LAND OPEN FOR SELECTION BY DISCHARGED SOLDIERS.

Department of Lands and Surveys,
Perth, 29th December, 1916.

IT is hereby notified, for general information, that His Excellency the Governor in Executive Council has been pleased to approve of the areas scheduled hereunder being made available for selection under "The Land Act, 1898," and its amendments by discharged soldiers only. The selector of a Homestead Farm from any location available under Part VIII. must take the balance thereof under Conditional Purchase, and the selector of portion of any location available under Part VI. must take the balance of same under Grazing Lease conditions. The locations available under Part VI. are marked *.

Applications must be lodged at the Local Land Office for the District in which the land is situated.

The date fixed as showing when subdivisions are available denotes that applications may be lodged before such date, but will be treated as having been received on the appointed day, and should there be any locations not applied for after the date specified, such will continue available until applied for or otherwise dealt with.

The locations with amounts set against them in the last column are available subject to the special condition that an expenditure of not less than one-fourth of the amount set out in such column shall be made on prescribed improvements in each of the first four years of the lease; but this shall not release the holder from any covenant in the Agricultural Bank mortgage requiring the improvements to be made at an earlier date.

There shall be an interval of at least seven days between the closing of the date for application and the date on which the Board sits. Immediately after the

closing of the date, notice will be given in the *Government Gazette*, and at least one newspaper advising the applicants for the blocks in any subdivision (for which there is more than one applicant) of the date, time, and place of the meeting of the Board, to deal with the matter; but it shall not be obligatory on the Department to give any other notice. He may then, if he wishes, apply to Head Office for a Certificate to the Railway Department, which on presentation at the nearest Railway Station, will entitle him to a Return Ticket at Excursion Rates to the place where the Board will sit, available for seven days from date of issue.

The advance mentioned above is subject to the usual conditions governing a loan from the Agricultural Bank, particulars of which may be had on application to the Managing Trustee.

Applications for advance must be accompanied by a fee of one per cent. on the amount applied for.

LAND FORFEITED AND AGAIN OPEN FOR SELECTION.

Department of Lands and Surveys,
Perth, 29th December, 1916.

IT is hereby notified, for general information, that the undermentioned Leases, Licenses, and Occupation Certificates have been forfeited for non-compliance with the conditions under which they were granted, and the land contained therein will be again open for selection, under "The Land Act, 1898," and its amendments, on and after the dates and at the places mentioned.

Applications must be lodged at the Local Land Office for the district in which the land is situated, and should be lodged on or before the date specified.

All applications lodged before such date will be treated as having been received on that day, and if there are more applicants than one for any lot the application to be granted will be determined by the Land Board. Should any lands remain unselected such will continue available until applied for or otherwise dealt with.

If a Land Board sitting becomes necessary, notice will be given in the *Government Gazette* and at least one newspaper advising the applicants for the blocks of the date, time, and place of the meeting of the Board, to deal with the matter; but it shall not be obligatory on the Department to give any other notice.

If an applicant wishes to appear before the Land Board in person, he may apply to the Head Office or to the Clerk in Charge of any of the District or Branch Land Offices for a certificate to the Railway Department, which, on presentation at the nearest Railway Station, will entitle him to a Return Ticket at Excursion Rates, to the place where the Board will sit, available for seven days from the date of issue.

The selector of a Homestead Farm from any location available under Part VIII, must take the balance thereof under Conditional Purchase, and a selector of a portion of any location available under Part VI, must take the balance of same under Grazing Lease Conditions.
