Commander of the Most Distinguished
Order of St. Michael and St. George,
Governor in and over the State of
Western Australia and its Depend-
encies, in the Commonwealth of Australia.

WILLIAM ELLISON-
MACARTNEY,
Governor.
[L.S.]

Corr. No. 587/16.

WHEREAS by Section 9 of "The Land Act, 1898," the Governor may resume, for any of the purposes specified in Section 39 of the said Act, any portion of land held as a Conditional Purchase Lease: And whereas it is deemed expedient that the portions of Conditional Purchase Leases 24124/55 (Williams Locations 6015 and 9560), Conditional Purchase 14042/55W (Williams Location 4592), and Conditional Purchase 14043/55W (Location 4593), as described hereunder, should be resumed for one of the purposes specified in paragraph 8 of Section 39 of the said Act, that is to say, for Townsite: Now therefore I, Sir William Grey Ellison-Macartney, Governor as aforesaid, with the advice of the Executive Council, do by this my Proclamation resume portions of Conditional Purchase Leases 24124/55, 14042/55W, and 14043/55W for the purpose aforesaid.

Schedule.

1. Those portions of Conditional Purchase Lease 24124/55 (Williams Locations 6015 and 9560) comprising respectively 10 acres 3 roods and 9 perches and 23 acres 1 rood and 22 perches, as surveyed and shown on O.P. 1708.
2. Those portions of Conditional Purchase 14042/55W comprising 69 acres 3 roods 24 perches, as surveyed and shown on O.P. 1708.
3. Those portions of Conditional Purchase 14043/55W comprising 20 acres 2 roods 30 perches, as surveyed and shown on O.P. 1708. (Plan 409D/40, B3.)

Given under my hand and the Public Seal of the said State, at Perth, this 5th day of June, 1918.

By His Excellency's Command,
H. B. LEFROY,
Minister for Lands.

GOD SAVE THE KING!!!

LAND OPEN FOR SELECTION BY RETURNED SOLDIERS AND SAILORS.

Department of Lands and Surveys,
Perth, 7th June, 1918.

IT is hereby notified, for general information, that HIS Excellency the Governor in Executive Council has been pleased to approve of the areas scheduled hereunder being made available for selection under "The Land Act, 1898," and its amendments, by persons who have been on active service with His Majesty's Naval or Military Forces, and can produce a satisfactory discharge; or the dependants of those who have been killed or have died on active service. The selector of a Homestead Farm from any location available under Part VIII, must take the balance thereof under Conditional Purchase.

Applications must be lodged at the Local Land Office for the District in which the land is situated.

The date fixed for areas being thrown open for selection does not imply that applications may not be lodged before such date, and any applications so lodged will be treated as having been received on the appointed day.

Should any location be not applied for on the fixed date it will remain available for selection until it is applied for or otherwise dealt with.

There shall be an interval of at least three days between the closing of the date for applications and the date on which the Board sits. All applicants will be advised of the date fixed for the meeting of the Board. He may then, if he wishes, apply to Head Office for a Certificate to the Railway Department, which on presentation at the nearest Railway Station will entitle him to a Return Ticket at Excursion Rates to the place where the Board will sit, available for seven days from date of issue.

TENDERS FOR LEASING—RESERVE "A" 9868.

Section 41a of "The Land Act, 1898," and its Amendments.

Department of Lands and Surveys,
Perth, 7th June, 1918.

Corres. 1179/03, Vol. 2.

TENDERS for the leasing of the land comprised within Reserve "A" 9868, situated near Yancheb, and containing about 5,800 acres, are invited.

The above Reserve will be available for leasing under Section 41a of "The Land Act, 1898," and its amendments, for a term of one year, renewable at the will of the Honourable the Minister for Lands, and terminable at three months' notice, rent being apportioned accordingly.

Tenders for the above, accompanied by one year's rent (the minimum amount being fixed at the rate of One pound per thousand acres), endorsed "Tender for about 5,800 acres of land shown on Public Plans 28/80 and 29/80," and addressed Under Secretary for Lands, Perth, must be lodged at the Lands Office, Perth, on or before Wednesday, 26th June, 1918.

All tenders lodged on or before that date will be treated as having been received on that date.

The highest or any tender will not necessarily be accepted, and should there be more than one tender for the Reserve, such tenders will be submitted to the Land Board for a decision. (Plans 28/80 and 29/80.)

THE LAND ACT, 1898, AND ITS AMENDMENTS.

Regulations for the Granting of Leases for the Collection and Manufacture of Salt.

Department of Lands and Surveys,
Perth, 7th June, 1918.

HIS Excellency the Governor in Executive Council has been pleased to make the following Regulations, under the provisions of "The Land Act, 1898," for the granting of leases for the collection and manufacture of Salt, as set out hereunder.

H. S. KING,
Surveyor General and Under Secretary for Lands.

Regulations.

1. Leases may be granted under Section 152 of "The Land Act, 1898," for the collection and manufacture of salt of more than 500 acres in any one lease for a term of five years at a rental of Two pounds per annum for every 100 acres or portion thereof, and subject to the payment by the lessee of a royalty of Sixpence per ton on all salt marketed. The lease shall be in the form or to the effect of the Schedule of these Regulations.

2. Every application shall be accompanied by a deposit of rent as prescribed by Section 136 of the Act, together with the lease fee and registration fees. The cost of survey must, if so required by the Surveyor General, be paid by the applicant within 30 days of demand.

3. The lessee shall keep at least one man for every 100 acres constantly employed during the months of December, January, February, March, and April in each year, in gathering salt on the leased land.

4. No person or association of persons or company shall hold or be beneficially interested in more than 1,000 acres leased under these Regulations.

5. Adjoining leases granted under these Regulations, the aggregate area of which does not exceed 1,000 acres and held by the same person or association of persons or company may, with the approval of the Minister for Lands be deemed one lease in respect to the labour conditions, for such time as the Minister may think fit.

6. The Minister for Lands, may in his discretion, grant exemption from working the lease for any portion of the period referred to in Clause 3.

7. The lessee will be required to furnish returns half-yearly or otherwise as the Minister may direct of all salt collected and marketed, such returns to be verified by statutory declaration, and to produce his books of account for inspection on behalf of the Minister.

8. Every lease shall be granted on the condition that the Minister may authorise the construction of railways and tramways or the opening up of roads on the leased area on the application of any person or persons, and

may grant permission to construct and use the same without compensation to the lessee, except so far as any improvements may be affected.

9. The lease will be liable to forfeiture if any of the prescribed conditions are not complied with to the satisfaction of the said Minister for Lands.

10. The lease will be open to renewal to the lessee at such rental and on such working conditions as may be prescribed at the termination of the period referred to in Regulation 1.

that it shall be lawful at all times for Us, our Heirs and Successors, or for any person or persons acting in that behalf by Our or Their authority, to cut and take away any such indigenous timber, and to search and dig for, and carry away any stones or other materials which may be required for making or keeping in repair any roads, tramways, railways, stations, bridges, canals, towing paths, harbour works, breakwaters, river improvements, drainage, or irrigation works, and generally for any other works or purposes of public use, utility, or convenience, without making to the Lessee, Heirs, or Assigns, any compensation in respect thereof, and we do hereby save and reserve to Us, our Heirs and Successors, all mines of gold, silver, copper, tin, or other metals, ore, and mineral, or other substances containing metals, and all gems and precious stones, and coal or mineral oil in and under the said land, with full liberty at all times to search and dig for and carry away the same; and for that purpose enter upon the said land or any part thereof: Provided also and it is hereby declared that this lease is granted subject to the following conditions:—

- (a.) That the lessee shall keep at least one man for every 100 acres constantly employed on the demised land during the months of December, January, February, March, and April in each year, in gathering salt: Provided that any adjoining leases granted under the Regulations of.....may, with the approval of the Minister for Lands, be deemed one lease in respect to the labour conditions for such time as the Minister may think fit, if the aggregate area does not exceed 1,000 acres.
- (b.) That the Lessee shall deliver to the Minister at the Department of Lands, Perth, half-yearly (or oftener if so required) returns in writing, verified by statutory declaration to the satisfaction of the Minister, of all salt collected on the demised land and marketed, and with each return shall remit the amount of royalty payable; and that the Lessee shall keep proper books of account containing entries of all salt marketed, and produce such books for inspection on behalf of the Minister, whenever required to do so.
- (c.) That the Lessee and any person claiming under the lease shall not hold or be beneficially interested in more than 1,000 acres in the aggregate of land held for the said special purpose.
- (d.) The Minister for Lands may in his discretion grant exemption from working the lease for any portion of the period referred to in paragraph (a).
- (e.) That notwithstanding anything herein contained to the contrary, the Minister for Lands may authorise the construction of railways or tramways, or the opening up of roads on the application of any person or persons, and may grant permission to construct and use the same without compensation to the Lessee, except so far as any improvements may be affected.

Provided, also, that if the said Lessee shall, during the term hereby created, at any time make default in payment of the rent hereby reserved, or shall fail or cease to use, hold, and enjoy the said land for the said special purpose, or to observe and perform the conditions aforesaid it shall thereupon be lawful for Us, our Heirs and Successors, into and upon the said demised premises, or any part thereof in the name of the whole to re-enter, and the same to have again, re-possess, and enjoy as if this deed-poll had never been executed, without making any compensation to the Lessee.

Plan herein referred to.

The bearings on the above plan are true or thereabouts, and the area and measurements more or less.

In witness whereof we have caused Our said Minister for Lands to affix hereto his seal and set his hand this day of , 19 .

COAL MINES REGULATION ACT, 1902.

Department of Mines,
Perth, 5th June, 1918.

IN accordance with the provisions of Section 76 of "The Coal Mines Regulation Act, 1902," His Excellency the Governor in Executive Council has been pleased to amend the following Regulations under Part I, Accident Relief Fund:—

Regulation 1 is amended by the addition of the following words:—

"Should the mine owners fail to appoint a trustee within one month after notice, in writing, has been forwarded to them by the Inspector of Mines, by post, advising them of the vacancy on the Trust, the Minister may appoint some person to act as the representative of the mine owners on the Trust, and such person so appointed shall have the same authority and power as if he had been appointed by the mine owners."

Regulation 2 is amended by inserting after the word "district," in the third line of the second paragraph, the words:—

"and by advertisement in a newspaper circulating in the district, at least five days before the meeting."

Also by the addition of the words at the end of the second paragraph to read as follows:—

"Should the mine-workers fail to appoint a trustee at the meeting so convened, the Minister may appoint some person to act as the representative of the mine-workers on the Trust, and such person so appointed shall have the same authority and power as if he had been appointed by the mine-workers."

Regulation 5 is amended by the addition of the following words:—

"Should any member of the Trust, or Committee, fail to attend three consecutive meetings of the Trust or Committee, as the case may be, without having furnished to the body of which he is a member, a satisfactory reason, in writing, for his non-attendance, his seat may be declared vacant, and steps duly taken to fill such vacancy."

Regulation 8 is amended by inserting after the word "person," in the third line, the words "killed or."

Regulation 9—Clause (C), Subclause (1), is amended by inserting after the word "accident," in the fourth line, the words:—

"for a period of fifty-two weeks, should disablement so long continue. If disablement shall continue beyond the term of fifty-two weeks, the employee shall be paid an allowance at the rate of two shillings and sixpence per day, for a further period of fifty-two weeks should the disablement so long continue, and after that, during the continuance of the disablement, an allowance at the rate of one shilling and eightpence per day, for every working day."

The word "may," in the eighth line, is struck out and the word "shall" is inserted in lieu thereof, also by the addition of the words at the end of the Subclause (1) to read as follows:—

"The period during which an employee has been in receipt of relief prior to the coming into operation of this regulation shall not be taken into account in assessing the rate of allowance payable to him."

Regulation 9—Clause (C), Subclause (2), paragraph (a), sub-paragraph (i.), is amended by striking out the words "ten shillings" and inserting the words "fifteen shillings."

Regulation 9—Clause (C), Subclause (2), paragraph (a), sub-paragraph (ii.), is amended by striking out the words “two shillings and sixpence” and inserting the words “five shillings”; also by striking out the word “fourteen” and inserting the word “fifteen.”

Regulation 9—Clause (C), Subclause (2), paragraph (b), sub-paragraph (iii.), is repealed and the following is inserted in lieu thereof:—

“If the father and mother of the deceased are dead, or are not entitled to an allowance, a weekly sum of five shillings in respect of each brother or sister, if any, of the deceased until such brother or sister, attains the age of fifteen years, payable to the legal guardian of such brother or sister, if, in the opinion of the Committee, he, or she, was at the time of death dependent on the deceased for support.”

Regulation 9—Clause (C), Subclause (2), paragraph (b), sub-paragraph (iv.), is amended by striking out the words “two shillings and sixpence” and inserting the words “five shillings”; also by striking out the word “fourteen” and inserting the word “fifteen”; also by inserting after the word “sister” the words “or brother,” and by inserting after the word “sisters” the words “or brothers,” wherever such words occur in the reading of sub-paragraph (iv.), and by inserting after the word “mother,” in the reading of the fourth line, the words “or legal guardian.”

Regulation 9—Clause (C), Subclause (2), paragraph (c), is amended by the addition of the following words:—

“for the sole benefit of the child or children.”

Regulation 11A:—

“The Committee may at any time require an employee in receipt of relief to present himself for examination to a qualified medical practitioner whom it may nominate, any expense in connection with such examination to be a charge against the Fund.”

Regulation 14 is amended by striking out all the words after the word “unless” and inserting in lieu thereof the words:—

“he produces, if called upon to do so, to the Committee, a medical certificate certifying that such is not detrimental to his recovery nor likely to retard same, or can show reasonable cause to the Committee for being abroad after that hour. For each breach of this Regulation the Committee may call upon the employee to forfeit one day’s allowance payable to him from the Fund, and in their recommendation to the Trust make provision for the deduction of same from any amount that may be due to him.”

Regulation 16 is amended by inserting after the words “Accident Committee,” in the second line, the words “or subscriber to the Fund,” and by striking out the word “district” in the fifth line thereof.

Regulation 22 is amended by the addition of the following words:—

“After the half-yearly audit of the books and accounts of the Fund, as provided in Section 72, Subsection 7, of “The Coal Mines Regulation Act, 1902,” the trustees shall cause to be printed sufficient copies of the balance sheet and statement of receipts and expenditure for distribution to contributors to the Fund.”

Regulation 23 is amended by inserting after the word “trustees,” in the reading of the third line, the words “or Committee,” and by inserting after the word “duties” the words:—

“or by any individual member of the Trust, or Committee, in the prosecution, or defence, of any action which may arise through the discharge of his duty as a trustee or a member of the Committee.”

Regulation 24 is amended by inserting after the word “Secretary” the words:—

“who is a subscriber to the Fund.”

P.W. 114/13. Perth, 7th June, 1918.

IT is hereby notified, for general information, that the following Regulation has been approved by His Excellency the Governor in Council, under "The Jetties Regulation Act, 1878:—

If any person shall, without the permission of the Minister for Works or of some person acting under the authority of such Minister, go on to or in any way make use of any public jetty, bridge, wharf, pier, or landing place which has been closed by order of the Minister for Works, he shall be liable on summary conviction to a penalty not exceeding £20.

C. A. MUNT,

Under Secretary for Works and Trading Concerns.

THE ROADS ACT, 1911.

Perth Road Board.

Department of Works and Trading Concerns,
Perth, 29th May, 1918.

Ex. Co. 1407; P.W. 2382/18.

IT is hereby notified, for general information, that His Excellency the Governor in Council has approved of the attached By-laws of the Perth Road Board in accordance with the provisions of "The Roads Act, 1911."

C. A. MUNT,

Under Secretary for Works and Trading Concerns.

THE ROADS ACT, 1911.

Perth Road Board District.

Extension of Building By-laws.

The Perth Road Board, under and by virtue of the power conferred on them by Building Regulation No. 36 of the Second Schedule of "The Roads Act, 1911," and of every other power enabling it in this behalf, do hereby make and publish the following further By-laws, to apply only to those parts of the Perth Road Board District enumerated and described in a certain Order in Council, published in the *Government Gazette* of 22nd day of June, 1917, page 990 (whereby the provisions set out in the Second Schedule of the said Act were extended to such parts of the said Perth Road Board District).

PLANS.

By-law No. 5.

(a) Every person intending to erect any building or alter or add to any building shall, before commencing

to erect, alter, or add to the same, make application in the form provided in the Schedule to the By-laws, and deposit with the Building Surveyor for the periods hereinafter mentioned, drawings showing the plans, elevations, and sections of such proposed building, addition, or alteration, together with full and complete specifications of the work proposed to be done.

At the same time a locality plan, and also a plan or tracing not less than 22in. by 15in. in size of the ground plan (Scale 8ft. to 1in.) of all buildings showing the size of all rooms, position of doors and windows, the thickness of walls, and the covered floor area of such buildings, and the relative position of all boundaries, outbuildings, proposed drains, and dry-wells, also the relative positions and nature of buildings on the adjoining property if within 10ft. of the common boundary, shall be deposited with the Surveyor, to remain permanently in his custody.

(b) All drawings shall be neatly made in ink on drawing paper, tracing cloth, or sun-print of at least 15in. by 22in. in size. The drawings shall consist of complete plans of every storey, elevations of external fronts, and one or more sections, transverse or longitudinal, showing the heights of storeys, depths of foundations, level of ground, construction of walls, roofs, floors, etc., all clearly figured and dimensioned in feet and inches; also a locality plan showing location of proposed site, with cardinal or North point, showing the size and shape of the lot on which it is proposed to erect, alter, or make additions to the building, the position of the proposed building, and any building or buildings already on the lot, the relative levels of the lot with the street or way adjoining, and the position and size of any existing drains or sewers, and the position, size, depth, and the gradients of all proposed drains or sewers, and the position of inlet traps and ventilators. All sizes and positions shall be figured and shown on the locality plan. Existing sewers shall be shown in black full lines, and the existing storm-water drains by broken lines thus - - - - - . All proposed drains for sewerage shall be shown in green full lines, and the proposed storm-water drains in red full lines.

(c) All plans for single storey brick or stone or plain concrete buildings shall be lodged with the Surveyor for three days before work is commenced.

(d) All plans for brick or stone or plain concrete buildings of the value of Ten thousand pounds or over, or that contain more than one storey, shall be lodged for seven days.

(e) All plans for steel skeleton buildings, or where the whole of the floor loads above the basement or above the ground floor in buildings having no basement or are carried on steel or cast-iron work, shall be lodged for fourteen days.

(f) All plans for reinforced concrete buildings, or where reinforced concrete is used in the construction of walls or floors, shall be lodged for fourteen days.

(g) Existing buildings shall be coloured "blue," and proposed new buildings shall be coloured "pink" on the locality plan.

(h) The locality plan shall be drawn to a scale of 16 feet to one inch. General drawings shall be to a scale of not less than eight feet to one inch, and details to a scale of not less than four feet to one inch.

(i) When a block plan has already been lodged for the site, the insertion of the new additions or alterations will be sufficient. The existing plan can be seen at the Building Surveyor's office.

(j) All plans, drawings, and specifications must be signed by the building owner or his duly authorised agent.

(k) When plans are prepared, the calculated amount of the super-imposed or accidental load shall be endorsed on the various floor plans.

By-law No. 6.

No person shall commence to erect, alter, or add to any such building until the Building Surveyor shall have signified his approval of such plans and specifications by stamping the plans and specifications with his official stamp showing the number of the application, the date of his approval, and his written signature.

By-law No. 7.

On the approval of the Building Surveyor being so given, and on payment of the prescribed fees, a license in the form of Schedule 2 to the By-laws shall then be issued by the Building Surveyor to the building owner or his agent.

By-law No. 8.

No person who shall have obtained the approval of the Building Surveyor, as provided hereinbefore in respect of any building or alteration or addition, shall in the construction of such building or alteration or addition curtail or otherwise depart from the plans or specifications which have been approved by the Surveyor without his consent in writing first had and obtained, and such alterations or departures from approved plans and specifications shall be drawn, described, and endorsed on and in the plans and specifications.

SITES AND FOUNDATIONS OF BUILDINGS.

By-law No. 9.

No person who shall hereafter erect any house or building shall construct the foundation of any such house or building upon any site or portion of any site which shall have been filled in or covered with any material impregnated or mixed with fecal, animal, or vegetable matter, or which shall have been filled up or covered with dust or slop or other refuse, or upon which any such matter or refuse shall have been deposited, unless and until such matter or refuse shall have been properly removed by excavation or otherwise from such site. Any holes caused by such excavation shall, if not used for a basement or a cellar, be filled in with hard brick or dry rubbish or concrete, sand, or other material to be approved by the Surveyor.

By-law No. 10.

Every person who shall hereafter erect a building shall cause the foundation of the walls of such building to be formed on a bed of good concrete not less than 9in. thick, and projecting at least 4in. on each side of the lowest course of footing of such walls. If the site be upon a natural bed of gravel or sand, concrete may be omitted from the foundations of the walls.

The concrete shall be composed of clean gravel, broken hard brick, properly burnt, ballast or other hard material, well mixed with cement in the following proportions:— One part of cement to two parts of sand, and four parts of stone.

By-law No. 11.

No building to be used solely as a dwelling house shall comprise two or more tenements separated by a common dividing wall unless such building shall contain more than one storey above the ground level, and no wall of a dwelling house shall be placed at a lesser distance than 4ft. from the side boundaries of the block.

By-law No. 12.

No building shall be erected without the consent of the Board, in writing, on any block of land liable to

inundation by flood water or soakage, or from which there is no natural drainage until such time as provision is made for carrying off the water by artificial means.

By-law No. 13.

The level of the ground floor of any building shall not be less than 3in. above the level of the footpath or crown of the road without the permission of the Board in writing; in cases where the road or footpath has not been constructed the level of the ground floor shall be at such height as the Building Surveyor shall determine, and for this purpose a cross-section of the building site shall be supplied showing the relative levels of the site and the unmade road.

DOMESTIC BUILDINGS.

By-law No. 14.

The expression "Domestic Building" includes a dwelling house, suite of offices, or any other building not being a public building or building of the warehouse class, or a building the property of or occupied by or under the control or management of His Majesty's Government or any Department thereof.

The expression "Dwelling House" shall mean a building used or constructed or adapted to be used wholly or principally for human habitation not being a building the property of or occupied by or under the control or management of His Majesty's Government or any Department thereof.

Every person who shall hereafter erect, alter, or add to any domestic building shall construct every external wall and every party wall erected in the course of such work in accordance with the following rules, and in every case the thickness prescribed shall be the minimum thickness of which any such wall may be constructed, provided that the several rules shall apply only to walls built of brick or of suitable stone or other blocks of hard and incombustible substance, the beds of courses being horizontal:—

(a) Where the wall does not exceed 25 feet in height, its thickness shall be as follows:—

If the wall does not exceed 30 feet in length and does not comprise more than two storeys, it shall be eight and a half inches thick for its whole height.

If the wall exceeds thirty feet in length or comprises more than two storeys, it shall be 13 inches thick below the topmost storey, and eight and a half inches thick for the rest of its height.

(b) Where the wall exceeds twenty-five feet but does not exceed forty feet in height, its thickness shall be as follows:—

If the wall does not exceed thirty-five feet in length it shall be 13 inches thick below the topmost storey, and eight and a half inches thick for the rest of its height.

If the wall exceeds thirty-five feet in length it shall be seventeen and a half inches thick for the height of one storey, then thirteen inches thick for the rest of its height below the topmost storey, and eight and a half inches thick for the rest of its height.

(c) Where the wall exceeds forty feet but does not exceed fifty feet in height, its thickness shall be as follows:—

If the wall does not exceed thirty-five feet in length it shall be seventeen and a half inches thick for the height of one storey, then thirteen inches for the rest of its height below the topmost storey and eight and a half inches for the rest of its height.

If the wall exceeds thirty-five feet but does not exceed forty-five feet in length, it shall be seventeen and a half inches thick for the height of two storeys, then thirteen inches thick for the rest of its height.

If the wall exceeds forty-five feet in length it shall be twenty-one and a half inches thick for the height of one storey, then seventeen and a half inches thick for the height of the next storey, and then thirteen inches thick for the rest of its height.

PUBLIC BUILDINGS.

By-law No. 15.

The expression "Public Building" shall mean and include every building used as a church, chapel, or other place of public worship, also every building used for

the purpose of public instruction; also every building used as a college, public hall, hospital, theatre, public concert room, public exhibition room, or for any other public purposes not being a building the property of or occupied by or under the control or management of His Majesty's Government or any Department thereof.

If a public building corresponds in form or structure or disposition with a domestic building, then the rules which obtain for domestic buildings shall apply to such public buildings, provided that the thickness of all external and party walls, and the width of their footings be at least four inches more than is required for similar walls of the domestic buildings, but should such public building correspond in form or structure or disposition with a building of the warehouse class, then the rules which obtain for buildings of the warehouse class shall apply to such public buildings; provided the thickness of all external and party walls, and the width of their footings be at least four inches more than is required for similar walls of the buildings of the warehouse class. Should, however, such public buildings not correspond in form and structure to either a domestic building or to a building of the warehouse class, then such building should be subject as to its walls and other construction to the special approval of the Building Surveyor.

BUILDINGS OF THE WAREHOUSE CLASS.

By-law No. 16.

The expression "building of the warehouse class" shall mean a warehouse, factory, manufactory, brewery or distillery, and any other building exceeding in cubical contents one hundred and fifty thousand (150,000) cubic feet which is neither a public nor a domestic building nor a building the property of or occupied by or under the control or management of His Majesty's Government or any department thereof.

Every person who shall hereafter erect, alter, or add to any building of the warehouse class shall construct every external wall, party wall, and cross wall erected in the course of such work in accordance with the following rules, and in every case the thickness prescribed shall be the minimum thickness of which any such wall may be constructed; provided that the several rules shall apply only to walls built of bricks, or of suitable stone, or other hard and incombustible substance, the beds or course being horizontal:—

(a) Where the wall does not exceed twenty-five feet in height (whatever is its length), it shall be thirteen inches thick at the base.

(b) Where the wall exceeds twenty-five feet but does not exceed thirty feet in height, it shall be at its base of the thickness following:—

If the wall does not exceed forty-five feet in length, it shall be thirteen inches thick at the base.

If the wall exceeds forty-five feet in length, it shall be seventeen and a half inches thick at the base.

(c) Where the wall exceeds thirty feet but does not exceed forty feet in height, it shall be at its base of the thickness following:—

If the wall does not exceed thirty-five feet in length, it shall be thirteen inches thick at the base.

If the wall exceeds thirty-five feet but does not exceed forty-five feet in length, it shall be seventeen and a half inches thick at its base.

If the wall exceeds forty-five feet in length, it shall be twenty-one and a half inches thick at its base.

(d) Where the wall exceeds forty feet but does not exceed fifty feet in height, it shall be at its base of the thickness following:—

If the wall does not exceed thirty feet in length, it shall be seventeen and a half inches thick at its base.

If the wall exceeds thirty feet but does not exceed forty-five feet in length, it shall be twenty-one and a half inches thick at its base.

If the wall exceeds forty-five feet in length, it shall be twenty-six inches thick at its base.

(e) Where the wall exceeds fifty feet but does not exceed sixty feet in height, it shall be at its base of the thickness following:—

If the wall does not exceed forty-five feet in length, it shall be twenty-one and a half inches thick at its base.

If the wall exceeds forty-five feet in length, it shall be twenty-six inches thick at its base.

(f) Where the wall exceeds sixty feet but does not exceed seventy feet in height, it shall be at its base of the thickness following:—

If the wall does not exceed forty-five feet in length it shall be twenty-one and a half inches thick at its base.

If the wall exceeds forty-five feet in length, it shall be increased in thickness from the base up to within sixteen feet from the top of the wall by four and a half inches (subject to any provision hereinafter contained respecting distribution in piers).

WOOD AND IRON BUILDINGS.

By-law No. 17.

The external walls, and the verandahs of all buildings to be constructed of wood, iron, or other material approved of by the Building Surveyor not being brick, stone, or artificial stone, must be built at least four feet from the dividing boundary of the property on which the building is being erected and the adjoining property, and at least 25 feet from the road frontage or frontages. The inside walls shall be of lath and plaster, metal, T. & G. jarrah, or other approved material, provided always that no license will be granted for the erection of a building of wood or iron or with materials other than brick, stone, or artificial stone, unless the position or design, or value of such building will not, in the opinion of the Building Surveyor, be prejudicial to the residents in the vicinity.
