"GOVERNMENT GAZETTE."

*The Treasury,
Perth, 8th March, 1907.*

IT is hereby notified, for general information, that His Excellency the Governor, with the advice of the Executive Council, has approved of the following Regulations for the control and management of the printing and publication of the *Government Gazette*.

L. S. ELIOT,
Under Treasurer.

REGULATIONS TO BE STRICTLY OBSERVED WITH A VIEW TO EFFECTING ECONOMY IN THE PRINTING AND PUBLICATION OF THE "GOVERNMENT GAZETTE."

1. The *Government Gazette* will be published once a week—on Friday, unless otherwise interfered with by Public Holidays or other unforeseen circumstances, when the alteration will be duly notified.

2. Supplements to the *Gazette* will only be published when approved by a Minister, except such as are required by statutory obligation or to meet the special requirements of the Colonial Treasurer.

3. Notices for insertion in the *Gazette* must be sent to the Government Printing Office in reasonable time—none later than 10 o'clock of the day preceding the day of publication, and when possible, several days before that time.

4. Proofs of Departmental Notices will be supplied, but must be returned not later than 3 p.m. of the day preceding the day of publication, and duly certified for issue by a responsible officer.

5. Notices or proofs delayed beyond the time mentioned will be held over for insertion in the following issue.

6. Wherever possible, in order to economise space without altering the sense, Notices shall be grouped, or tabulated with one date and signature.

7. Notices should bear the date of the *Gazette* in which they are first to be inserted, unless there are special reasons for giving any Notice a different date.

8. Every Notice forwarded for publication in the *Gazette* must show the number of insertions required, and the responsibility of indicating the requirements of the law in that respect will rest with the Department from which it issues. Unless so notified, only one insertion will be made.

9. When any Notice is marked for more than one insertion it must be stated whether such Notice should be published in full in each issue or in the first issue only. If only one insertion in full is necessary, abbreviated notice should be furnished for subsequent insertions. Nothing in this Regulation will affect the Government Printer's right to repeat a notice when required for "make-up" purposes.

10. Care must be exercised in the preparation of Departmental Notices for the *Gazette*, to save as far as possible corrections, alterations, and additions when in type. The Notices should be legibly written on one side of the paper only. Signatures and proper names must be written very plainly in the text. All documents illegibly written will be returned unpublished.

11. Demands for copies of Notices which appear in the *Gazette* should be sent in with the MS. or the returned proofs. Such demands should be as limited as possible, and not made unless necessary.

12. Private advertisements forwarded for publication in the *Gazette* must be written on one side of the paper only, and must be legible (signatures and proper names in particular), otherwise they will be returned unpublished. Such Notices must be paid for prior to insertion.
