3. No person shall erect or construct, or cause to be erected or constructed, within the municipality any building wholly or in part covered on the outside with hessian or canvas, or any other inflammable material, without the consent, in writing, of the Building Surveyor first had and obtained, which consent shall be in the absolute and uncontrolled discretion of the Building Surveyor, and on such conditions as he thinks proper.

4. In the event of any of the conditions imposed by the Building Surveyor as in the two preceding clauses mentioned not being strictly adhered to and performed (of which the Building Surveyor shall be the sole judge), he may in his absolute and uncontrolled discretion revoke or cancel such consent.

5. The application for the consent mentioned in Clauses 2 and 3 of this By-law, as the case may be, shall be made to the Building Surveyor three clear days before it is proposed to remove or erect or construct any building, in the prescribed form, setting forth the full particulars of the building proposed to be removed, erected, or constructed, the place from which it is to be removed, and where it is to be deposited or where it is to be erected or constructed, as the case may be.

Where any building has been already built, and the position of such building is altered on the same block on which it has been erected, the Building Surveyor may direct that the external walls be kept two feet away from the dividing line or four feet from the wall of any other building, and that no additions to such building be allowed with external walls within the prescribed distances set out under this clause.

12. Any person who shall do any act contrary to, or who shall omit or neglect to do any act required to be done by, or shall offend against this By-law, shall be liable to a penalty not exceeding Twenty pounds; and if any person shall remove or cause to be removed, or erect or construct or cause to be erected or constructed, any external wall of any building contrary to any of the provisions of this By-law, it shall be lawful for the Council to give notice in writing, under the hand of the Town Clerk, to such person, requiring him to forthwith remove or alter such external wall or walls of such building so that the provisions of this By-law shall be complied with, and upon failure of such person to comply with such requisition within one month after service of such notice it shall be lawful for any two or more Justices of the Peace, upon due proof of the service of such notice and of non-compliance therewith, by order in writing under their hands to empower the Council to pull down and remove such external wall or walls of such building, and to do all necessary works for carrying into effect such removal or alteration, at the expense of the owner of such building, and all expenses incurred by the Council in executing any such removal or alteration shall be paid by such owner to the Council.

Department of Lands and Surveys,  
9088/09. Perth, 29th September, 1910.

IT is hereby notified, for general information, that Patrick Percy has applied for a Special Lease, No. 1154/152, of 10 acres at Tapper's Inlet, near Beagle Bay, for the purpose of cultivation, for a term of 21 years from 1st January, 1910.

Under Secretary for Lands.

## LAND OPEN FOR SELECTION.

Department of Lands and Surveys,  
Perth, 21st October, 1910.

IT is hereby notified, for general information, that His Excellency the Governor in Executive Council has been pleased to approve of the areas scheduled hereunder being made available for selection under "The Land Act, 1898," and its amendments. The selector of a Homestead Farm from any location available under Part VIII. must take the balance thereof under Conditional Purchase, and a selector of a portion of any location available under Part VI. must take the balance of same under Grazing Lease conditions.

The locations available under Part VI. are marked with an asterisk.

Applications must be lodged at the Office of the Government Land Agent for the District.

The date fixed as showing when subdivisions are available denotes that applications may be lodged before such date, but will be treated as having been received on the appointed day, and should there be any locations not applied for after the date specified, such will continue available until applied for or otherwise dealt with.

The locations with amounts set against them in the fourth column are available subject to the special condition that an expenditure of not less than one-fourth of the amount set out in such column shall be made on prescribed improvements in each of the first four years of the lease; but this shall not release the holder from any covenant in the Agricultural Bank Mortgage requiring the improvements to be made at an earlier date. The advance mentioned is subject to the usual conditions governing a loan from the Agricultural Bank, particulars of which may be had on application from the Managing Trustee.

Applications for advance must be accompanied by a fee of one per cent. on the amount applied for.

If it becomes necessary that any application should go to the Land Board for decision, the applicant will receive a notice from Head Office informing him of the date, place, and time of the sitting of the Board.

He may then, if he wishes, apply to Head Office for a Certificate to the Railway Department, which on presentation at the nearest Railway Station, will entitle him to a Return Ticket at Excursion Rates to the place where the Board will sit, available for seven days from date of issue.
