COURT OF ARBITRATION, WESTERN AUSTRALIA.

Nos. 15 and 16 of 1917.

*Between Coastal Dock, Rivers, and Harbour Works Union of Workers, Applicant,
and the Honourable the Minister for Public Works and the Commissioners of
the Fremantle Harbour Trust, Respondents.*

The Court of Arbitration of Western Australia doth hereby make the following award in connection with the industrial dispute between the above-mentioned parties.

AWARD.

1. *Interpretation.*—"Minister for Public Works" means the Minister for Public Works in the capacity of Minister controlling the Harbours and Rivers Branch of the Public Works Department.

2. *Hours of Duty.*—Except as hereafter provided forty-eight hours shall constitute the week's work for all workers. Except in the case of men working shifts the hours of work shall be so arranged as to allow of a cessation of work at noon on Saturday and so that no day's work shall exceed eight and three-quarter hours.

The above provisions shall not apply to watchmen or to workers on pilot boats and launches. The week's work for workers on pilot boats shall consist of seven shifts which, taken over a fortnight, shall average twelve hours. Day shifts and night shifts shall be worked in alternate weeks. Watchmen's hours shall be regulated in accordance with the present practice.

3. *Overtime.*—All work outside a worker's ordinary working hours shall be paid for the first four hours at time and a-quarter, for the next two hours at time and a-half, and thereafter at double time.

All work performed on Sunday, Good Friday, Easter Monday, Eight Hours' Day, Christmas Day, and New Year's Day shall be paid for at the rate of double time, except in the case of watchmen on pilot boats.

The above provisions shall not apply to workers in ship's mooring gangs, who shall be paid for work performed outside of ordinary working hours, or on Sundays and holidays, the sum of one shilling and sixpence for the first hour or fraction thereof, and after the first hour at time and a-quarter: Provided that any worker specially called for work at such times shall be paid two shillings and sixpence for the first hour or fraction thereof.

4. *Holidays.*—Workers after twelve months' continuous service shall be entitled to the following holidays on full pay:—namely, New Year's Day, Foundation Day, King's Birthday, Eight Hours' Day, Annual Picnic Day, Good Friday, Easter Eve, Easter Monday, Christmas Day, and Boxing Day, and two days in addition to be taken at the discretion of the employer. Workers of less than twelve months' continuous service shall be entitled to one day's holiday for each month of continuous service, provided that any worker dismissed for misconduct shall forfeit all claim to holiday pay.

The above shall not apply to workers on pilot boats, who shall be allowed fourteen days' annual leave on full pay in addition to fifteen paid holidays, on such days throughout the year as shall be fixed by the Harbour Trust Commissioners.

5. *Travelling Time.*—The ordinary day's rate shall be paid to workers whilst travelling on duty, but no worker shall be entitled to more than a day's pay of eight hours for the time spent in travelling.

6. *Wet Work.*—Any worker working in water shall be paid an extra allowance of one shilling per day.

7. *Payment of Wages.*—Workers inside the metropolitan area shall be paid weekly and those outside such area fortnightly.

8. *Higher Duties.*—Workers acting in a higher grade for more than two hours shall be paid the minimum rate for such higher grade for half a day, and if over four hours the minimum rate for such grade for the full day.

9. *Away from Home Allowances.*—Workers employed at a port other than the port at which they were engaged shall be paid an allowance of two shillings and sixpence for each twenty-four hours.

10. *Incompetent Workers.*—Any worker who by reason of old age or infirmity is unable to earn the minimum wage, may be paid such lesser wage as may from time to time be agreed upon in writing between the union and the employer, and, in default of such an agreement within twenty-four hours after such worker shall have applied in writing to the secretary of the union stating his desire that such wage should be agreed upon, such wage as shall be fixed by the most convenient resident or police magistrate upon the application of such worker after twenty-four hours' notice in writing shall have been given by him to the said secretary, who shall, if he so desires, be heard by the magistrate upon such application. After having given notice to the secretary, and after lodging the application mentioned, and pending the magistrate's decision thereon, the worker shall be entitled to work for and be employed at the proposed lesser rate. The determination of the magistrate shall have effect for the period of six calendar months from the date thereof, and after the expiration of the said period until the wage shall again have been fixed at the instance of the said secretary in the manner prescribed. The secretary of the union may, by writing under his hand, appoint an agent or substitute to represent the union at the hearing of the application before the magistrate.

Ledger; Wright and Gibb; George Kent, Limited; Atlas Engineering Company; James Chalmers; The Metropolitan Ironmasters' Industrial Union of Employers; The Mayor and Councillors of the City of Perth; and the Fremantle Municipal Tramway and Electric Lighting Board, Respondents.

In pursuance of Clause 10 (b) of the Award in this matter, the Court approves of the terms set out in the scheme set out below as a scheme providing for holidays and payment for overtime to the employees of the Fremantle Municipal Tramways and Electric Lighting Board, and the terms of such scheme shall be incorporated with the said Award in lieu of Clause 2 thereof so far as regards the said Fremantle Municipal Tramways and Electric Lighting Board and their employees.

THE SCHEDULE ABOVE REFERRED TO.

CLAREMONT ROAD DISTRICT.

WHEREAS by virtue of “The Roads Act, 1911,” the Road Board of any District is empowered to make By-laws for all or any purposes mentioned in the said Act. Now therefore, the Claremont Road Board, in pursuance of the powers vested in the said Board under and by virtue of the said Act, and of every other authority enabling it in that behalf, doth hereby make the following By-law regulating the erection and maintenance of hoardings:—

BY LAW No. 111.

Hoardings.

1. No person shall erect or cause to be erected a hoarding unless and until a plan and specification showing clearly the position and size, and the method of, and the materials to be used in, the construction of, and the manner of fixing the same, shall have been deposited in duplicate with the Board and approved by the Board, and except in accordance with such plan and specification, and a license has been supplied by the Board.

2. No license shall be granted in respect of any Hoarding erected either before or after the passing of this By-law unless the distance from the face of the hoarding to the alignment of the nearest street or way shall be at least equal to the distance from the level of such street or way to the highest point of such hoarding.

3. No hoarding shall be over twenty-one feet in height, and every hoarding shall be level along the top except that the name of the owner may be placed on the top.

4. The owner and the occupier (if any) of the land on which such hoarding is erected shall maintain such hoarding to the satisfaction in all things of the Board.

5. If in the opinion of the Board any bill, placard or advertisement attached to, or painted on, any hoarding be objectionable, and the occupier or owner shall, upon receipt of a written notice to that effect, fail to at once remove, or cause to be removed, such bill, placard or advertisement, any person or persons authorised by the Board may remove the same and recover the cost from the occupier or owner.

6. No person shall attach, paste or paint any bill or other form of advertisement upon any hoarding in any part of the district without having a valid and subsisting license from the Board therefor.

7. All notices required under this By-law to be served on the occupier or owner shall in the first place be given by the Board to the occupier (if any), but if he cannot be found, then such notice may be served upon the owner.

8. If any occupier or owner fails to comply with any such order within the specified time named in such order, the Board may instruct any person or persons to carry out the requirements of such order, and any costs incurred may be recovered by the Board from the occupier or the owner.

9. Every hoarding shall at all times have the name of the person on whose behalf it is erected clearly shown in a conspicuous place on the front of the hoarding.

10. No person shall post, paint, stencil, or place or affix any advertisement on any fence, wall, or footpath without the consent of the Board. (This provision does not apply to the advertisement by the occupier of any shop or dwelling in respect to the business carried on therein.)

11. Where anything in this By-law is directed to be done or forbidden to be done, and such act is done, in every such case the person making default as to such direction and prohibition respectively shall be deemed guilty of a breach of this By-law and shall be liable for every such offence to a penalty of ten shillings (10s.) for the first breach of this By-law, and to a penalty not exceeding *Ten pounds* for every succeeding breach of such By-law.

12. This By-law applies to hoardings erected in any townsite within the District, and to all hoardings abutting on any road or public place.

13. A “Hoarding” within the meaning of these By-laws shall mean any erection or screen put up for advertising screening, or similar purposes.
