16. In submitting a motion or amendment the Chairman shall put the question first in the affirmative and then in the negative.

PURSUANT to an Order of the Supreme Court of Western Australia made on the 17th day of December, 1907, "In the matter of the will and codicil thereto of Walter Padbury, deceased," and "In the matter of the Rules of the Supreme Court, 1888" (P. No. 56 of 1907), the institutions, hospitals, lunatic asylums, and poor houses claiming to be entitled to share in the bequest by the said Walter Padbury, deceased, to hospitals, lunatic asylums, and poor houses, respectively, are on or before the 17th day of April, 1908, to send notice of claim to Messieurs Stone & Burt, Solicitors, Hay Street, Perth, in the State of Western Australia, and to enter such claim in the Claims Book at the Central Offices of the Supreme Court of the said State, or in default thereof they will be peremptorily excluded from the benefit of the said Order.

By the said Order of the said Supreme Court, the words "hospitals" and "poor houses" contained in the said bequest are defined to mean as follows:—  
"Hospitals":

Any "unsectarian public charitable building supported in the main by voluntary contributions for the reception of sick poor, for treatment medically or quasi-medically, medicinally or surgically, combined with such possibilities of out-door life as would be calculated to make that treatment more effective, and which is not maintained for private gain."

"Poor Houses":

"Alms-houses being charitable foundations for the housing of the poor and infirm in body from age or some other disenabling cause of a kindred character, the word 'disenabling' being used in the sense that they can no longer earn their livelihood by work, and the word 'age' being used to include extreme youth which would similarly disable them from earning their livelihood."

And by the said Order it was declared that the words "lunatic asylums" do "not include Government Institutions in the said State."
