LAND OPEN FOR SELECTION

Department of Lands and Surveys,
 Perth, 15th January, 1915.

IT is hereby notified, for general information, that His Excellency the Governor in Executive Council has been pleased to approve of the areas scheduled hereunder being made available for selection under "The Land Act, 1898," and its amendments. The selector of a Homestead Farm from any location available under Part VIII. must take the balance thereof under Conditional Purchase, and a selector of a portion of any location available under Part VI. must take the balance of same under Grazing Lease Conditions.

The areas which are open under Part V. are open under Section 55 (Residential Conditions), and only under Section 56 (Non-residential Conditions) to those persons already holding their full complement under Section 55 in the immediate vicinity.

The lands marked with an asterisk are available under Part VI.

Applications must be lodged at the Local Land Office for the district in which the land is situated.

Any application may be lodged before the fixed date, but will be treated as having been received on that day; if there are more applicants than one for any lot, the application to be granted will be determined by the Land Board, and should any lands remain unselected such will continue available until applied for or otherwise dealt with.

If a Land Board sitting becomes necessary, after the closing of the date for receiving applications, notice will be given in the *Government Gazette* and at least one newspaper advising the applicants for the blocks

of the date, time, and place of the meeting of the Board, to deal with the matter; but it shall not be obligatory on the Department to give any other notice.

If an applicant wishes to appear before the Land Board in person, he may apply to the Head Office or to the Clerk in Charge of any of the District or Branch Land Offices for a certificate to the Railway Department, which, on presentation at the nearest Railway Station, will entitle him to a Return Ticket, at Excursion Rates, to the place where the Board will sit, available for seven days from the date of issue.

Land specified as carrying an Agricultural Bank advance which is situated within 15 miles of a railway or authorised railway is available subject to the special conditions that an expenditure of not less than one-fourth of the amount set out shall be made on prescribed improvements in each of the first four years of the lease; but this shall not release the holder from any covenant in the Agricultural Bank Mortgage requiring the improvements to be made at an earlier date. Such advance is subject to the usual condition governing a loan from the Agricultural Bank, particulars of which may be had on application to the Managing Trustee. Applications for advance must be accompanied by a fee of one per cent.
