1. When demand shall have been duly made under Section 285 of "The Road Districts Act, 1919," the Secretary shall forthwith prepare a special roll of the names of all persons who appeared to be resident owners of rateable land within the meaning of Section 285.

2. The various forms mentioned in these By-laws shall be those prescribed under "The Road Districts Act, 1919," and approved of by Order-in-Council and published in the *Government Gazette* of 17th September, 1913, and 5th March, 1920.

3. The said roll shall be as prescribed by Form No. 40, and shall be available for inspection by any ratepayer at the Road Board Office, within the usual office hours, not later than ten days before the date fixed for the holding of the poll.

4. On or before the fifth day before the closing of the poll, any resident owner—

(a.) Whose name has not been inserted in the roll may, by letter delivered or sent through the post addressed to the Secretary, apply to have his or her name inserted therein, and shall give particulars of his or her claim.

(b.) Whose name has been inserted in the roll and who is dissatisfied with such roll as not specifying the full rateable value of the land owned or leased by him may, in like manner, apply to the Secretary to have the amount of such rateable value altered, and shall give particulars of his claim.

(c.) Whose name appears in the roll or who claims to have his or her name inserted in such roll, may, in like manner, object to the name of any other person appearing in such roll as not being entitled to have the number of votes set against his or her name. Any such claims or objections shall be as prescribed by Form No. 5 or to the like effect, and any objection under subsection (c) shall be made in duplicate by the person objecting, and it shall be the duty of the Secretary to send one of such notices to the person objected to.

5. (a.) The Board shall hold an open court (to be called a Revision Court) within the Road Board District, for the purpose of revising the roll, and such revision shall take place before the day fixed for the holding of the poll, at such time and place as the Chairman shall appoint, and the Chairman shall give notice of the holding of such court and the time and place thereof, by placing such notice on some building within the Road Board District and by advertisement in a newspaper circulating in the district.

(b.) The court shall consist of the Chairman or, in his absence, of a chairman appointed by the other members of the court, and of not less than one-third of the members of the Board.

6. Every such court may be adjourned, and if at any time for half-an-hour after the time appointed for the holding of such court, or adjourned court, a sufficient number of members to form a court is not present, the chairman or, in his absence, any member or the Secretary, shall adjourn the court, but no such court shall be adjourned beyond the day before the holding of the poll.

7. (a.) The Secretary shall himself, or by some person on his behalf if he is prevented from so doing, attend the revision court and produce to the court the roll and lists of the persons who have sent in claims and who have been objected to.

(b.) The court may order, if required, that the valuer or valuers and all collectors of rates shall also attend the said court and produce all books, papers, and documents in their possession connected with their respective offices.

(c.) The officers aforesaid shall answer, on oath or otherwise, all such questions as the court may put to them touching any matters necessary for revising the roll.

8. (a.) The revision court shall have authority to hear, receive, and examine evidence by summons under the hands of the Chairman, to require all persons as the court may think fit to appear personally before such court at a time and place to be named in such summons, and to produce all books and papers in their possession or under their control as may appear necessary for the purpose of their examination.

(b.) The court shall have like powers for compelling the attendance of the witnesses summoned and their examination upon and taking of oaths and affirmations, and their answering questions touching the premises as by any law in force for the time being is vested in justices exercising summary jurisdiction, and the Chairman may issue any summons at any time after he has appointed a time for holding the said court.

9. The revision court shall, in open court, determine as hereinafter provided upon the validity of all claims and objections, and every such determination shall be by the decision of the majority, and in the case of an equal division of votes the chairman shall have a casting vote in addition to his vote as a member of the court.

10. (a.) The revision court shall insert in the roll under revision the names of every person who has claimed as aforesaid and has proved to the satisfaction of the court to be entitled to be inserted therein for one or more votes according to the provisions of the Act.

(b.) Subject as hereinafter provided, the court shall retain on the list the names of all persons to whom no objection has been duly made, with the number of votes unaltered.

(c.) The revision court shall retain on the list the name of every person who has been objected to by any person and the number of votes unaltered, unless the person so objecting appears by himself, or by some person duly authorised in writing on his behalf, in support of the objection and proves the service of the requisite notices.

(d.) When the name of any person inserted in the roll or the number of any votes set against his or her name has been duly objected to and the person objected to appears by himself or by someone on his behalf in support of such objection, the court shall require proof of so much qualification of the person objected to as is embraced in the grounds of objection, and no more.

(e.) In case the qualification of such person is not proved to the satisfaction of the court, the court shall expunge the name of such person from the list, or shall alter and correct the number of votes set against his or her name, as the case may require.

(f.) The court shall expunge from the list the name of every person who is proved to be dead.

(g.) The court shall, by means of the rate-book valuation and return, correct any mistake or supply any omission which may appear to such court to have been made in the roll in respect of the name, place of abode, or trade or occupation of any person who is included therein, or in respect of the local description of the rateable property, or the situation thereof, or the rateable value thereof.

(h.) But no person's name shall be inserted by the court in the roll, or be expunged therefrom, unless notice has been given as hereinbefore required.

11. (i.) The Chairman shall in open court—

(a.) Write initials against every name struck out or inserted as aforesaid, and against any part of the roll in which any mistake has been corrected or omission supplied.

(b.) Initial every page of the roll so settled.

(c.) Cause to be written at the foot or end of the list a certificate, that the same has been revised and is correct, with the date thereof.

(ii.) The Chairman and not less than two other members of the Board shall severally sign such certificate.

All motions and amendments shall be decided by a show of hands, unless a division is demanded, before the next business is proceeded with.

- (m) Notice of motions.

19. In the event of any member having urgent business to place before the meeting he may move the suspension of the Standing Orders, and, if agreed to by the Board, such business shall take precedence to all others.

20. Any member wishing to rescind any motion shall act in direct compliance with Section 135 of the Road Districts Act, by giving seven days' notice to each member or submitting to the Secretary of the Board notice of his intention in time to enable him to give the necessary notice prescribed by the Act to each member.

The nature or prayer of every petition or memorial shall be stated to the Board by the member presenting the same.

(c.) The recommendations of any committee when adopted by the Board shall be resolutions of the Board.

*Precedence of Chairman.*

27. When the Chairman rises in his place during the progress of a debate, any member then speaking or offering to speak shall immediately resume his seat, and every member present shall preserve strict silence so that the Chairman shall be heard without interruption, but the member who was speaking may resume when the Chairman takes his seat.

*How subsequent Amendments may be moved.*

35. If an amendment, whether upon an original question or upon any question amended as aforesaid,

has been negatived, then a further amendment may be moved to the question to which such first-mentioned amendment was moved and so on, provided that not more than one question and one proposed amendment thereof shall be before the Board at any one time.

*Motions for Adjournment.*

36. No discussion shall be permitted upon any motion for adjournment of the Board. If upon the question being put on any such motion the same is negatived, the subject then under consideration or next on the business paper shall be discussed, and it shall not be competent for any member to again move a motion for adjournment until half-an-hour has elapsed from the time of moving the one that has been negatived.
