Such obligation, if any, as was imposed upon the Government by the letter from the Premier (Sir Henry Lefroy) of the 21st day of September, 1917, endorsing the promise of the Prime Minister that after the strike was over those men who had come to the aid of their country by doing work which the strikers refused to do should be protected in their right to future employment;

 - (d) their present distress.

And if and so far as you may be of opinion that an obligation was imposed upon the Government, to make such recommendation as to compensation, if any, that shall be made in each individual case.

And I declare this Commission to be a Royal Commission within the meaning of "The Royal Commissioners Powers Act, 1902"; and I do hereby request that you do, as soon as the same can conveniently be done, report to me in writing your proceedings and the result of your inquiries, and also your recommendations by virtue of this Commission.

C. G. MORRIS,
Acting Under Secretary for Lands.

REGULATIONS FOR THE GRANTING OF TOWN AND SUBURBAN LOTS IN FEE SIMPLE TO DISCHARGED SOLDIERS OR THEIR DEPENDANTS.

Department of Lands and Surveys,
Corr. 1063/18. Perth, 10th September, 1919.

IT is hereby notified, for general information, that His Excellency the Governor in Executive Council has been pleased to approve of the following Regulations under the provisions of Section 8 of "The Discharged Soldiers' Settlement Act, 1918."

C. G. MORRIS,
Acting Under Secretary for Lands.

REGULATIONS.

1. Town and suburban lots set apart under "The Land Act, 1898," for the purpose of being disposed of to discharged holdiers or their dependants may be sold without first being submitted to auction.

2. Applications shall take priority in the order of their being lodged at the Department of Lands and Surveys, Perth, or at such other office as may be notified in the *Government Gazette*.

3. In the event of more than one application being lodged on the day the lots are advertised as open for selection, or on the same day thereafter for any lot unapplied for, the matter shall be referred to the Discharged Soldiers' Land Settlement Board, to decide to whom the lots shall be granted, and its decision shall be final.

4. Applications shall be made in the form of Schedule I. and must be accompanied by 10 per cent. of the purchase price fixed for any lot applied for.

5. If the application is unsuccessful, the deposit of 10 per cent. will be refunded.

6. The balance of the purchase price on a town lot shall be paid by equal half-yearly instalments extending over five years; the first of such instalments to be due on the first of the quarter next following the approval of the application.

7. The balance of the purchase money on a suburban lot shall be paid by equal half-yearly instalments extending over ten years; the first of such instalments to be due on the first of the quarter next following the approval of the application.

8. On approval of the application, a license shall issue in the form of Schedule II., and such license may be transferred or mortgaged as hereinafter provided.

9. No transfer or mortgage will be allowed during the term of the license without the approval of the Discharged Soldiers' Land Settlement Board, and any transfer or mortgage executed without such approval will render the lot liable to forfeiture, together with all moneys paid thereon.

10. No person who has held and transferred a lot under these Regulations will be eligible to obtain another lot under these Regulations, except under special circumstances approved by the Board.

11. Every town lot shall be improved by the erection of a habitable house thereon within twelve months, or such extended time as may be approved by the Minister for Lands, to the value of at least £30, and after the erection of such house, and residence therein by the licensee, further payments will be remitted, and the Crown grant will issue on payment of a Crown grant fee of 30s., free of all restrictions.

12. Every suburban lot shall within five years be fenced to the satisfaction of the Minister for Lands, and otherwise improved to an amount equal to double the purchase money. On completion of such expenditure, further payments will be remitted, and the Crown grant will issue on payment of a Crown grant fee of 30s., free of all restrictions.

13. Failure in any case to comply with the conditions of improvements, as per Clauses (9) and (11), within the time stated will render the land liable to forfeiture in the discretion of the Minister for Lands.

14. The holder of a lease under the "Regulations for the Leasing of Town and Suburban Lands," gazetted on the 24th May, 1918, may surrender his lease and obtain a license under these Regulations, on making application in the form of Schedule III.

15. The application to surrender must be accompanied by the lease, with a surrender thereof in the form of Schedule IV., and the Titles office fee of £1.

16. A sum equal to 10 per cent. of the purchase price together with all rent accrued to the date of the application to surrender, must be paid with the application, on receipt of which a license will issue, as provided in Clause (7).

17. No person shall hold more than one lot under these Regulations.

18. If, in the discretion of the Discharged Soldiers' Land Settlement Board, a transfer is approved to a person other than a discharged soldier or his dependant, the balance of the purchase money outstanding at the date of transfer must be paid within the time fixed by the Regulations governing the sale of town and suburban lots at auction, and if such time has expired, such balance of purchased money must be paid before the transfer can be approved. In all other respects the provisions of "The Land Act, 1898," and the Regulations thereunder relating to the sale of town and suburban lots shall apply to such transferee.

Approved by His Excellency the Governor in Executive Council, this 10th day of September, 1919.

(Sgd.) BERNARD PARKER,
Clerk of the Council.
