F. D. NORTH,
Under Secretary.

THIRTEENTH SCHEDULE.
(6 Edward VII., 1906, No. 32.)

Subiaco Municipality.

A By-law of the Municipality of Subiaco, made under Section 179 of "The Municipal Corporations Act, 1906," and numbered from 1 to 46 (inclusive), for regulating the proceedings of Council, officers, etc.

In pursuance of the powers conferred by the said Act, the Mayor and Councillors of the Municipality of Subiaco order as follows:—

STANDING ORDERS.

Minutes of Meeting to be read at next subsequent Meeting.

2. At every meeting of the Council, the first business thereof shall be the reading and putting a question for the confirmation of the minutes of the proceedings at the preceding meeting and no discussion shall be permitted thereon except as to their accuracy as a record of the proceedings, and the said minutes of the proceedings at the preceding meeting shall then be signed as by this Act required.

Order of Business at Meetings.

3. After the signing of the minutes as aforesaid, the order of business of an ordinary meeting shall be as follows, or as near thereto as may be practicable, but for the greater convenience of the Council, at any particular meeting thereof, it may be altered by resolution to that effect:—

3. Reception and reading of petitions and memorials.
4. Reports of Committees.

Notice of Motion to be given.

7. No member shall make any motion initiating a subject for discussion but in pursuance of notice given as prescribed in the last preceding clause, unless the same shall be considered a matter of urgency. 8. No resolution or motion affecting the expenditure of any portion of the Municipal Funds exceeding in amount the sum of Ten pounds shall be considered by the Council unless notice of same shall have been given at a previous meeting, except upon the recommendation of a committee.

13. Any Councillor desirous of proposing an original motion or amendment must state the nature of the same before he addresses the Council thereon.

Motion not to be withdrawn without leave.

14. No motion or amendment shall be withdrawn without the leave of the Council.

Motion to be seconded.

15. No motion or amendment shall be discussed or put to the vote of the Council unless it be seconded, but a Councillor may, however, require the enforcement of any standing order of the Council by directing the Mayor's or Chairman's attention to the infraction thereof.

18. If two or more Councillors rise to speak at the same time, the Mayor shall decide which is entitled to priority.

19. No Councillor shall speak a second time on the same question, unless entitled to reply, or in explanation when he has been misrepresented or misunderstood.

Points of Order.

20. The Mayor, when called upon to decide on points of order or practice, shall decide the same, and his decision as to order or explanation in each case shall be final, subject to a motion disagreeing therewith.

Councillors not to digress, etc.

21. No Councillor shall digress from the subject matter of the question under discussion, or comment upon the words used by any other Councillor in a previous debate; and all imputations of improper motives, and all personal reflections on Councillors shall be deemed highly disorderly.

27. The Mayor shall, in taking the sense of the Council, put the question first in the affirmative then in the negative, and the result thereof shall be recorded in the minutes.

Motions, etc., to be in writing.

28. At every meeting of the Council, all motions, whether original motions or amendments, shall be reduced into writing, signed by the mover, and delivered to the Chairman immediately on their being moved and seconded.

No Second amendment until previous one disposed of.

29. No second or subsequent amendment, whether upon an original proposition or an amendment, shall be taken into consideration until the previous amendment is disposed of.

Effect of Rejection of words in original motion.

30. If any words of an original question be rejected, the insertion of other proposed words shall form the next question, whereupon any further amendment to insert other words may be used.

If amendment be negatived, a second one may be moved.

31. If an amendment be negatived, then a second may be moved to the question to which the first-mentioned amendment was moved, but only one amendment shall be submitted to the Council for discussion at a time.

Mover of motion to have right of reply.

32. The mover of every original proposition, but not of any amendment, shall have a right to reply, immediately after which the question shall be put from the chair, but no Councillor shall be allowed to speak more than once on the same question, unless permission be given to explain, or the attention of the chair be called to a point of order.

Motion for Adjournment.

33. No discussion shall be allowed on any motion for adjournment of the Council; but if, on the question being put, the motion be negatived, the subject then under consideration, or the next on the notice paper, shall be discussed, or any other that may be allowed precedence, before any subsequent motion for adjournment be made.

Lapsed Questions.

34. If a debate on any motion moved and seconded be interrupted by the number of the Councillors present becoming insufficient for the transaction of business, such debate may, at the next ordinary meeting of the Council, be resumed at the point where it was so interrupted, on motion upon notice.

Lapsed order of the day may be restored.

35. If a debate on any order of the day be interrupted by such insufficiency of number as aforesaid happening, such order may, at the next meeting of the Council, be resumed at the point where it was so interrupted.
