1.—Hours of Duty.

The hours of duty shall be as required from time to time.

2.—Leave of Absence.

(a.) Officers shall be entitled to twelve days' leave per annum, exclusive of public holidays. Officers required to work on any public holiday shall be granted a day's leave in lieu of such holiday.

(b.) Leave of absence shall be calculated to the close of each financial year, and shall be paid for at the salary the officer is in receipt of at the time such annual leave is taken.

(c.) The leave shall be applied for and taken out at a time convenient to the Department before the thirtieth June following the year for which it fell due; at the expiration of that time the leave shall lapse unless such leave shall have been deferred by the Department or the permission of the Commissioner obtained for its accumulation.

(d.) In urgent cases leave in addition to the foregoing may be granted, without pay, for a period not exceeding three months. Any public holidays falling due during the period in which an officer is on leave without pay shall not be paid for.

(e.) Subject to the proviso hereto, any officer who may resign or be dismissed from the service shall be entitled to receive payment for any holidays *pro rata* up to the time of leaving the service: Provided that if an officer be dismissed for being under the influence of liquor or for drunkenness, he shall be entitled to be paid only for such leave (if any) as was due up to the thirtieth June previous, and if dismissed for speculation or other serious irregularity he shall not be entitled to payment for any holidays.

(f.) The next-of-kin of a deceased officer shall be granted payment of *pro rata* annual leave to the date of the decease of the officer.

3.—Absence without Pay.

Any term in excess of three months an officer is absent from duty from any cause without pay shall not for any purpose be included as part of such officer's period of service.

4.—Long Service Leave.

(a.) The Commissioner shall grant to any officer who has continued on the salaried staff for ten years long service leave for three calendar months on full pay or six calendar months on half pay. For the subsequent period of ten years the same conditions shall apply, and thereafter for every seven years similar leave shall be granted.

(b.) Service prior to attaining the age of eighteen years shall not count in computing long service leave.

(c.) Any public holidays occurring during the period in which an officer is on long service leave will be calculated as portion of the long service leave, and extra days in lieu thereof shall not be granted.

(d.) Should a married officer who has completed half or more qualifying service for long service leave die, his next-of-kin shall be granted payment for such leave *pro rata*.

(e.) Any officer who resigns or is retired from the service (through having reached the retiring age excepted) shall be paid for long service leave due at the time of resignation or retirement.

(f.) Any officer who is retired upon reaching the retiring age shall be paid for long service leave *pro rata* to date of retirement.

(g.) Any officer dismissed from the service shall not be entitled to payment for long service leave.

5.—Sick Leave.

(a.) Any officer who is incapacitated for duty in consequence of illness or injury shall, as soon as possible, advise his superior officer in sufficient time to admit of arrangements being made for the performance of his duties. Any such officer who fails to do so shall be treated as absent without leave.

(b.) Any officer so incapacitated for duty shall also notify his superior officer in sufficient time of the date on which he will be able to resume duty to enable any necessary arrangements to be made.

(c.) Should the absence be prolonged beyond one day, the officer shall forward to his superior officer on the second day thereof a certificate from any legally qualified medical practitioner showing the nature of the illness and probable duration.

(d.) Any officer who finds that he is unable to resume duty on the expiration of the period shown in the first certificate shall thereupon furnish a further certificate, and shall continue to do upon the expiration of the periods respectively covered by such certificates: Provided, however, that the maximum period between the dates of furnishing any two medical certificates shall be fourteen days.

(e.) In cases where incapacity for duty is obvious, the Commissioner may relieve the officer of the necessity of providing medical certificate.

(f.) Any officer shall, if so directed, present himself for examination by a medical officer at such time and place as may be fixed.

(g.) Any officer who has been absent for three days (not continuous) in one financial year shall, if instructed by his superior officer, furnish a medical certificate for absences of one day only.

(h.) Officers who have conformed to the foregoing may be granted sick leave (exclusive of annual and long service leave) for three months on full pay and three months on half pay.

(i.) Such leave may be granted in one or more periods, but the aggregate amount of leave on pay provided for must not be exceeded.

(j.) In no case shall an officer be granted more than three months on full pay and three months on half pay in any one triennial period, unless otherwise determined by the Commissioner. The triennial period to be the three years preceding the date of illness for which payment is claimed.

(k.) No payment will be made for any absence due to an officer's own fault, neglect, or misconduct.

(l.) Indisposition not necessitating confinement to the house will not be regarded as illness in respect of which leave of absence will be granted under this section, excepting under special circumstances to be approved by the Commissioner.

For the purpose of computing expenses, in the case of arrival at home station, breakfast shall be allowed for if arrival is later than 8 a.m., lunch if later than 1 p.m., tea if later than 6 p.m., and bed if later than 11 p.m.

(g.) In cases where an officer is engaged at other than his home station in receipt of weekly rate of allowance and is temporarily away from such station, the daily allowance will be paid in lieu of the weekly rate for the period of such temporary absence for one day or over; if the absence is less than one day, reasonable actual expenses will be paid.

(h.) Where an officer is relieving on expenses for a period of less than twenty-eight days, he shall not receive greater payment for relieving expenses than he would have received if he had been relieving for twenty-eight days.

(i.) An additional allowance of twenty per cent. (20%) shall be granted an officer stationed outside the areas defined in Clause 7, Subclauses (a) and (b), when travelling within such areas.

(j.) Where officers travel by steamer on which the fare paid includes sustenance an allowance of fifteen per cent. (15%) of the passage money shall be paid in lieu of the ordinary travelling allowance.

(m.) Subclauses (b), (h), and (l) will not apply until an officer has received information that his stay at one place will be of such duration as to bring him under the provisions of these subclauses.

(a.) No officer shall leave the Department until the expiration of one month's written notice of his intention so to do without the approval of the Commissioner.

(b.) One calendar month's notice shall be given by the Commissioner to any such officer whose services are no longer required, provided that this subclause shall not apply to cases of summary dismissal for misconduct, or to officers for whom the Commissioner is unable to find work, or whom he may deem it unnecessary to employ by reason of any action on the part of any of his employees, or for any cause beyond his control.

12.—*Promotions.*

(a.) Promotion or appointment to any position governed by these Regulations will be by selection. The decision of the Commissioner in all cases shall be final.

(b.) When considered necessary, a person from outside the service may be appointed to any position in the service, provided there is not an officer in the service capable of filling the position.

*Navigation of Inner Harbour Basin, Fremantle Harbour.
Passing Dredges in the Fairway.*

Notice to Mariners.

2648/20.

MARINERS and all persons navigating the Inner Harbour Basin at Fremantle, Western Australia, are hereby notified that dredges are engaged in deepening operations in the basin, and Mariners approaching these dredges must use the whistle (sound) signals laid down in Article No. 28 of the Board of Trade Regulations for preventing collisions, viz.:—

One short blast—"I am directing my course to starboard."

Two short blasts—"I am directing my course to port."

Upon which the dredge will (provided she is not showing by day a red flag or by night two vertical red lights as provided for hereunder) haul over as far as possible in the direction opposite to the side which the approaching vessel has indicated as above that she desires to use. Approaching Mariners must be careful in using these sound signals to give sufficient time for the dredge to move as indicated.

If the approaching vessel makes no signal the dredge will remain stationary.

The signals exhibited by dredges working in the fairway are as follows:—

1. When dredge exhibits a Black Ball shape by day or a Green Light under a White Light, four feet apart by night—Vessels coming in must leave dredge on their own starboard hands, and outgoing vessels must leave dredge on their own port hands.
2. When dredge exhibits a Black Diamond shape by day or a Red Light under a White Light, four feet apart, by night—Vessels coming in must leave the dredge on their own port hands, and outgoing vessels must leave dredge on their own starboard hands.
3. When dredge exhibits a Red Flag by day or two Red Lights vertically four feet apart by night, this denotes that dredge cannot be moved from her position, and if sufficient room exists for vessels to pass, the side on which they are to pass will be indicated by one of the signals detailed under No. 1 and 2 above being also shown. If, however, neither of these latter signals is shown, the dredge must not be passed till either daylight appears or definite orders have been received from the Harbour Master.

Issued by the Fremantle Harbour Trust Commissioners at Fremantle this 9th day of June, 1922.
