every case report the same at the next following meeting of the Board.

*Unauthorised work.*

29. Every item of expenditure and every liability incurred by any committee or member of the Board, otherwise than under the authority of the Act or of these By-laws, shall be deemed unlawful expenditure.

NAVIGATION ACT, 1904.

Harbour and Light Department,

Fremantle, 19th March, 1907.

THE annexed Report and Finding of the Chief Harbour Master, under the provisions of "The Navigation Act, 1904," relative to the preliminary inquiry held by him into the circumstances attending the total loss, by fire, of the ship "Carnarvon Castle," whilst on a voyage from Liverpool to Melbourne, on the 31st January, 1907, has been approved by the Hon. the Minister.

G. J. SINCLAIR,  
Secretary.

From the Chief Harbour Master to the Under Secretary.

I beg to report, for the information of the Hon. the Minister, having held a Preliminary Inquiry into the circumstances attending the total loss, by fire, of the ship "Carnarvon Castle" at sea.

The "Carnarvon Castle" was a full rigged ship, 1719 tons gross and 1644 tons net register; official number 102670; owned by the Carnarvon Castle Ship Company, Limited, of 26 Chapel Street, Liverpool, and registered in Liverpool.

After taking the evidence of the Master (Captain Evan Jones), who holds a Board of Trade Master's Certificate, No. 92823, issued at Liverpool 13th December, 1873; Lewis Davies (Chief Mate), who holds a First Mate's F.C. Board of Trade Certificate No. 038610; Owen Roberts (Second Mate), holding a Second Mate's Certificate No. 439839, issued at Liverpool; August Olsen (Carpenter), and Joseph Beswick, A.B., I have to report that the vessel left Liverpool on the 3rd November, 1906, for Melbourne, Victoria, and experienced the usual weather, with occasional gales, till January the 28th last, when a strong gale was encountered, and the following day a heavy sea was running which caused the ship to labour considerably, and the cargo aft among the slates was heard from the sail locker to be working slightly.

On the following day, January 31st, 1907, at noon, the ship's position was taken as 42° 54' South Latitude and 101° 49' East Longitude, and at about 5.30 p.m. the alarm was given that the vessel was on fire, smoke having been seen coming through the deck between the galley and the main hatch, and afterwards through the ventilators.

The main hatch was then opened with a view to getting at the seat of the fire, which was located as being between the galley and the fore part of the main hatch. An endeavour was then made to remove some cargo to get at the fire, and openings were made in the deck on each side of the house and water poured into same from the appliances available. Every effort was made by all hands to get the fire under, but it is evident that it had a firm hold before being discovered, and it was soon found that the ship was doomed, as the fire broke through the decks in several places and through the ventilator that came through the house on deck, thereby setting fire to the forward boats placed on skids, one on each side of the house.

The vessel was abandoned between 9 and 10 o'clock p.m., the Master taking charge of the starboard life-boat, which was fitted with air tanks, and having with him 13 of the crew, and the Mate taking charge of the port boat, which was not fitted with air tanks, and having besides himself 12 of the crew. On the following day, owing to the want of free board, two apprentices were transferred from the Mate's to the Master's boat, thus leaving a total of 16, including 7 apprentices, in the Master's and 11 in the Mate's. Each boat was provisioned with about 150lbs. of biscuits, some preserved meats, and about 30 gallons of water. The Master and Mate arranged to keep together and to steer a North-East course to bring them in the track of trading vessels or to the South-West coast of Western Australia, but on the night of the 6th February the two boats became separated, and the port boat, in charge of the First Mate, arrived in Fremantle on Sunday morning, the 24th February, without loss of life, but with her crew in a terribly exhausted state owing to want of water and exposure; and the starboard boat, in charge of Captain Jones, landed on the West side of Cape Naturaliste, providentially in the only safe boat-landing spot in the vicinity, but unfortunately with the loss of two lives, the sail-maker, Alexander Naylor, having died on the 18th February, and John Owen on the 20th February, from want of sufficient nourishment and exposure. Harry Blamire, an apprentice, in a dying condition, and the whole of the crew, including the Master, being utterly exhausted from the same cause. The apprentice, Harry Blamire, died the day after landing, not having recovered consciousness.

On reviewing the evidence, I find:—

1. That the ship "Carnarvon Castle," after loading a general cargo, including crates of crockeryware packed with straw and flannelette goods, under proper supervision, sailed from Liverpool on the 3rd November, 1906, for Melbourne, and became a total loss by fire in the vicinity of Latitude 42° 54' S, and Longitude 101° 49' E., on the 31st January, 1907.

2. That everything possible under the circumstances was done by the Master, Officers, and crew to save the vessel.

3. That from the evidence the cause of the fire cannot be determined, but it is evident from the inaccessible seat of same that it originated from spontaneous combustion in the crates with straw packing or flannelette, or friction of the cargo caused by the heavy labouring of the ship the two days previous.

4. That when it was realised that the ship must be abandoned it was too late to launch one of the forward boats, as the fire had then unexpectedly burst through the ventilator going through the deck house and set fire to same, thus necessitating the crew leaving on the two remaining boats aft, and as the said boats, with 14 men in one and 13 in the other were deeply laden, a greater supply of water and provisions could not have been prudently taken.

5. That no blame can be attached to the Master, Officers, or crew, but, on the contrary, the Masters and Officers are to be highly commended on their efforts in bringing the crew safely to land, and the crew on their manly behaviour through such a trying experience.

C. J. IRVINE,  
Chief Harbour Master.

**"GOVERNMENT GAZETTE."**

*The Treasury,  
Perth, 8th March, 1907.*

IT is hereby notified, for general information, that His Excellency the Governor, with the advice of the Executive Council, has approved of the following Regulations for the control and management of the printing and publication of the *Government Gazette*.

L. S. ELIOT,  
Under Treasurer.

**REGULATIONS TO BE STRICTLY OBSERVED WITH A VIEW TO EFFECTING ECONOMY IN THE PRINTING AND PUBLICATION OF THE "GOVERNMENT GAZETTE."**

1. The *Government Gazette* will be published once a week—on Friday, unless otherwise interfered with by Public Holidays or other unforeseen circumstances, when the alteration will be duly notified.
2. Supplements to the *Gazette* will only be published when approved by a Minister, except such as are required by statutory obligation or to meet the special requirements of the Colonial Treasurer.
3. Notices for insertion in the *Gazette* must be sent to the Government Printing Office in reasonable time—none later than 10 o'clock of the day preceding the day of publication, and when possible, several days before that time.
4. Proofs of Departmental Notices will be supplied, but must be returned not later than 3 p.m. of the day preceding the day of publication, and duly certified for issue by a responsible officer.
5. Notices or proofs delayed beyond the time mentioned will be held over for insertion in the following issue.
6. Wherever possible, in order to economise space without altering the sense, Notices shall be grouped, or tabulated with one date and signature.
7. Notices should bear the date of the *Gazette* in which they are first to be inserted, unless there are special reasons for giving any Notice a different date.

8. Every Notice forwarded for publication in the *Gazette* must show the number of insertions required, and the responsibility of indicating the requirements of the law in that respect will rest with the Department from which it issues. Unless so notified, only one insertion will be made.

9. When any Notice is marked for more than one insertion it must be stated whether such Notice should be published in full in each issue or in the first issue only. If only one insertion in full is necessary, abbreviated notice should be furnished for subsequent insertions. Nothing in this Regulation will affect the Government Printer's right to repeat a notice when required for "make-up" purposes.

10. Care must be exercised in the preparation of Departmental Notices for the *Gazette*, to save as far as possible corrections, alterations, and additions when in type. The Notices should be legibly written on one side of the paper only. Signatures and proper names must be written very plainly in the text. All documents illegibly written will be returned unpublished.

11. Demands for copies of Notices which appear in the *Gazette* should be sent in with the MS. or the returned proofs. Such demands should be as limited as possible, and not made unless necessary.

12. Private advertisements forwarded for publication in the *Gazette* must be written on one side of the paper only, and must be legible (signatures and proper names in particular), otherwise they will be returned unpublished. Such Notices must be paid for prior to insertion.
