LAND OPEN FOR SELECTION.

Department of Lands and Surveys,
Perth, 2nd February, 1912.

IT is hereby notified, for general information, that His Excellency the Governor in Executive Council has been pleased to approve of the areas scheduled hereunder being made available for selection under "The Land Act, 1898," and its amendments. The selector of a Homestead Farm from any location available under Part VIII. must take the balance thereof under Conditional Purchase, and a selector of a portion of any location available under Part VI. must take the balance of same under Grazing Lease conditions.

The areas which are open under Part V. are open under Section 55 (Residential Conditions), and only under Section 56 (Non-residential Conditions) to those persons already holding their full complement under Section 55 in the immediate vicinity.

The lands marked with an asterisk are available under Part VI.

Applications must be lodged with the Government Land Agent for the District in which the land is situated.

Any application may be lodged before the fixed date, but will be treated as having been received on that day; if there are more applicants than one for any lot, the application to be granted will be determined by the Land Board, and should any lands remain unselected such will continue available until applied for or otherwise dealt with.

If a Land Board sitting becomes necessary, after the closing of the date for receiving applications, notice will be given in the *Government Gazette* and at least one newspaper advising the applicants for the blocks of the date, time, and place of the meeting of the Board, to deal with the matter; but it shall not be obligatory on the Department to give any other notice.

If an applicant wishes to appear before the Land Board in person, he may apply to the Head Office for a certificate to the Railway Department, which, on presentation at the nearest Railway Station, will entitle him to a Return Ticket, at Excursion Rates, to the place where the Board will sit, available for seven days from the date of issue.

Land specified as carrying an Agricultural Bank advance which is situated within 15 miles of a railway or authorised railway is available subject to the special conditions that an expenditure of not less than one-fourth of the amount set out shall be made on prescribed improvements in each of the first four years of the lease; but this shall not release the holder from any covenant in the Agricultural Bank Mortgage requiring the improvements to be made at an earlier date. Such advance is subject to the usual condition governing a loan from the Agricultural Bank, particulars of which may be had on application to the Managing Trustee. Applications for advance must be accompanied by a fee of one per cent.

SOUTHERN CROSS PUBLIC CEMETERY.

(Reserve 2950.)

Department of Lands and Surveys,
Perth, 26th January, 1912.

405/95.

HIS Excellency the Governor in Executive Council has been pleased to approve of the following By-laws under the provisions of "The Cemeteries Act, 1897" (61st Vict., No. 23), and of "The Cemeteries Act, 1899" (63rd Vict., No. 38), for the management of the Southern Cross Cemetery (Reserve 2950).

R. CECIL CLIFTON,
Under Secretary for Lands.

PUBLIC CEMETERY, SOUTHERN CROSS.

By-laws.

In pursuance of the powers vested in them, the Trustees of the Southern Cross Cemetery Board make the following By-laws, that is to say:—

1. That all fees and charges payable to the Trustees in accordance with Schedule "A" shall be paid when applications are made or orders given.

2. That any person desiring ground in the Cemetery for a private grave, vault, tomb, monument, cenotaph, tombstone, railing, wall, or for any other purpose, shall apply to the Trustees therefor.

If approved, the Trustees, on the payment of the required fees, shall issue to such person so applying a Certificate of Right of Burial, in the form specified in Schedule "B."

3. Any person desiring to place or erect any monument, tombstone, or enclosure in any part of the Cemetery shall, before obtaining permission to do so, submit a plan of such monument, tombstone, or enclosure, and specify the materials of which it is to be composed to the Trustees, and shall obtain such permission in writing before proceeding with the work, in the form of Schedule "D." No railing or enclosure, if made of wood, will be allowed.

4. And every person who shall place or erect any monument, tombstone, or enclosure upon any grave the exclusive right of which has not been obtained, shall keep the same in repair; and if, after receiving one month's notice in writing from the Trustees, such repairs are not executed, then the Trustees may order such monument, etc., to be removed.

5. That every erection shall be placed upon proper and substantial foundations, and, if required by the Trustees, shall extend to the bottom of the grave. All refuse, rubbish, or material remaining after any work is completed shall be removed from the Cemetery at once, by and at the expense of the person causing the same.

6. All materials required in the making, repairing, or completion of any work shall be fully prepared before being taken into the Cemetery.

7. Every person who has the exclusive right of burial in any grave shall keep such grave, and any erection or construction thereon, in proper repair; and if after receiving notice in writing from the Trustees requiring such repairs to be executed shall fail so to do, then, after the expiration of twenty-eight days, the Trustees may cause such repairs to be executed, and may recover the cost thereof from such person in a summary way before two Justices in Petty Sessions.

8. (a.) That all applications for interment shall be made to the Secretary to the Trustees, and six working hours' notice shall be given to the Sexton prior to the time fixed for the burial, otherwise an extra charge will be made.

(b.) The name of the deceased, age, and other particulars mentioned in Schedule "C" shall be furnished when giving the order.

9. The Trustees shall cause all ordinary graves to be dug, but any person desiring to construct a brick grave or vault shall be permitted to construct the same, under direction of the Secretary, on payment of the required fees, and every coffin placed therein shall be bricked in, cemented, and made and kept airtight.

10. That every coffin shall have upon the lid a lead or copper plate, with the name of the deceased and date of burial stamped thereon.

11. That every grave shall be at least six feet deep, except those used for the burial of infants, which the Trustees may allow to be of lesser depth; but no interment shall be allowed in any grave with a less depth than three feet from the top of the coffin to the original surface of the ground.

12. That in the case of application for interment in any private grave or vault to which during life the deceased person had no claim, the written consent of the owner shall be given with the application, or other satisfactory evidence that the person desiring to bury therein is entitled to do so.

13. That no burial shall be permitted to take place in the Cemetery without an order for burial being obtained from the Secretary in the form of Schedule "C," and delivered to the Sexton at the Cemetery, or if there is no Sexton, to the officiating minister.

14. The hours for burial shall be as follows:—

On Week-days.

September to April, inclusive, 9 a.m. to 6 p.m.
May to August, inclusive, from 9 a.m. to 5 p.m.

On Sundays.

Throughout the year from 9 to 10 a.m., and from 12 noon to 5 p.m.

15. That no burial shall be allowed to take place before or after the hours above mentioned, except by special permission, and upon payment of the fee for burials "not in the usual hours."

16. That the time stated in Schedule "C" for any burial shall be the time when the funeral is to be at the Cemetery, and the same shall be punctually observed.

17. That every funeral shall enter by the principal entrance, and thence follow the Sexton to the grave. No bicycle, velocipede, carriage, or vehicle, except hearses and mourning-coaches, shall be permitted to pass the said entrance. Horses shall not be driven faster than at a walking pace, and no horses or other animals shall be ridden in the Cemetery.

18. That the Trustees shall not (except in very exceptional cases) permit the removal of any corpse from any grave for re-interment in this or any other Cemetery, and before any such exceptional case be dealt with by the Trustees, a written application setting forth the reasons for the proposed removal of such corpse, and verified by a statutory declaration, shall be produced by the nearest available representative of the deceased; and, in the event of such application being granted, the permission of the Colonial Secretary, in addition to the permission of the Trustees, shall be obtained.

If found necessary, the coffin shall be enclosed in a second and air-tight wooden or leaden coffin prior to removal.

19. That any workman or other employee, whether employed by the Trustees or by any other person, shall

at all times while in the Cemetery be subject to the supervision, direction, and control of the Secretary, and shall obey all such directions, and shall be removable from the Cemetery upon any breach of the By-laws, or any refusal or neglect to comply with or obey any such directions.

20. Any person taking part in dressing or attending to any grave shall comply with the following rules, namely:—

- (a.) That no rubbish or any other material removed in dressing a grave shall be placed on any other grave or pathway, and if placed on any adjoining ground shall be removed immediately after the completion of the work.
- (b.) That no loam shall be taken from any portion of the Cemetery for the purpose of dressing any grave.
- (c.) That no grave shall be dressed in wet weather except by special permission of the Surveyor, nor shall any materials be wheeled or carted along any path or road while the surface is soft with rain or otherwise. Work in all cases must be carried on with due despatch, and only during regulation hours.

21. That no child under the age of fourteen years shall be admitted into the Cemetery except in charge of a responsible person.

22. That no smoking shall be allowed in the Cemetery, nor shall any explosives be discharged therein except by special permission.

23. That every driver of a hearse, mourning-coach, or other vehicle, and every pedestrian shall keep strictly to the roads and pathways as laid out for vehicles and pedestrians respectively, and vehicles shall only be turned at points where provision for so doing is made.

24. That no animals other than horses drawing hearses and mourning-coaches shall be permitted to enter the Cemetery except by permission.

25. That no person in the Cemetery or its approaches shall commit any nuisance, or trespass, or be guilty of any breach of decorum, or cut, pluck, gather, or take out of the Cemetery any flower, plant, shrub, or tree, or any part thereof, or do any injury whatsoever thereto or to any plot, border, railing, fence, or any erection or road, or remove or interfere in any way with anything laid, built, or placed on or in any grave or burying place; and any person or persons so offending may be proceeded against in accordance with the Act.

26. That no person shall promote, or advertise, or carry on within the Cemetery or its approaches, any trade, business, or calling, either by solicitation, distribution of circulars or cards, or otherwise, or by any other system of advertisement whatever.

27. The "Secretary" or "Surveyor," as referred to in these By-laws, means the person for the time being employed by the Trustees as the Secretary and Surveyor of the Cemetery, and such person or persons shall, subject to the Trustees, exercise a general supervision and control over all matters pertaining to the Cemetery, and to the carrying out and enforcement of these By-laws; and the direction of such person or persons shall in all cases and for all purposes be presumed to be and to have been the direction of the Trustees.

28. The salaries of the Secretary, the Surveyor, and Sexton shall be fixed from time to time by the Board.

29. This Board grants to the several churches and bodies, among whom the above Cemetery has been divided, the right to make such further rules as they may deem desirable for the further regulation of their several portions thereof, subject, however, to the By-laws of this Board, and to "The Cemeteries Act, 1897."

30. Any person committing any breach of any of these By-laws and Regulations, or of any other Rules, Regulations, or By-laws lawfully made under the authority of the Act relating to Cemeteries, shall for every such offence be liable to a penalty not exceeding Five pounds, and in case of a continuing breach a further sum not exceeding One pound for every day during which such breach continues, and shall be forthwith removable from the Cemetery by the Trustees, the Superintendent, or other officer of the Trustees, and shall be treated as a trespasser, and may be proceeded against accordingly.

31. That all fees may be recovered, and all proceedings under these By-laws taken before two Justices in Petty Sessions, except where otherwise provided for.

32. That licenses to undertakers, and licenses for various purposes not otherwise provided for, may be issued by the Trustees in the form set out in Schedule "E."
