Under the provisions of "The Land Act, 1898," Amendment Act, 1917 (Section 28).

Department of Lands and Surveys,
Perth, 14th December, 1917.

Corr. 3214/17.

HIS Excellency the Governor in Executive Council has been pleased to make the following Regulations, under the provisions of the above Act, for the Settlement of Returned Soldiers and Sailors on the land.

R. CECIL CLIFTON,
Under Secretary for Lands.

REGULATIONS.

and.

1. Land set apart for selection under the Returned Soldiers' Settlement Scheme may be made available under Parts V., VI., VIII., and IX. of the Land Act, or the Regulations for the sale of Suburban Lands for Cultivation, and may be declared by notices in the *Government Gazette*, open under these Regulations for selection by persons who have been on Active Service with His Majesty's Naval or Military Forces, outside the Commonwealth during the present War, and have received an honourable discharge, or the dependents of those who have been killed or have died while on such Active Service.

Abandoned holdings held by the Agricultural Bank and Crown land not declared open for selection under these Regulations must be formally approved and declared by notices in the *Government Gazette* as open for selection under these Regulations before any advances may be made as herein provided.

Provided that the five years' exemption from rent, provided for by Clause 5 may be granted on holdings of approved applicants, which have not been brought under these Regulations.

For the purpose of these Regulations, the term "Crown land" may be construed to include Suburban lands (for Cultivation).

Qualification of Applicants.

2. All applicants for land under these Regulations must be approved by the Land Qualification Board, and must lodge with their applications a Declaration in the form of Schedule I, accompanied by particulars of their discharge in the form of Schedule II. On the approval of the Board a certificate will be issued in the form of Schedule III, and the term "Approved applicant" in these Regulations shall mean a person to whom such a certificate has been issued.

Applications.

3. Applications may be lodged at the Department of Lands and Surveys, Perth or the Local Land Office of the district in which the land is situated, accompanied by the Declaration, etc., referred to above. Applications should be lodged before the specified date on which the land is gazetted open, in which case they will be deemed simultaneous; if more than one application is received for the same land the Land Qualification Board shall allot the land and the Board's decision shall be final.

If the land remains unselected after the specified date, applications will then have priority according to the date on which they are lodged.

Railway Passes.

4. Approved applicants will be granted one free Railway Pass for the purpose of inspecting land available for selection under these Regulations and, where necessary, to attend Board Meetings, Railway Ticket and Freight Order for the settler, his family, and goods, will be granted at concession rates, and if desired, may be advanced by the Agricultural Bank under the terms provided in Clause 9 of these Regulations.

Rent.

5. Land Rents shall be payable in accordance with the provisions of the Land Act and amendments as modified by these Regulations. Settlers are entitled to exemption from payment of rent for five years from the date of approval of the lease of holdings under Sections 55 and 68 of the Land Act.

On land granted under Part VIII. of the Land Act (Homestead Farms) survey fee only is payable; and if desired this fee may be paid by the Agricultural Bank as portion of the advance hereinafter provided for.

In cases where land is already held by the settler and brought under these Regulations, the five years' exemption shall date from the date to which the rent has been paid.

Protection of Holdings during Service.

6. Any settler holding land who has enlisted or is about to enlist, on supplying satisfactory evidence of his enlistment, may, on application to the Lands Department, obtain protection against forfeiture for non-compliance with conditions and non-payment of rent in respect of his holding during the period of his absence on active service: Provided that this Regulation shall not apply to holdings held by two or more persons jointly unless all the joint proprietors shall have enlisted.

Should the holdings be mortgaged to the Agricultural Bank arrangements must be made with that Bank for the completion of a power of Attorney in favour of some person to look after the property and maintain the improvements during the settler's absence.

Conversion of Holdings.

7. Any settler who, prior to his enlistment, held land under Conditional Purchase conditions may apply to have his holding brought under the operation of these Regulations, and on the approval by the Minister, in his discretion, such holdings may be gazetted as being subject to the provisions of these Regulations accordingly, subject to such variations in respect to purchase money paid and improvements made as the Minister may think fit.

Advances for Prescribed Improvements or Plant.

8. Advances may be made by the Agricultural Bank of any sum up to £500 to the full value of prescribed improvements to be effected and for plant, etc., at the discretion of the Trustees, on the security of the holding.

Interest will be charged at the rate of 3½ per cent. for the first year, rising by ½ per cent. per annum until the maximum interest payable as fixed for the time being, is reached.

After five years the advances will be repayable to the Agricultural Bank by instalments extending over 25 years with interest added.

Such advances may be made for the purchase of machinery or plant, or for the purpose of paying for improvements on land purchased by the applicant, valued before purchase by a Government Valuer and approved and gazetted under these Regulations; but the total sum advanced under this Clause shall not exceed £500 to each selector.

Any further advances above £500 may be made at the discretion of the Trustees under the provisions of the Agricultural Bank Act.

Advances for Cropping, etc.

9. Advances may be made by the Industries Assistance Board for the purchase of requirements, such as fertiliser, seed, cornsacks, cartage, etc., for putting on, taking off, and marketing crops and produce, repayable out of the proceeds of the crops or produce, in accordance with the terms and requirements of the Industries Assistance Board, also for the statutory fees payable on lodging applications.

Advances for Machinery, Drays, Wagons, etc.

10. Advances may be made by the Agricultural Bank for the purchase on eight years' terms of machinery, drays, wagons, etc., and during the first three years interest only to be charged: or by the Industries Assistance Board on the usual terms.

Advances for Stock.

11. Advances for stock, such as cows, horses, pigs, etc., may be made on the same terms as provided in regard to machinery.
