5. No burial shall be allowed to take place before eight in the morning, nor after six in the evening, on any day throughout the year, except by special permission, and upon payment of the fee for burials not in the usual hours, as in Schedule A.

6. The trustees shall cause all ordinary graves to be dug, but any person desiring to construct a brick grave or vault upon land to which he has obtained the exclusive right, shall be permitted to construct the same under the direction of the secretary, provided that the plans thereof be submitted to and approved of by the trustees, and every coffin placed therein shall be bricked in, and made and kept air-tight.

7. Every grave shall be at least six feet deep, except that the trustees may allow a lesser depth in those for the burial of infants.

17. Any workman or other employee, employed by the trustees or by any other person, shall at all times, when in the cemetery, be subject to the supervision, direction, and control of the secretary, and shall obey all such directions, and shall be removable from the cemetery upon any breach of the By-laws, or any refusal or neglect to comply with or obey such directions.

22. No person shall promote or advertise, or carry on, within the cemetery or its precincts or approaches, any trade or business or calling, either by solicitation, distribution of cards or circulars, or otherwise, or any other system of advertisement whatever.

23. Any person committing a breach of these By-laws shall thereupon be forthwith removable from the cemetery by the trustees or secretary, and shall be treated as a trespasser, and may be proceeded against accordingly in addition to any other proceedings or penalties to which such person may be subject.

24. Any person committing a breach of any of the foregoing By-laws shall be liable to a penalty not exceeding five pounds, and in the case of a continuing breach, not exceeding one pound for every day during which such breach continues.
