- (g) Except in cases of emergency no head shunter, shunter, or signalman shall be called upon to work more than ten hours continuously, or shall be called on duty until he has had at least ten hours off. In this sub-clause the word “emergency” shall not be construed to cover a mere increase of traffic which could have been foreseen and might reasonably have been provided for without encroaching on the ten-hour rule.
- (h) The present practice of calling shunters when rostered for duty outside their ordinary shifts shall be continued.
- (i) No member of the running staff shall be rostered for less than four hours in any one day.
- (j) Except in cases of emergency, juniors shall not be employed (except to act as call boys) between the hours of midnight and 6 a.m.

(b) Fourteen days' written notice shall be given by the Commissioner to any such worker whose services are no longer required, and the reason for dismissal shall be given. Provided that this sub-clause shall not apply to cases of summary dismissal for misconduct, or to workers for whom the Commissioner is unable to find work by reason of any action on the part of any of his employees, or for any other cause beyond his control.

#### 6. Allowances and Arrangements re Guards.

(f) Any guard booked off shall come on duty at such time as he may be directed, before leaving the station, by the responsible person in charge, or by the roster posted at the station. Except in cases of emergency, or unless in special cases by agreement between the union and the Commissioner, the minimum time a guard shall be off duty at home stations shall be ten hours, and at foreign stations eight hours. In cases of emergency, unless for good reason to the contrary, the guard who has been off duty the longest shall be the first to be called on. In this sub-clause the word "emergency" shall not be construed to cover a mere increase of traffic which could have been foreseen and might reasonably have been provided for without encroaching on the ten-hour rule.

(g) The present practice in regard to the calling of guards shall be continued.

(h) At home stations, should a guard not be able to ascertain when booking off, from the responsible person in charge or from the roster, when he will be required for further work, he shall be free to assume that he will not be required for twelve (12) hours, but at the expiration of that time shall make personal inquiry at the depôt as to when he will be required. If not then informed when he will be required, written notice shall be left at his place of residence at least two hours before he is required to go on duty: Provided that if the 12 hours expire after 5 p.m. and before 7 a.m. he shall not be required to make such inquiry until 7 a.m. following.

Should the exigencies of the service require a guard to be sent over a road with which he is not acquainted, the station-master shall report the circumstance to the head of the branch.

8. Away-from-home Allowance.—The following allowances shall be granted to workers covered by this part of the award booked off or temporarily lodging away from their home station:—

- (c) Apprentices shall be employed in the Department under such conditions as may be in force from time to time, at rates of pay stated herein. The term of all apprenticeships entered into with any trade or trades to which this Award applies shall be for a period of five years. Apprentices, on completing their term, if further employed by the Department, shall be paid the minimum rate hereinbefore prescribed.
- (d) Every apprentice shall be bound to submit himself to examination as hereinafter provided at the end of each twelve monthly period.
- (e) The examination shall take place at the Technical School, Perth, or such other convenient place as may be decided upon, and shall include theory and practice as applied in the science and art of the calling to which the apprentice is indentured.
- (f) The examination shall be conducted by the officers of the Technical School, or other approved persons, who shall issue a certificate to each pupil indicating his degree of proficiency, taking into consideration the term of apprenticeship served.
- (g) It shall be lawful for the Commissioner to withhold the increase in wages accruing to the apprentice in accordance with the scale set forth in sub-clause (b) hereof, if any apprentice fails to satisfy the Examiners.

- (h) The Commissioner shall be deemed to have committed a breach of this award if he fails to give apprentices reasonable opportunity to learn.
- (i) The number of apprentices shall not exceed the proportion of one to every two journeymen employed in shop work.
- (j) For the purpose of ascertaining the number of apprentices allowed to be taken at any time the number of journeymen employed shall be deemed to be the average number of journeymen employed on all working days of the six months immediately preceding such time.

19. Under-rate Workers.—Any worker who by reason of old age or infirmity is unable to earn the minimum wage may be paid such lesser wage as may from time to time be agreed upon in writing between the Union and the Commissioner, and in default of such an agreement within twenty-four hours after such worker shall have applied in writing to the Secretary of the Union stating his desire that such wage should be agreed upon, such wage as shall be fixed by the most convenient Resident or Police Magistrate upon the application of such worker after twenty-four hours' notice in writing shall have been given by him to the said Secretary, who shall, if he so desire, be heard by the magistrate upon such application. After having given notice to the Secretary, and after lodging the application mentioned, and pending the magistrate's decision thereon, the worker shall be entitled to work for and be employed at the proposed lesser rate. The determination of the magistrate shall have effect for the period of six calendar months from the date thereof, and after the expiration of the said period until the wage shall have again been fixed at the instance of the said Secretary in the manner prescribed. The Secretary of the Union may, by writing under his hand, appoint an agent or substitute to represent the Union at the hearing of the application before the magistrate.

20. No Reduction.—This award shall not in itself operate to reduce the wage of any worker who is at present receiving above the minimum rate prescribed for his class of work.

21. Term of Award.—The currency of this award shall be three years: Provided that at any time after the expiration of twelve months from its date the Court may alter or amend the same on the application of any party or person affected by its provisions.

22. Area and Scope of Award.—This award shall apply only to workers employed by the Commissioner in and about the working and maintenance of the State Railways and shall be binding upon the above-named parties, and shall operate over the whole of the State Railways and the Workshops used in connection therewith.

IN WITNESS WHEREOF this award has been signed by the President of the Court and the Seal of the Court has been hereto affixed this 23rd day of January, One thousand nine hundred and eighteen.

J. A. NORTHMORE-

President.
