19. No driver or rider of a motor vehicle shall, when on such vehicle, be in a position in which he cannot have control over the same, nor shall he quit the motor vehicle without having stopped the machinery and taken due precautions against it starting in his absence, or allow the motor vehicle to stand on such street so as to cause an unnecessary obstruction thereof.

20. The driver or rider of a motor vehicle shall always have an efficient silencer attached to such motor vehicle, in full and efficient working order, and always connected with the proper portion of the engine of such motor vehicle so as to reduce by at least 40 per cent. the noise which would otherwise result from the working of the engine of such vehicle, and shall not in any case have attached to such silencer, or otherwise connected therewith, any device or machinery whereby such silencer may be rendered inefficient or unworkable, or its efficiency in any way lessened.

21. Every driver of a motor vehicle, when taking up or setting down persons in any street, or when waiting for any such purposes, shall act under the directions of any officer of the Corporation of the City of Perth, or police constable who may be on duty in such street.

22. The owner of any motor vehicle shall, when required by the Traffic Inspector or any police constable, furnish the name and address of the person driving such motor car at any particular time.

23. No person shall use or drive any motor vehicle unless the same is licensed by the Council of the Municipality in which the same is kept.

24. No person shall use or drive a motor vehicle not being a motor cycle in the said Municipality, unless there shall be fixed in a conspicuous position in the front and on the back thereof a rectangular plate in an upright position, upon which is inscribed the licensed number of the said vehicle, together with the distinguishing letter or letters of the Municipality in which the same is licensed in characters of not less than three and a-half inches high, and of the corresponding breadth, painted in white on a black ground, so that the inscription upon such plates shall be easily distinguishable from in front or behind as the case may be, and no person shall use or drive any licensed motor vehicle in the said city between sunset and sunrise unless the said plates shall be so illuminated that the inscriptions thereon shall be easily distinguishable.

25. No person shall drive, ride, or impel any motor cycle unless a number plate shall be attached thereto in a conspicuous position containing the number of the license of such cycle. The said number to be at least two inches in height, and to be in white figures on black ground.

26. The Traffic Inspector may, on payment to him of an annual fee of £4, assign to any manufacturer of, or dealer in, motor vehicles, general identification numbers, not exceeding six, which may be used for motor vehicles on trial after completion, or on trial by an intending purchaser.

27. The colouring of the plates having placed thereon or annexed thereto any of such distinguishing numbers, shall be different from that used for the plates required to be used by owners, and specified in Section 24 of these By-laws, but all other provisions of these By-laws as to the size and position of the plates shall apply.

28. Whenever any manufacturer or agent shall use any number assigned to him under these By-laws, he shall keep a record of the name and address of the person driving the motor vehicle on each occasion, and such record shall be open to inspection at any time by the Traffic Inspector, or any person appointed by him, in writing, to make an inspection.

29. PURSUANT to an Order of the Supreme Court of Western Australia made on the 17th day of December, 1907, "In the matter of the will and codicil thereto of Walter Padbury, deceased," and "In the matter of the Rules of the Supreme Court, 1888" (P. No. 56 of 1907), the institutions, hospitals, lunatic asylums, and poor houses claiming to be entitled to share in the bequest by the said Walter Padbury, deceased, to hospitals, lunatic asylums, and poor houses, respectively, are on or before the 17th day of April, 1908, to send notice of claim to Messieurs Stone & Burt, Solicitors, Hay Street, Perth, in the State of Western Australia, and to enter such claim in the Claims Book at the Central Offices of the Supreme Court of the said State, or in default thereof they will be peremptorily excluded from the benefit of the said Order.

By the said Order of the said Supreme Court, the words "hospitals" and "poor houses" contained in the said bequest are defined to mean as follows:—  
"Hospitals":

Any "unsectarian public charitable building supported in the main by voluntary contributions for the reception of sick poor, for treatment medically or quasi-medically, medicinally or surgically, combined with such possibilities of out-door life as would be calculated to make that treatment more effective, and which is not maintained for private gain."

"Poor Houses":

"Alms-houses being charitable foundations for the housing of the poor and infirm in body from age or some other disabling cause of a kindred character, the word 'disabling' being used in the sense that they can no longer earn their livelihood by work, and the word 'age' being used to include extreme youth which would similarly disable them from earning their livelihood."

And by the said Order it was declared that the words "lunatic asylums" do "not include Government Institutions in the said State."
