2. Any person desiring to inter any dead body in the cemetery shall make an application to the Trustees. Upon such application being approved by the Trustees, and upon payment of the prescribed fees, they shall cause to be issued to the person so applying an order for burial.

3. All applications for interment shall be made at least five working hours prior to the time fixed for burial. An extra charge shall be made for applications within such time. No free interment shall be allowed unless the application, together with the Justice's order therefor, be handed in in such time as to allow of at least five working hours as above.

4. The Trustees shall cause all graves to be dug, and vaults, brick graves, or graves to be re-opened as and when required.

5. Before any interment is allowed the "Order for burial" shall be handed to and retained by the gravedigger.

6. Every grave shall be at least six feet deep, and no interment shall be allowed in any grave with a less depth than four feet six inches from the top of the coffin to the original surface of the surrounding ground.

7. In the case of an application for interment in any private grave or vault to which the deceased had no claim during life, the written and verified consent of the grantee shall be handed in with the application.

8. No burial shall be allowed to take place in the cemetery unless a certificate from a District Registrar of Deaths that the death has been registered, or a Coroner's order for burial is handed to the Trustees.

9. The hours for burial shall be as follows:—

10. The time fixed for any burial shall be the time at which the funeral is to arrive at the cemetery gates, and such time shall be rigidly and punctually observed.

11. No hearse, mourning coach, or other vehicle shall enter the cemetery, or proceed except at and by such roads as directed by the officer of the Trustees from time to time. Any driver or other person failing or neglecting to observe such directions commits an offence against these By-laws.

17. 18. Any person requiring an "Exclusive right of burial" in any part of the cemetery shall apply to the Trustees, in writing, specifying the location of the grave, and whether it is proposed to erect a brick grave or vault, and in such case submitting plans and specifications of the proposed work. Such application shall also state the names of any already deceased persons whose remains it is proposed to inter therein.

19. Subject to the By-laws, the Superintendent shall exercise a general supervision and control over all matters pertaining to the cemetery, including the conduct of all funerals and interments within the cemetery.

22. Every "Grant" shall be subject to the By-laws for the time being, and no interment in any such grave or vault shall be allowed unless upon production of the "Order for burial" aforesaid, nor shall any such grave or vault be opened, unless with the written consent of the Trustees.

23. Every coffin placed in any such bricked grave or vault shall be bricked in, cemented, and covered with a slab of stone, slate, or iron, unless special written exemption be obtained from the Trustees.

29. Monumental masons and other tradesmen shall, before commencing any work within the cemetery, deposit with the Secretary to the Trustees the sum of ten shillings, which shall be forfeited if either of the two last preceding By-laws are not complied with to the satisfaction of the Trustees.

30. All materials required in the erection and completion of any work shall, as far as possible, be prepared before being taken to the cemetery, and all materials required by tradesmen shall be admitted at such entrance as the Trustees shall direct; and no vehicle conveying any such material with wheels less than 4in. broad shall be permitted to enter the cemetery.

31. No catacomb shall be allowed.

32. All workmen, whether employed by the Trustees or by any other person, shall at all times, whilst within the boundaries of the cemetery, be subject to the supervision of the Trustees, and shall obey such directions as they may find it necessary to give; and any workman permitting any breach of these Regulations and By-laws or refusing or neglecting to comply with any directions of the Trustees commits an offence against these By-laws.
