## LAND OPEN FOR SELECTION.

Department of Lands and Surveys,  
Perth, 18th November, 1910.

IT is hereby notified, for general information, that His Excellency the Governor in Executive Council has been pleased to approve of the areas scheduled hereunder being made available for selection under "The Land Act, 1898," and its amendments. The selector of a Homestead Farm from any location available under Part VIII. must take the balance thereof under Conditional Purchase, and a selector of a portion of any location available under Part VI. must take the balance of same under Grazing Lease conditions.

The locations available under Part VI. are marked with an asterisk.

Applications must be lodged at the Office of the Government Land Agent for the District.

The date fixed as showing when subdivisions are available denotes that applications may be lodged before such date, but will be treated as having been received on the appointed day, and should there be any locations not applied for after the date specified, such will continue available until applied for or otherwise dealt with.

The locations with amounts set against them in the fourth column are available subject to the special condition that an expenditure of not less than one-fourth of the amount set out in such column shall be made on prescribed improvements in each of the first four years of the lease; but this shall not release the holder from any covenant in the Agricultural Bank Mortgage requiring the improvements to be made at an earlier date. The advance mentioned is subject to the usual conditions governing a loan from the Agricultural Bank, particulars of which may be had on application from the Managing Trustee.

Applications for advance must be accompanied by a fee of one per cent. on the amount applied for.

If it becomes necessary that any application should go to the Land Board for decision, the applicant will receive a notice from Head Office informing him of the date, place, and time of the sitting of the Board.

He may then, if he wishes, apply to Head Office for a Certificate to the Railway Department, which on presentation at the nearest Railway Station, will entitle him to a Return Ticket at Excursion Rates to the place where the Board will sit, available for seven days from date of issue.
