- (d) Conduct all correspondence, and to give the other officers instructions as directed by the minutes.
- (e) Answer all questions on the Board's business.
- (f) See that the accounts are audited at least once a year, and the balance sheets prepared and published yearly in the *Government Gazette*, and any other duties specified under the Roads Act.
- (g) Prepare and place before the Board the quarterly financial statement at the end of each quarter of the financial year, and enter the same on the minutes as required by the Act.
- (h) Supervise the preparation of the rate-books and the Board's electoral lists; to examine proof of the latter, and to arrange for the distribution of copies prior to elections; also to attend all courts of revision or appeal; to make the necessary arrangements for the elections; to issue instructions to the supervisor in accordance with the Board's resolution.
- (i) Summon the members to Board and Committee meetings.

- (j) Keep all books entered up to date in accordance with instructions issued by the Minister, and additional instructions of Board.
- (k) Check all accounts sent into the Board, and see all accounts for works have stated in them the authority under which such works have been done, and to check all returns made by the Collector or other of the Board's officers, and see that the counter-foils of the receipt book accompany all returns; to supervise and attend to the due payment of all moneys coming through the hands of the Board's officers and payable to the credit of the Board.

- (r) Exercise, subject to any directions given by the Board or Chairman, control over all servants of the Board.

*Appointment of Officers.*

3. No permanent appointment shall be made to any office under the Board until after an advertisement has been published in one or more local newspapers calling for applications from persons competent to fill such an appointment. All appointments shall be made by resolution passed by the Board. In the event of there being more than one applicant for such appointment, the election thereto shall be conducted by ballot so as to obtain an absolute majority of the members present.

4. The election of all other officers shall be conducted by a show of hands, unless a ballot be demanded, in which case the procedure in the foregoing By-law shall be followed.

5. The salary or allowance attached to the office under consideration of the Board shall be fixed in all cases preceding the election, and the salary of any officer when fixed shall not at any time be considered with a view to its increase or reduction unless specially authorised by a meeting of the Board, at which at least four of the members are present.

6. All complaints against servants of the Board must be in writing, and must in every case be signed by the person or persons complaining, and no notice whatever shall be taken of any complaint not made in accordance with this By-law. All such complaints as are receivable may be addressed to the Chairman, who, upon the receipt of such complaints, shall have power to investigate the same, and he shall report thereon to the Board at their next meeting.

*Meetings and Proceedings.*

7. Notice shall be given in writing by the Chairman or Secretary of ordinary or regular meetings, and also of every meeting adjourned for a term exceeding six days.

8. Meetings of the Board shall be of two kinds—"Ordinary" and "Special." Ordinary meetings are the regular meetings held in pursuance of these By-laws for the transaction of the general business of the

Board, including meetings adjourned for the purpose of any incomplete business, but an adjourned meeting would not exclude any business which was considered necessary to transact. Special meetings are those called under Section 123 of the Act, and shall include those called by the Chairman in response to a requisition signed by three members on his own behalf, and the notices for such special meetings shall have such special business notified thereon for which the meeting was called, and for which each member shall receive seven days' notice. No other business shall be transacted at a special meeting other than that for which the special meeting was called, provided that any matter of emergency can be discussed, with the ruling of the Chairman and the consent of those present. The ratepayers' meeting shall consist of one called under Section 136 of the Roads Act, and the standing orders shall, so far as the Act allows, apply to the proceedings, but the provisions of the Act shall be first dealt with. The Chairman, if present, shall preside at all meetings of ratepayers and of the Board, and in his absence, or after being present he shall retire, one of the members of the Board chosen by the ratepayers or members of the Board, as the case may be, shall preside.

9. Ordinary meetings shall be held at the office of the Board, at Cottesloe, on first Monday in each month, at 7.30 p.m., unless otherwise arranged by resolution carried to that effect at the preceding ordinary meeting of the Board, of which each member has received due notice of the proposed alteration.

10. A special meeting may, on the requisition of three members of the Board, be called at any time in the manner prescribed by the Act, but the Chairman may call a special meeting of the Board as often as he may think proper. No business will be transacted at any ordinary or special meeting unless at least three members of the Board, inclusive of the Chairman or the member of the Board chosen to preside in his absence, shall be present.

11. Any three members may require the Board room to be cleared of strangers, and the Chairman, or other presiding Chairman, shall immediately give directions to have the order executed.

12. At all meetings of the Board, when there is not a quorum present, or when the Board is counted out (which counting out shall take place whenever there shall be less than a quorum present), or within 30 minutes after time for which meeting is called, shall be adjourned in accordance with Section 127 of the Act, such circumstances, together with the names of the members then present, shall be recorded in the minute book.

13. The first business of all meetings of the Board shall be the reading aloud of the minutes of the preceding meeting with a view of their confirmation.

#### *Voting.*

14. Each member (including the Chairman) shall have one vote, and such Chairman shall, in case of equality of votes, have a casting vote in addition to his ordinary vote, and all questions at such meetings shall be decided by a majority of the votes of the members present. All motions and amendments shall be decided by a show of hands, unless a division is demanded, before the next business is proceeded with.

#### *Minutes of Meetings.*

15. The minute-book prescribed by the Act shall be kept, in which any item of business transacted by the Board at a meeting shall be then and there entered by the Secretary. Minutes of special or ordinary meetings shall be confirmed at the next ordinary meeting. No discussion shall take place upon the minutes of proceedings, except as to their accuracy or for the rectification of a clerical error.

#### *Standing Orders.*

16. The order of business at all ordinary meetings of the Board shall be as follows, that is to say:—

- (a) Reading and confirmation of minutes of last ordinary, also special meetings (if any).
- (b) Consideration of business arising out of minutes.
- (c) Questions, of which due notice has been given by members or officers of the Board.
- (d) The Chairman shall have the right of directing attention at any meeting to any matter or subject within the jurisdiction or official

cognisance of the Board by a minute signed by himself, and such minute shall when introduced take precedence of all business before or to come before the Board, and the adoption thereof may be put by him from the chair as a motion without being seconded, but he shall confine himself to the questions contained therein.

- (e) Reports of sub-committees.
- (f) Presentation of petitions or memorials, and consideration thereby.
- (g) Reading of correspondence (received and despatched) and taking action as may be deemed expedient in regard thereto.
- (h) Consideration of tenders and ratification of contracts.
- (i) Passing of accounts for payment.
- (j) Motions of which previous notice has been given.
- (k) Motions without notice (by leave of the Board under By-law 2).
- (l) General business.
- (m) Notice of motions.

17. In the event of any member having urgent business to place before the meeting, he may move the suspension of the standing orders, and, if agreed to by the Board, such business shall take precedence to all others.

18. Any member wishing to rescind any motion shall act in direct compliance with Section 128 of the Roads Act, by giving seven days' notice to each member or submitting to the Secretary of the Board notice of his intention in time to enable him to give the necessary notice prescribed by the Act to each member.

#### *Petitions.*

19. Every petition or memorial shall be respectful and temperate in its language, and shall be presented to the Board by a member only, and any member presenting a petition or memorial to the Board shall affix his name to the beginning thereof, with the number of signatures; and any member presenting a petition or memorial shall acquaint himself with the contents thereof and ascertain that it does not contain language disrespectful to the Board. The nature or prayer of every petition or memorial shall be stated to the Board by the member presenting the same.

#### *Tenders.*

20. Tenders for work shall be opened and dealt with when the subject-matter of the tenders comes on to be considered, at the meeting of the Board, or by a Committee appointed for the purpose.

#### *Orders of Debate.*

##### *Speakers must not digress.*

21. A member having audience shall not digress from the subject of debate.

#### *Unopposed Notices of Motion.*

22. The Chairman may call over the notices of motion on the business paper in the order in which they appear thereon; and if objection is not taken to a motion being taken as a formal motion, may call upon the mover to move the same, and upon the motion being seconded may then, without discussion, put the motion to the vote.

#### *Correspondence.*

23. All correspondence with the Board shall be addressed to the Secretary and submitted to the Board. No letter addressed to the Board shall be presented or read by a member.

#### *Consideration of Reports.*

24. (a) If in a report of a committee distinct recommendations are made, the decision of the Board may be taken separately on each recommendation.

(b) Any report of a committee or any portion thereof may be amended by the Board in any matter it may think fit, or may be referred back to the committee for further consideration.

(c) The recommendations of any committee when adopted by the Board shall be resolutions of the Board.

*Precedence of Chairman.*

25. When the Chairman rises in his place during the progress of a debate, any member then speaking or offering to speak shall immediately resume his seat, and every member present shall preserve strict silence so that the Chairman may be heard without interruption.

*Notice of Motion: Absence of Mover.*

26. In the absence of a member who has placed a notice of motion on the business paper for any meeting any other member may at such meeting move the same, or such motion may be deferred until the next ordinary meeting of the Board.

*Withdrawal of Motions.*

27. Except as elsewhere provided, no motion, after being placed on the business paper, shall be withdrawn without the consent of the Board.

*Motions to be seconded.*

28. No motion shall be debated unless or until it has been seconded.

*Motions not to be withdrawn without consent.*

29. When a motion has been proposed and seconded it shall become subject to the control of the Board, and shall not be withdrawn without consent of the Board.

*Amendment may be moved.*

30. When a motion has been proposed and seconded, any member shall be at liberty to move an amendment thereon, but no such amendment shall be debated unless or until it has been seconded.

*Motions and Amendments to be in Writing.*

31. No motion or amendment shall be debated unless or until it has been reduced to writing if the Chairman so directs.

*Further Amendment may be moved on Amended Question.*

32. If an amendment has been carried, the question as amended thereby shall become itself the question before the Board, whereupon any further amendment upon such question may be moved.

*How Subsequent Amendments may be moved.*

33. If an amendment, whether upon an original question or upon any question amended as aforesaid, has been negatived, then a further amendment may be moved to the question to which such first-mentioned amendment was moved and so on, provided that not more than one question and one proposed amendment thereof shall be before the Board at any one time.

*Motions for Adjournment.*

34. No discussion shall be permitted upon any motion for adjournment of the Board. If upon the question being put on any such motion the same is negatived, the subject then under consideration or next on the business paper shall be discussed, and it shall not be competent for any member to again move a motion for adjournment until half an hour has elapsed from the time of moving the one that has been negatived.

*Mover of Adjournment, when entitled to Priority.*

35. On resuming any discussion which has been adjourned, the mover of such adjournment shall be entitled, if he has not already spoken on the subject under discussion, to speak first.

*Notice of Questions to be given.*

36. Sufficient notice of every question shall be given to the Chairman or member expected to reply thereto, to permit of consideration of such reply and, if necessary, reference to other persons or to documents.

*Questions to be put without argument.*

37. Every such question shall be put categorically and without any argument.

*Replies and Objections and subsequent Motion received.*

38. No discussion shall be permitted respecting any reply or refusal to reply to any question.

*Mode of addressing Board, etc.*

39. Members shall on all occasions when at a meeting address and speak to each other by their official designations, as Chairman or Secretary, as the case may be and, with the exception of the Chairman, shall rise in their place and stand while speaking (except when prevented from so doing by bodily infirmity).

*Speaker not to be interrupted if in order.*

40. No member shall be interrupted while speaking except for the purpose of calling him to order as hereinafter provided or in pursuance of By-law.

41. One or more amendments may be proposed on a motion before the Board. When more than one amendment is moved, the question shall be first put on the last amendment; then on the next in succession, and then on the original motion, in the reverse order in which they were moved.

42. A motion or amendment not seconded cannot be discussed by any member except the mover, nor put by the Chairman.

43. In submitting a motion or amendment the Chairman shall put the question first in the affirmative and then in the negative.

44. When an amendment is carried, the motion amended thereby becomes a substantive motion, upon which further amendments may be moved before it is finally dealt with.

*Limitation as to Number of Speeches.*

45. The mover of an original motion shall have the right of general reply to all observations which have been made in reference to such motion and to any amendment moved thereon, as well as the right to speak upon every such amendment. Every member, other than the mover of an original motion, shall have the right to speak once upon such motion and once upon every amendment moved thereon. No member shall, without the consent of the Board, speak more than once upon any one question, or for longer than ten minutes at any one time, unless when misrepresented or misunderstood, in which case he may be permitted to explain without adding any further observations than may be necessary for the purpose of such explanation.

*All Members to vote.*

46. Upon a vote being taken, all members present within the Board room, unless disqualified from voting, shall, and the Chairman, unless so disqualified, may, upon the question being put, record their respective votes in the affirmative or negative as each shall deem desirable, but if a member other than the Chairman neglects or refuses to vote, his vote shall be counted for the negative.

*Determination of Questions.*

47. (a) All questions shall, if not otherwise decided by law, be determined thus:—Upon a question being put, those in favour shall say "Aye" and those against "No," and the Chairman shall declare whether the "Ayes" or "Noes" have determined the question; or if the Chairman prefer he may call for a show of hands for and against the question. The decision of the Chairman shall be final and conclusive, unless such decision be immediately challenged and two members rise and demand a division.

(b) When there is only one dissentient, he may request that his name be recorded in the minutes as opposed to the motion, and it shall be so recorded.

*Divisions.*

48. Upon a division being so called for, the question shall first be put in the affirmative and then in the negative, and the Chairman and all members present shall vote by show of hands, and the names and votes of the Chairman and members present shall be recorded in the minutes by the Secretary. Any member of the Board present when a division is called for who does not in the manner above indicated vote on such motion, not being disabled by law from so voting, his vote shall be counted for the negative.

*Chairman may repeat Question.*

49. The Chairman shall be at liberty to put any question as often as may be necessary to enable him to form his opinion as to the result of the voting and declare the same.

*Acts of Disorder.*

50. Any member who, at any meeting of the Board or any committee, commits a breach of any By-law, or who moves or attempts to move any motion or amendment embodying any matter beyond the legal jurisdiction of the Board or committee, or who in any other way raises or attempts to raise any question, or addresses or attempts to address the Board or committee upon any subject which the Board or committee have no legal right to entertain or discuss, or who uses any language which, according to the common usage of gentlemen would be held disorderly, or makes use of any expression inconsistent with good order and decorum, or who says or does anything calculated to bring the Board or committee into contempt, shall be guilty of an act of disorder.

*Members called to order more than once.*

51. Any member who, having been called to order by the Chairman for any infringement of any of the provisions of By-law or for any breach of decorum, shall, upon the request of the Chairman, withdraw from the Board room for the remainder of the meeting.

*Removal from Board Room: Penalty for continued Breach of Order, etc.*

52. In the event of a member declining to withdraw from the Board room on being required so to do by the Chairman, the Chairman may order his removal until the termination of the sitting, and such member shall be deemed guilty of an offence, and shall be liable to a penalty not exceeding two pounds.

*Disorder.*

53. If disorder arise at any meeting, the Chairman may adjourn the meeting for a period of fifteen minutes and quit the chair. The Board on resuming shall, on question put from the chair, decide without debate whether the business shall be proceeded with or not.

*Appointment of Committee.*

54. The Board may at any time appoint one or more members as a committee to inquire into any matter and make a report and recommendation thereon, but no committee shall incur any financial liability, or in any way commit the Board to any responsibility whatever, without express and specific authority conferred by the By-laws, or a resolution of the Board.

*Finance and Accounts.*

55. All accounts, bills, and vouchers shall be submitted to the ordinary meeting, and after being certified as correct, shall be paid by cheque.

56. An account shall be opened with such bank as the Board may from time to time direct, and all moneys received from whatever source, with the exception of money granted by the Government, shall be paid into such bank to the credit of the Board, and no account shall be paid except by cheque signed by the Chairman and one or more members of the Board, and countersigned by the Secretary. All moneys belonging to the Board shall, within 24 hours after they come into the hands of any officer, servant, or clerk, be paid to the Secretary or to any other responsible officer if directed by the Board.

*Urgent Works.*

57. The Chairman, with one member, or, in the absence of the Chairman, any two members, may, in case of emergency, authorise the expenditure of a sum not exceeding £10, which should be confirmed at the next meeting.

*Unauthorised Expenditure.*

58. Every item of expenditure and every liability incurred by any committee, or member of the Board, otherwise than under the authority of the Act or of these By-laws, shall be deemed unlawful expenditure, and a breach of this By-law by such person.

*Common Seal.*

59. The common seal of the corporation shall be kept in a strong box with two locks and keys, one of which keys shall be kept by the Chairman and the other by the Secretary. The common seal shall not be affixed to any deed or other instrument except by order of the Board.

*Prevention of Nuisances.*

60. Any person who—

- (a) shall keep, or cause to be kept, any abattoir, slaughter-house, pigsty, manure works, works for boiling down meat, bones, blood, or offal, bone mill, bone manure depôt, fellmongery, tannery, wool-scouring establishment, glue factory, soap or candle works, fish-curing establishment, place for storing, drying, or preserving bones, hides, hoofs, or skins, dairy, or other work or establishment; or
