A motion or amendment not seconded cannot be discussed by any member except the mover nor put by the Chairman.

In submitting a motion or amendment the Chairman must put the question first in the affirmative and then in the negative.

When an amendment is carried, the motion as amended thereby becomes a substantive motion, upon which further amendment may be moved before it is finally dealt with.

No motion shall be brought forward for discussion except given notice of or permission being granted by a majority of members and Chairman of Board present.
