IT is hereby notified, for general information, that His Excellency the Governor in Executive Council has been pleased to approve of the areas scheduled hereunder being made available for selection under "The Land Act, 1898," and its amendments, and "The Discharged Soldiers Settlement Act, 1918," by persons who have been on active service with His Majesty's Naval or Military Forces, and can produce a satisfactory discharge; or the dependants of those who have been killed or have died on active service. The selector of a Homestead Farm from any location available under Part VIII, must take the balance thereof under Conditional Purchase.

Application may be made by relatives on behalf of Soldiers at the Front, subject to the condition that the applicant must receive a Qualification Certificate from the Land Qualification Board within six months from the date of his discharge, otherwise the holding will be forfeited.

Applications must be lodged at the Local Land Office for the District in which the land is situated, or at the Head Office, Perth.

The date fixed for areas being thrown open for selection does not imply that applications may not be lodged before such date, and any applications so lodged will be treated as having been received on the appointed day.

Should any location be not applied for on the fixed date it will remain available for selection until it is applied for or otherwise dealt with.

There shall be an interval of at least three days between the closing of the date for applications and the date on which the Board sits. All applicants will be advised of the date fixed for the meeting of the Board. He may then, if he wishes, apply to Head Office for a Certificate to the Railway Department, which on presentation at the nearest Railway Station will entitle him to a Return Ticket at Excursion Rates to the place where the Board will sit, available for seven days from date of issue.

The prices quoted hereunder (exclusive of the value of improvements, if any, and survey fees, and land acquired by the Crown under the Agricultural Lands Purchase Act, 1909, or otherwise for settlement) are reduced by one-half.
