3. *Interpretation:* "Worker" means a member of the Union employed as driver, fireman, cleaner, washout man, washout man's assistant, packer, or trimmer.

"Attended barracks" means any building attended to by a whole or part time caretaker appointed for that purpose, which is provided with bed, clean bedding, cooking utensils, and light, lighting facilities, and water and fuel.

4. *Promotion:* Promotion from cleaner to fireman and from fireman to driver shall be made—

(a) Automatically by reason of acting work in accordance with the provisions of the next succeeding clause, and

(b) Independently of acting work, as vacancies arise according to seniority combined with proficiency and good conduct, provided that the necessary examinations have been passed, and provided also, in the case of a cleaner, that he shall have reached the age of twenty-one years.

5. *Acting work:* (1) A fireman or cleaner who has acted in the capacity of a driver or fireman, respectively, for 313 days shall be appointed to the higher grade, and the date of such appointment shall, notwithstanding subsequent regression, be taken for the purpose of determining when advancements from class to class become due. To ascertain the number of days acting work performed by a worker all acting work heretofore or hereafter shall be counted, and the total number of hours worked by him in the higher capacity shall be divided by eight.

(2.) For the purpose of maintaining the present order of seniority amongst the workers, the following provisions shall obtain:—

(a) The Commissioner shall, so far as practicable, arrange that firemen and cleaners shall have the benefit of acting work according to seniority, and to that end shall transfer them from one depot to another as may be necessary.

(b) Subject as hereinafter provided, when a fireman or cleaner has qualified by acting work and is appointed to a higher grade under subclause (1) of this clause, each fireman or cleaner, as the case may be, above him on the classification, shall be deemed to have similarly qualified, and shall also be appointed to the higher grade: Provided, however, that from and after the date of the delivery of this award the foregoing provision shall not apply to any fireman or cleaner who, during the then preceding twelve months, has lost the opportunity of himself getting the benefit of acting work by reason of his failure to accept a transfer from one depot to another.

(c) A driver or fireman may, when traffic conditions so require, be temporarily employed as fireman or cleaner, respectively, but whilst acting in the lower grade shall be paid the rate which he was receiving as driver or fireman, respectively.

(d) The Commissioner shall have power to regress any specified number of drivers or firemen to the position of firemen and cleaners, respectively, which, in the opinion of the Commissioner, is in excess of the number required to cope with the work offering: Provided that no driver or fireman in any class shall be so regressed until all the drivers and firemen, respectively, in the classes (if any) below him shall have been similarly regressed. After such regression and whilst doing work in the lower grade, the drivers and firemen so regressed shall be paid at the maximum rates provided for firemen and cleaners, respectively. Notice of intention to regress to be served on the Union.

6. *Retirement and Dismissal.*—(a) No worker after six months' continuous service shall leave the service of the Commissioner until the expiration of fourteen days' written notice of his intention so to do, without the approval of the Commissioner.

(g) Drivers and firemen booked on rostered working between the hours of 10 p.m. and 6 a.m. shall, when time permits, be given four hours' notice of any alteration in their working.

(h) Should a driver or fireman not be able to ascertain before leaving the shed at his "home" station either from the foreman or from the running sheet when he shall next be required for duty, he shall be free to assume that he will not be required for twelve hours and may make his private arrangements accordingly.

(i) Between the hours of 7 a.m. and 5 p.m. each driver and fireman after being booked off duty for twelve hours shall make personal inquiry at the shed as to when he is next required for duty.

(e) Any worker who has been stationed in the Goldfields Areas for a period exceeding three years shall be entitled to a transfer to the metropolitan or a coastal depot, and such transfer shall upon request be arranged as soon thereafter as the exigencies of the service will permit.

(d) Workers leaving the service for any cause, and due for payment in lieu of holidays, shall not be paid district allowance for the period of such holidays.

19. *Holidays.*—(a) Unless by mutual agreement between the Commissioner and the Union to the contrary, every worker shall after twelve months' continuous service be granted twelve days' leave on full pay each year, the whole of which shall be taken at one time in each year. Provided always, that with the consent of the Commissioner holidays may be allowed to accumulate for two years. Two extra days' annual leave shall be granted to workers stationed at Yalgoo and Goongarrie and Eastward or Northward thereof, and on the Hopetoun-Ravensthorpe Railway.

(c) Workers shall be paid for holidays at the rate of pay they are drawing at or immediately before the time when such holidays are taken.

(d) Every worker after six months' continuous service shall be entitled to the foregoing holidays in proportion as the length of service is to the full number of holidays for the twelve months.

(e) Each year prior to the 31st July a statement shall be posted in each shed, showing the date on which each worker will go on his annual leave and resume duty. The annual leave for such worker shall be calculated up to the 30th June each year, and only leave up to that

date shall be granted each year, except in cases where leave has been allowed to accumulate.

(f) With the approval of the Head of the Branch, any worker may exchange dates with another.

(g) Sunday conditions shall apply to Good Friday, Christmas Day, and Labour Day (*i.e.*, first day of May or first Monday thereafter) and one day shall be added to the annual leave for each Good Friday or Christmas Day so worked: Provided that a worker who returns to his "home" station or finishes a shift at his "home" station not later than 4 a.m. on either of these two days, and is not again booked on duty that day, shall be treated as having had a paid holiday.

(h) Any worker shall not be booked up for a paid holiday when standing off duty at a foreign station.

(i) No deduction shall be made from annual holidays for the period a worker is off duty through sickness, unless the absence exceeds three calendar months.

20. *Extended Leave of Absence.*—Any worker who has been two years or more in the service of the Commissioner may, on application, be granted in addition to his annual leave, extended leave of absence without pay for a period not exceeding twelve months. Failure on the part of a worker to return to his duty within the specified period of leave granted shall be regarded as a resignation, and shall be so treated.

21. *Absence through Sickness.*—(a) Any worker being unable to attend to his duty through sickness shall notify the Locomotive Officer on duty at least three hours before the time he is booked for duty, and he shall also satisfy the Locomotive Officer that he is unfit to attend to his duties, and if called upon shall provide a medical certificate that he is unable to perform his duties through sickness.

(b) Any worker so absent shall not again be booked up for duty unless he notifies the Locomotive Officer not later than noon on any day that he is fit to resume.

(c) Any worker losing time through sickness or special leave shall be reduced in wages only to the extent of the time actually lost through sickness or actually granted as special leave.

(b) The passes may be issued in favour of the worker and his wife and members of his family under 18 years of age and unmarried daughters over 18 years of age, all of whom are resident with him and solely dependent upon his earnings, and may be extended to the mother of a worker resident with him and wholly dependent upon his earnings.

(c) Upon request, a worker may be granted a separate station to station pass for his wife and dependents as mentioned in subclause (a) hereof where it is inconvenient for both to travel at the same time.

Each week shall stand by itself.
