THE ROAD DISTRICTS ACT, 1919.

Melville Road Board.

No. 7 Loan, £2,500.

NOTICE is hereby given that the Melville Road Board proposes, pursuant to an order, approved of by His Excellency the Governor in Council (appearing in the *Government Gazette* of 27th October, 1922), under the provisions of "The Road Districts Act, 1919," to borrow the sum of Two thousand five hundred pounds (£2,500), the said sum to be raised by the sale of debentures bearing interest at £5 per centum per annum. The purpose for which such loan is to be applied is the improving of the Point Walter Reserve.

The work for which the loan is proposed to be raised will be, in the opinion of the Board, for a special benefit for a portion of the district, namely, the Bicton and Palmyra Wards, as defined in the *Government Gazette* of June 27th, 1919, and the net revenue from the Reserve will be applied to payment of interest and sinking fund, the deficiency, if any, to be raised by a loan rate levied on the rateable land within the said wards.

Interest on the said debentures is to be payable half-yearly at the Commonwealth Bank of Australia, High Street, Fremantle, and the principal moneys due thereunder are to be paid at the Commonwealth Bank of Australia, High Street, Fremantle, twenty years after the issue of the said debentures.

The plans and specifications and an estimate of the cost and a statement showing the proposed expenditure of the sum of £2,500 on the proposed works are open for inspection for one month after the publication thereof, at the office of the Melville Road Board, Canning Road, Bicton, on Mondays to Fridays between the hours of 9 a.m. and 12 noon and 1 p.m. and 3 p.m., and Saturdays from 10 a.m. to 12 noon.

Two pounds per centum on the amount of the said loan will be invested every year, in accordance with the provisions of "The Road Districts Act, 1919," to form a sinking fund.

Pending the issue of the debentures, the said amount will be raised temporarily by the issue of a debenture of short currency, at interest not to exceed 6¼ per cent. per annum.
