STANDING ORDERS.

1. The proceedings and business of the Council shall be conducted according to the following regulations, which shall be called the Standing Orders.

Chairman.

2. In the construction of this By-law, unless the context otherwise requires, the word "Mayor" shall include the Councillor chosen to preside at any meeting of the Council.

Attendance of the Public.

3. At meetings of the Council the public shall be permitted to attend in such part of the Council Chamber as shall be appropriated for their accommodation, unless at any meeting the Council direct their exclusion from that meeting.

Removal of Strangers.

4. Any person, not being a Councillor, who interrupts the orderly conduct of the business of the Council, and who does not immediately upon being called upon by the Mayor or Chairman so to do, withdraw from the Council Chamber, may, by order of the Mayor or Chairman, be removed forthwith, and such person shall be deemed guilty of an offence, and shall be liable to a penalty not exceeding five pounds.

Count Out.

5. If at any time during any meeting of the Council a Councillor shall call the attention of the Mayor to the fact that a quorum is not present, the Mayor shall thereupon suspend the proceedings of the meeting for a period of two minutes, and if a quorum be not present at the expiration of such period, the meeting shall be deemed to have been counted out, and the Mayor shall adjourn it to some future day.

Record of Councillors present.

6. At all meetings at which there are not present three Councillors and the Mayor, or four Councillors, as the case may be, or at which the Council is counted out for want of a quorum, the names of the Councillors then present shall be recorded in the minute book.

Order of Business.

(Standing Orders.)

7. After the signing of the minutes as provided for hereunder the order of business of any ordinary meeting shall be as follows, or as near thereto as shall be practicable; but for the greater convenience of the Council at any particular meeting thereof, it may be altered by resolution to that effect:—

1. *Confirmation of Minutes.*—The minutes of any preceding meeting whether ordinary or special, not previously confirmed, shall be submitted as the first business at all meetings of the Council in order to obtain their confirmation; and no discussion shall be permitted thereon except as to their accuracy as a record of the proceedings, and the said minutes shall then be signed by the Mayor as by Section 176 of the Act required.

10. Motions of which previous notices have been given.

Order of Business on Notice Paper.

11. The order of business at any special meeting of the Council shall be the order in which such business stands in the notice thereof.

Notice of Motion.

12. Any Councillor may bring forward such business as he may consider advisable in the form of a motion, of which notice shall be given in writing to the Town Clerk, either at the meeting previous to the meeting at which it is intended to move the same, or at any time thereafter, being not less than three clear days before such last-mentioned meeting.

Motion to Lapse

13. Every such motion shall lapse unless the Councillor who gave the notice thereof, or some other Councillor authorised by him in writing, be present to move the same when such motion shall be called on.

Orders of Debate.

14. The Mayor or Chairman may without leaving the Chair take part in discussion upon any question before the Council.

16. Councillors to address the Chair.

Unopposed Notices of Motion.

17. The Chairman may call over the notices of motion on the business paper in the order in which they appear thereon; and if objection is not taken to a motion being taken as a formal motion, may call upon the mover to move the same, and upon the motion being seconded may then, without discussion, put the motion to the vote.

Points of Order.

18. Any Councillor moving a motion or amendment or taking part in the discussion thereon, shall rise and address the Mayor, and shall not be interrupted unless upon a point of order, when he shall resume his seat until the Councillor raising the point of order has been heard thereon and the question of order has been disposed of, when the Councillor in possession of the Chair may proceed.

Nature of Motion to be stated.

19. Any Councillor desirous of proposing an original motion or amendment shall state the nature of the same before he addresses the Council thereon, and, if so required by the Mayor, shall put the same in writing.

Substantive Motion.

31. Upon the adoption of any amendment, such amendment shall be held to have quashed the original motion, and for all purposes of subsequent discussion the amendment so carried shall, subject to the last preceding clause, be treated as an original motion.

Method of taking Votes.

32. The Mayor shall, in taking the vote on any motion or amendment, put the question first in the affirmative and then in the negative, and he may do so as often as it is necessary to enable him to form and declare his opinion from the show of hands as to which party has the majority.

Division.

33. The Council shall vote by a show of hands, but any Councillor may call for a division upon any question, in which case the Councillors voting in the affirmative shall, until the vote is recorded, stand up, and those in the negative retain their seats; all division lists shall be entered on the minutes.

34. No Councillor shall reflect upon any vote of the Council, except for the purpose of moving that such vote be rescinded.

All Councillors to vote. Casting Vote.

FOR SALE BY TENDER.

Potash Fertiliser.

For sale, in lots to suit purchasers, 176½ tons of Roasted Kanowna Alunite, certified by analysis to contain 4½ per cent. to 5 per cent. of Potash, K₂O, in water soluble form as sulphate of potash, the corresponding percentage of pure sulphate of potash being 8.3 per cent. to 9.2 per cent. The balance is alumina with a little lime and clay, forming an inert carrier for the potash salt.

Price according to analysis at 10 per cent. below current market rates for potash (K₂O) in imported crude potash salts.

The roasted Alunite supplies a very pure potash salt free from deleterious associates often present in crude imported potash, and is being offered at a reduced price to clear the stock on hand.

Growers of fruit and of root crops requiring potash fertilisers are requested to give this local product a trial.

Tenders addressed to the Chairman, Tender Board, West Perth, will be received for the above mentioned supplies until 2.15 p.m. on the date of closing.

Tenders must be properly endorsed on envelopes, otherwise they are liable to rejection.
