encies in the Commonwealth of Aus-  
tralia.

6026/25.

WHEREAS by "The Transfer of Land Act, 1893, Amendment Act, 1896" (60 Vict., No. 22), the Governor is empowered, by Proclamation in the *Government Gazette*, to vest in His Majesty, as of his former estate, all or any lands whereof His Majesty may become the registered proprietor: And whereas His Majesty is now the registered proprietor of Lot 1 of Lot 21 of Perthshire Location Ac, registered in the Office of Titles in Volume 252, Folio 195: Now therefore I, the said Governor, with the advice and consent of the Executive Council, do by this Proclamation vest in His Majesty, his heirs and successors, Lot 1 of Lot 21 of Perthshire Location Ac aforesaid, as of his former estate.

Given under my hand and the Public Seal of the said State, at Perth, this 24th day of February, 1926.

By His Excellency's Command,

(Sgd.) W. C. ANGWIN,  
Minister for Lands.

GOD SAVE THE KING!!!

AT a meeting of the Executive Council, held in the Executive Council Chamber, at Perth, the 24th day of February, 1926, the following Orders in Council were authorised to be issued:—

*Alteration of Boundaries of Wyalkatchem Health District under the provisions of "The Health Act, 1911-19."*

## ORDER IN COUNCIL.

M.P.H. 905/20; Ex. Co. No. 664.

WHEREAS it is enacted by Section 19 of "The Health Act, 1911-19," that the Governor may alter the boundaries of any Health District constituted by the Governor under the said Act: And whereas it is desired to alter the boundaries of the Wyalkatchem Health District which was so constituted: Now, therefore, His Excellency the Governor of Western Australia, by and with the advice of the Executive Council, does hereby alter the boundaries of the said Health District in manner following, that is to say:—To extend the boundaries so as to include the townsite of Koorda with a radius of one mile from the Koorda Hotel.

L. E. SHAPCOTT,  
Clerk of the Executive Council.

*The Land Act, 1898.*

## ORDER IN COUNCIL.

Corr. No. 3814/20.

WHEREAS by Section 42 of "The Land Act, 1898," it is made lawful for the Governor to direct that any Reserve shall vest in and be held by any Municipality, Road Board, or other person or persons to be named in the order, in trust for any of the purposes set forth in Section 39 of the said Act, or for the like or other public purposes to be specified in such order: And whereas it is deemed expedient that Reserve No. 17527 (Ardath Lot No. 50) should vest in and be held by Michael James Egan, Frederick William Jacoby, and Arthur William James Brown, in trust for the purpose of a Racecourse and Recreation Reserve: Now, therefore, His Excellency the Governor, by and with the advice and consent of the Executive Council, doth hereby direct that the before-mentioned Reserve shall vest in and be held by Michael James Egan, Frederick William Jacoby, and Arthur William James Brown, in trust for the purpose aforesaid; subject, nevertheless, to the powers reserved to him by Section 41 of the said Act.

(Sgd.) L. E. SHAPCOTT,  
Clerk of the Council.

*The Land Act, 1898.*

## ORDER IN COUNCIL.

Corr. No. 13919/02.

WHEREAS by Section 43 of "The Land Act, 1898," it is made lawful for the Governor, by Order in Council, without issuing any deed of grant, to place any Reserve under the control of any Municipality, Road Board, or other person or persons, as a Board of Management, and to empower such Board to make, repeal, and alter by-laws for the control and management of such Reserves, and prescribe fees for depasturing thereon, and for other purposes, such by-laws to be approved by the Governor and published in the *Government Gazette*: And whereas it is deemed expedient that Reserves 8645 and 10393 for Commons, at Kookynie, should be placed under the control of the Menzies Road Board as a Board of Management: Now, therefore, His Excellency the Governor, by and with the advice and consent of the Executive Council, doth hereby place the before-mentioned Reserves under the control of the Menzies Road Board as a Board of Management, and doth empower such Board to make, repeal, or alter by-laws for the control and management of the said Reserves; for prescribing fees for depasturing thereon; for directing the manner in which such fees shall be imposed, paid, collected, and disposed of, and to impose penalties not exceeding in any case £5 for any breach thereof, and £2 a day for a continuing breach, but not more than £20 in the aggregate.

(Sgd.) L. E. SHAPCOTT,  
Clerk of the Council.

AT a meeting of the Executive Council, held in the Executive Council Chamber, Perth, this seventeenth day of February, 1926, the following Orders in Council were authorised to be issued:—

*The Government Railways Act Amendment Act, 1907.*

## ORDER IN COUNCIL.

WHEREAS by "The Government Railways Act Amendment Act, 1907," it is provided that the Governor may from time to time by Order in Council published in the *Government Gazette* declare that any branch, spur, or other Railway shall be a district railway: And whereas it is desirable that the undermentioned branch or spur railway should be declared a district railway: Now, therefore, His Excellency the Governor of Western Australia, by and with the advice and consent of the Executive Council, does hereby declare that the branch railway known as the Lake Grace-Newdegate Section, 39 miles 2 chains, or thereabouts, and running from Lake Grace-Newdegate, shall be a district railway.

(Sgd.) L. E. SHAPCOTT,  
Clerk of the Executive Council.

*The Traffic Act, 1919.**Capel Road Board.*

## ORDER IN COUNCIL.

P.W. 1486/25.

WHEREAS under the provisions of "The Traffic Act, 1919," the Governor may by Order in Council empower a local authority to exercise within its district any power of making regulations which the Governor can exercise under Division 4 of Part IV. of the said Act: And whereas it is advisable to empower the Capel Road Board to prohibit the passage of heavy traffic over specified roads within its district and to define what shall be deemed heavy traffic for such purpose: Now, therefore, His Excellency the Governor, with the advice and consent of the Executive Council, under the provisions of the said Act and all other powers enabling him in this behalf, doth hereby empower the Capel Road Board by a By-law to prohibit the passage of heavy traffic over any specified roads within its district, and to define what shall be deemed heavy traffic for that purpose and to impose a penalty not exceeding £20 for the breach thereof.

L. E. SHAPCOTT,  
Clerk of the Council.

*The Metropolitan Water Supply, Sewerage, and  
Drainage Act, 1909.*

ORDER IN COUNCIL.

M.W.S. 173/26.

WHEREAS by "The Metropolitan Water Supply, Sewerage, and Drainage Act, 1909," it is provided that, subject to the provisions of the Act, the Minister of Water Supply, Sewerage, and Drainage shall, with the approval of the Governor, have power to construct and extend water works, sewerage works, and stormwater drainage works: And whereas it is further provided that the Governor may exempt reticulation works from certain sections of this Act: Now, therefore, His Excellency the Governor, with the advice of the Executive Council, hereby approves of the construction and extension by the Minister of Water Supply, Sewerage, and Drainage of the following works under the said Act, and does hereby exempt such works from the operations of Sections 20, 21, 22, and 23 of the said Act.

*Description and Location of Reticulation Works  
approved and exempted.*

## LAND OPEN FOR SELECTION.

IT is hereby notified, for general information, that the areas scheduled hereunder will be available for selection under "The Land Act, 1898," and its amendments, on and after the dates set out in the schedules.

The areas marked "A" shall be open for selection by the special classes of selectors hereinafter named in the following order of preference:—

- (1) Under "The Discharged Soldiers' Settlement Act, 1918," by "Discharged Soldiers" within the meaning of paragraphs (a), (b), and (c) of the interpretation of the term in Section 3 of that Act, and "Dependants" within the meaning of that term in the said section.
- (2) Under "The Land Act, 1898," by ex-British Soldiers who were on active service in the late war.
- (3) Under "The Land Act, 1898," by Munition Workers in the late war.
- (4) Under "The Land Act, 1898," by ordinary selectors.

(In the event of an applicant other than a Discharged Soldier under subparagraph (1) obtaining a block within a Repurchased Estate, the term of the lease and conditions of payment will be subject to re-adjustment in accordance with the provisions of "The Agricultural Lands Purchase Act, 1909.")

The areas marked "B" are not subject to such order of preference.

The areas marked thus \* are open under Part VI.

Applications must be lodged at the Local Land Office for the district in which the land is situated, and should be lodged on or before the date specified.

All applications lodged on or before such date will be treated as having been received on the closing day, and if there are more applicants than one for any block the application to be granted will be determined by the Land Board, except in cases where it is already determined by the order of preference set out above under "A." Should any lands remain unselected such will continue available until applied for or otherwise dealt with.

If a Land Board sitting becomes necessary, the applicants for the blocks will be duly notified of the date, time, and place of the meeting of the Board, and there shall be an interval of at least three days between the closing date and the sitting of the Board.

If an applicant wishes to appear before the Land Board in person he may apply to the Head Office or to the Clerk in Charge of any of the District or Branch Land Offices for a certificate to the Railway Department which, on presentation at the nearest Railway Station, will entitle him to a Return Ticket, at Excursion Rates, to the place where the Board will sit, available for seven days from the date of issue.

The selector of a Homestead Farm from any location available under Part VIII. must take the balance thereof, if any, under Conditional Purchase.

*The prices quoted hereunder (exclusive of the value of improvements, if any, and survey fees, and land acquired by the Crown under "The Agricultural Lands Purchase Act, 1909," or otherwise for settlement) are reduced by one-half to Discharged A.I.F. Soldiers only.*

3. No person shall keep, manage, or conduct any movable or temporary fixed stall in or near any street for the sale of meat, fruit, vegetables, drinks, eatables, or articles of clothing or merchandise without having obtained a license from the Board, and payment of the license fee as set forth in this By-law.
4. Any place, tent, or other temporary structure wherein goods are exposed or offered for sale shall be deemed a stall within the meaning of this By-law.
5. License for "hawkers" shall be in the Form "G" in the schedule and for stalls in the Form "H" in the schedule hereto attached.
6. Every hawker whilst employed in hawking must produce his license upon being required by any constable or officer of the Board, and shall at all times have affixed to some conspicuous part of his cart, barrow, basket or vehicle a board or plate bearing his name and the words "Licensed Hawker" legibly written thereon in letters not less than one inch in length.
7. No licensed stall shall be placed or allowed to stand in any street or position other than that allowed by the Board and endorsed on such license.
8. No person to whom a hawker's license or stall-holder's license shall have been granted shall lend, transfer, or assign his license, and no person shall borrow or make use of any such license granted to a person other than himself.

9. The following fees shall be paid for licenses issued to hawkers and stall-holders, and shall be paid in advance, and if any payment be not made when due the license shall be void:

10. Hawker's License.—(a) For every hawker with hand basket or tray, 12s. per half-year. (b) For every hawker with wheelbarrow or hand cart, 15s. per year. (c) For every hawker with motor vehicle or with vehicle drawn by horse or other animal power, 15s. for every three months.

11. Stall-holder's License.—For every stall the license fee shall be fixed from time to time by the Board, but in no case shall the fee be less than 10s. per week, payable in advance.

Any person offending against the provisions of this By-law shall forfeit or pay, on conviction, a penalty not exceeding Ten pounds.

Schedule.

YILGARN ROAD DISTRICT.

*Description of Ward Boundaries.*

*Southern Cross Ward.*

Bounded on the Northward by lines commencing at the North-West corner of Yilgarn Agricultural Area Lot 12 and extending East along the North boundary of said Lot 12 and the North boundaries of Lots 13 to 16 inclusive to the North-East corner of the last mentioned lot.

On the Eastward by lines commencing at the said North-East corner and extending Southward along the East boundaries of Lots 16, 7, 6, 3, and 2 to the South-East corner of the last mentioned.

On the Southward by lines commencing at the last mentioned South-East corner and extending Westward along the North boundaries of Lots 43 and 82 and the West boundary of the latter, a West and a North boundary of Lot 83 to its North-West corner.

On the Westward by lines commencing at the said North-West corner and extending Northward along the Southern Cross Townsite boundary to the Southern corner of Yilgarn Agricultural Area Lot 49 and along the South-Western boundaries of Agricultural Area Lots 49 and 48, the South-East boundary of Lot 13 and again following the Townsite boundary to the production South of the West boundary of Agricultural Area Lot 11 and along said production and West boundary and the West boundary of Agricultural Area Lot 12 to the starting point.

(To be represented by two members.)

*West Ward.*

Bounded on the Northward by lines commencing at the intersection of the Western boundary of the District with the production West of the North boundary of Hope's Hill Timber Reserve (F. 8/25) and extending Eastward along said production and the West and part of the South boundary of said timber reserve to intersect the production North-Westward of the North-Eastern boundary of Yilgarn Location 440.

On the Eastward by the latter production and the said North-East boundary and the North-East boundaries of Locations 439, 438, and 437, part of the South-East boundary of Location 435, and the North-East boundary of Jilbadji Location 304, North-East boundaries of Locations 203, 207, and 210 and the South-East boundary of the lattermost, part of the North-East boundary of Location 211, the North-East boundary of Location 216 and its production South-Eastward to intersect the production Eastward of the South boundary of Location 352.

On the Southward by lines commencing at the last mentioned intersection and extending Westward along the said production and South boundary and the South boundary of Location 353, part of the East and the North boundaries of Location 330, the North and part of the West boundaries of Locations 333 and 338 and the North boundaries of Locations 341 and 335 and to and along the South boundary of Location 243 and Westward to intersect the District boundary.

On the Westward by the District boundary to the starting point.

(To be represented by two members.)

*North Ward.*

Bounded on the Westward, Northward, and Eastward by parts of the District boundaries from the intersection with the North boundary of the West Ward to the Northern side of the Eastern Goldfields Railway Reserve.

On the Southward by the said side of the Railway Reserve, part of the East, the North, and part of the Western boundary of the Southern Cross Ward and again by the Northern side of the Railway Reserve to the Eastern boundary of the West Ward; thence by part of the Eastern and the North boundary of the West Ward to the starting point.

(To be represented by two members.)

*South Ward.*

Bounded on the Northward by parts of the boundaries of the West, Southern Cross, and North Wards from the West to the East boundary of the District.

On the Eastward, Southward, and Westward by part of the District boundaries to the starting point.

(To be represented by one member.)

## THE ROAD DISTRICTS ACT, 1919.

*South Perth Road Board.*

Ex. Co. 471; P.W. 376/23.

IT is hereby notified, for general information, that His Excellency the Governor in Council has approved of the attached By-laws of the South Perth Road Board, in accordance with the provisions of "The Road Districts Act, 1919."

C. A. MUNT,

Under Secretary for Works and Labour.

## SOUTH PERTH ROAD BOARD.

*By-laws relating to Building.*

Whereas by "The Road Districts Act, 1919," the Road Board of any District is empowered to make By-laws for all or any purposes in the said Act mentioned, the South Perth Road Board, in pursuance of the powers vested in the said Board under and by virtue of the said Act and of every other authority enabling it in that behalf, doth hereby make and publish the following By-laws:—

*Interpretation.*

"Act" means "The Road Districts Act, 1919."

"Basement" means a storey or portion of a storey partly below the level of the ground, the ceiling of which is not less than 5 feet above the adjoining ground (irrespective of any excavation made to comply with these By-laws).

"Cellar" means a storey or portion of a storey below the ground level, the ceiling of which is less than 5 feet above the adjoining ground.

"Cement mortar" means a mortar composed of one part of cement to three or fewer than three parts of sand.

"Commercial building" means a building used or constructed or adapted to be used wholly or in part for commercial purposes.

"Dwelling-house" means a building used, constructed, or adapted to be used wholly or in part for human habitation, but does not include other than the dwelling-house portion (if any) of a commercial building.

"District" means the South Perth Road District.

"Habitable room" means any living room, and includes all rooms intended or adapted to be used for the purpose of sleeping or eating or the cooking of food.

"Wall"—

"Divisional wall" means a wall (other than an external or party wall) which subdivides any floor of a building and carries any load in addition to its own dead weight.

"External wall" means an outer wall of a building, not being a party wall, even though adjoining a wall of another building.

"Partition wall" means a wall subdividing any floor and not carrying any load other than its own dead weight.

"Board" means the South Perth Road Board.

"Surveyor" means the person appointed by the Board for the time being as Building Surveyor or acting Building Surveyor for the South Perth Road District.

1. *Applications, Plans, and Notices.*

Before the erection of a building is commenced two copies of the plans and specifications, and an application in writing for approval thereof, shall be submitted to the Board.

Provided that the Board may, if it see fit, dispense with the necessity for the submission of plans and specifications, and reduce or dispense with the payment of a fee with any application for approval to make minor alterations in an existing building, or to erect a building to be used exclusively for the purpose of a greenhouse, conservatory, summerhouse, private boathouse, fuel shed, tool house, cycle shed, aviary, verandah, or the like; Provided also that any building (other than a verandah or an aviary) used or intended to be used for the keeping of domestic animals shall be wholly detached from any dwelling-house: Provided also that where it is desired to make some minor alteration to a building not materially affecting its stability, lighting, ventilation, or size of rooms, the application may in the first place be made without submitting plans and specifications, which shall, however, be submitted if the Board so require.

The application shall describe the building and show the purpose for which the building is to be used.

The plans shall consist of a general plan and elevations, and a block plan. The block plan shall show the relation of the building to the boundaries of the site and to other buildings or structures thereon.

The specification shall describe the construction and materials of which the building is to be built, and the method of drainage, sewerage, and water supply, and state whether the materials will be new or second-hand, and if second-hand materials are to be used shall give particulars.

When giving approval the Board may impose a condition that forty-eight hours' notice shall be given prior to the covering of any or all of the following works in order that they may be inspected, that is to say, trenches before foundations are laid, foundations before trenches are filled in, and drains before they are covered in.

2. *Fees and Permit.*

No person shall commence any building, erection or structure, or any addition or alteration to any building, erection or structure without having first obtained from the Surveyor a written permit for the commencement of same, and without having first paid to the Board the fees in respect thereof set forth in these By-laws.

Each building, erection or structure must be completed within twelve months from the date of issue by the Board of the permit therefor. The fees payable in respect of buildings, erections or structures shall be at the rate of one shilling per 100 square feet of floor area, provided that no fee shall be less than 2s. 6d.

3. *General Provisions.*

Each building in a terrace of buildings or in a pair of semi-detached buildings shall be deemed to be a separate building for the purpose of this By-law.

Every building shall be provided with one or more proper manholes in the ceilings so as to give access for electrical and other fitting.

4. *Site—Healthiness of.*

A person shall not, without the written permission of the Board, erect a building upon any site which shall have been filled with any material impregnated with faecal or with animal or vegetable matter, or upon which any such matter may have been deposited, unless and until such matter shall have been properly removed by excavation or otherwise from such site, and depressions filled in with clean soil.

Every person who shall erect a building shall cause the subsoil of the site of such building to be effectually drained wherever, in the opinion of the Board, the dampness of the site renders such a precaution necessary.

No person shall commence to build any structure without having first provided proper and sufficient sanitary accommodation to the satisfaction of the Board for all persons engaged or employed upon such structure.

Motor garages not exceeding three hundred square feet in floor area may be built in iron, brick, stone or concrete, or other non-inflammable material anywhere in the district, provided that the Board may require—

- (a) that any such motor garage be 50 feet distant from the frontage of any road or street (except in special cases where the physical configuration of the ground precludes such distance being observed);
- (b) that any such motor garage be 5 feet distance from the frontage of any other road or street;
- (c) That any such motor garage be 10 feet distant from any building used as a dwelling-house on the same allotment or on any allotment adjoining;
- (d) that the motor garage complies otherwise with all the conditions and limitations of this By-law in regard to buildings.

Fowl-houses of not more than two hundred square feet in area, and not more than 6 feet in height, may be erected at rear of any dwelling, provided that the nearest portion of such fowl-house is at least 30 feet from any building used as or intended for a dwelling, and at least 4 feet from the boundary of land not in the same occupation.

Fowl-houses of larger area may be erected if at a distance of at least 50 feet from any street and 40 feet from any dwelling-house and at least 4 feet from the boundary of land not in the same occupation, provided that the roof and walls are covered with galvanised iron or other fire-resisting material, approved by the Surveyor, and that the building shall not be more than 7 feet high.

The Board may refuse or postpone approval to build upon a site which is unhealthy by reason of its liability to dampness, unless and until the site has been rendered dry, sound, and well drained to the satisfaction of the Board.

If the Board so direct in any particular case, the whole or part of the ground surface or site of a dwelling shall be covered with a layer of good cement concrete, or tarred metal, rammed solid, and at least 4 inches thick.

##### 5. *Position of Building Site.*

No building which is intended to be used or which shall be used as a dwelling-house and no addition to any such building shall be built, constructed or erected within a distance of twenty feet measured horizontally from the building line of the street or road the building is intended to or shall front.

Except as hereinafter provided no building with an external wall of wood which is intended to be used or which shall be used as a dwelling-house, and no addition with an external wall of wood to any building which is intended to be used or which shall be used as a dwelling-house shall be built, constructed or erected—

- (a) within a distance of four feet measured horizontally of any street, road, lane or right-of-way at the side of any such building; or
- (b) within a distance of four feet measured horizontally of any land not in the same possession or occupation. Provided always that any such building or addition may abut on the building line of any street, road, lane, or right-of-way at the side of such building or be less than the prescribed distance therefrom or from land not in the same possession or occupation or from a building or erection with an external wall of wood, provided that the wall or walls which abut on or face within the prescribed distance such street, road, lane or right-of-way or land or building or erection, as the case may be, shall be of concrete at least six inches in thickness or of brick or stones at least 8½ inches in thickness projecting in all cases at least one inch beyond the woodwork front and back and at least one foot six inches through the roof covering of gutter adjoining the same.

##### 6. *Access to rear.*

Where there is no public and convenient access to the rear of the site of any building for the removal of night soil the building shall be so designed as to leave outside the building a way of access at least four feet wide from a public road to the privy closet, and for the removal of garbage and refuse.

##### 7. *Outbuildings.*

In the case of an application to erect (as appurtenant to any building) any outbuilding from the use of which unpleasant noises, unpleasant odours, or unusual risk of fire may reasonably be expected to arise, the Board may determine in what position upon the allotment such outbuilding may be erected.

##### 8. *Materials.*

The Board may define any portion of its District and by resolution prohibit the erection within that portion of buildings with external walls of materials other than brick, stone, or concrete, or the like materials.

##### 9. *Tents—Canvas Buildings.*

The Board may grant, subject to conditions, or refuse permission to erect a structure of calico, canvas, or other textile material, and if any such structure is erected without the Board's permission, may order its demolition.

##### 10. *Materials and Workmanship.*

Materials which have been used in the construction of any cesspit, drain, or sewer, or which for any other reason are dangerous to health, shall not be used in the erection of any building.

Faulty or unsuitable materials shall not be used in any building.

Every part of a building shall be erected and finished off in a good and workmanlike manner.

Bricks used in any buildings shall be good, hard, and well burnt, and if old or second-hand shall be thoroughly cleaned and approved by the Board in writing before being so used.

All brick or stone chimneys shall be constructed of ample flue, to be well plastered or pargetted inside for the full height, and no timber of any description will be allowed to be built into the brickwork. The Board may give authority to erect iron chimneys, but in the erection they shall be laid on either stone or concrete base and free from all woodwork.

Hearths of stone, brick, cement, or iron of approved dimensions shall be placed in front of all fireplaces.

##### 11. *Testing Materials.*

The Board may test any building materials, and prohibit the use of such materials as are proved unfitted for the purpose for which they were intended to be used.

##### 12. *Timber Construction.*

All timbers used in any buildings shall be of good sound material free from rot, free from large and loose knots, and free from shakes, and free from any imperfections whereby the strength of the timber may be impaired.

The following conditions shall apply as to spacings and scantlings of timber:—

- (i) Stumps shall be not less than 4in. x 4in. jarrah or other approved timber, spaced 5 feet centre to centre, and fixed on 6in. x 1½in. sole plates. Stumps shall be tarred and sunk at least half their length in the ground, provided that no stumps shall be less than 2 feet in the ground. Tarring is to extend for 6 inches above the ground surface.
- (ii) Studs and ceiling joists shall not be less than 4in. x 2in., spaced not more than 2 feet apart centre to centre, properly secured and braced. Studs and ceiling joists of 3in. x 2in. may be used provided they are spaced 18in. apart centre to centre, properly braced and secured. Where studs of 3in. x 2in. are used the angle or corner studs shall be of 3in. x 3in.; where 4in. x 2in. studs are used the angle studs shall be of 4in. x 4in.
- (iii) Rafters shall be not less than 3in. x 2in., spaced not more than 3 feet centre to centre in the case of iron roofs, and 18 inches centre to centre in the case of slate, tile or other similar roofs; 4in. x 2in. rafters may be used, but must be spaced at 2ft. centres for slates or tiles and not more than 3ft. apart for any type of roof. All rafters must be securely braced with purlins and collar ties.
- (iv) Floor joists shall not be less than 4in. x 2in., spaced 18in. apart centre to centre.
- (v) Floor bearers shall be not less than 4in. x 3in., spaced not more than 5 feet apart.

In addition to the bearers required for this spacing an additional bearer of 4in. x 3in. must be placed under each wall or partition.

No framing timber in any building shall be notched or checked out to receive bracing or otherwise so as to reduce its cross sectional area more than one-sixth.

##### 13. *Awnings and Verandahs.*

The Board may require that any or all awnings or verandahs proposed to be erected over a public place shall be of the cantilever type. No verandah shall be enclosed for living or sleeping purposes without the Board's written consent.

##### 14. *Footings.*

Every person who shall erect a building of brick, stone, or the like shall construct every wall of such building, unless built upon a hard rock foundation, to rest upon proper footings, or upon a sufficient beam.

He shall cause the projection of the bottom of the footing on each side of such wall to be at least equal to one-half the thickness of the wall at its base, unless an adjoining wall interferes or unless the wall is upon the boundary of the land, in which case the projection may be omitted on the side of the boundary, or where the wall adjoins.

He shall also cause the diminution of the footings to be in regular offsets unless the footings be of concrete.

The height from the bottom of such footings to the base of the wall shall be at least equal to two-thirds of the thickness of the wall at its base: Provided that when the footings are of reinforced concrete the Board may permit the height to be less: And provided further that it shall not in any case be less than 12 inches.

Footings to walls of brick in cement mortar (3 to 1) shall be the same width and height as those to walls of the same thickness not built in cement mortar.

Vermis plates shall be provided to all walls other than brick, stone, or concrete.

#### 15. *Dampcourse.*

Every person who shall erect a building shall provide and insert damp-proof courses of lead, slate bedded in cement, or natural asphalt: Provided that the Board may permit the omission of damp-proof courses from sheds, outbuildings, and the like structures.

Where material which is not slate, natural asphalt, or lead of a minimum weight of 2 pounds per square foot under walls not exceeding 40 feet in height, or 3 pounds per square foot under walls exceeding 40 feet in height is desired to be used the applicant shall submit to the Board evidence that the material to be used has been approved by the Board of Health, or, failing such evidence, that the material is a good and effective damp-proof course.

Damp-proof courses shall be inserted in walls to their full width and in such manner that there shall be no open spaces, cracks, or gaps in the damp-proof courses along the full length of the walls.

Damp-proof courses shall be inserted in walls in such positions and in such manner that—

- (a) Moisture from the earth shall be prevented from reaching the lowest floor timbers or the walls above the underside of the lowest floor joists, or, where solid floors are laid, shall be prevented from reaching higher than 3½ inches above such floors;
- (b) where floors are below outside ground level, moisture shall be prevented from reaching inner face of outer walls;
- (c) where cavity walls are used, moisture penetrating outer portion of walls shall be prevented from reaching the floor timbers, or the inner portion or face of all walls above the underside of the lowest floor timbers, or, where solid floors are laid, shall be prevented from reaching higher than 3½ inches above such floors;
- (d) Moisture penetrating the chimney, parapet, or other walls above roof shall be prevented from reaching in any part the inner walls or the inner portion of inner face of outside walls below the upper side of the ceiling joists in either case;
- (e) Moisture penetrating the outer portion of cavity walls shall be prevented from reaching the inner portion or inner face of such walls above or about window, door, and other frames or openings.

In cavity walls the cavity shall extend not less than 6½ inches below damp-proof course.

This clause shall apply to walls constructed of brick, stone or concrete, and to walls of any material readily permeable by water.

#### 16. *External Walls—Structure.*

Every person who shall erect a building shall cause the external walls thereof to be constructed of brick, stone, concrete, timber or other material approved by the Board.

If built of brick, stone, concrete or the like, the external walls shall, except where herein provided to the contrary, be not less than 9 inches in thickness: Provided that the walls of sheds, laundries, outhouses and the like, not exceeding 10 feet in height, may, if the Board so permit, be of 4½ inches thickness.

Cavity walls may be built, provided the two sections are securely tied together by a sufficient number of wire ties or other effective method, and when used the combined thickness of the inner and outer parts shall be deemed to be the thickness of the wall.

Bottoms of all cavities shall be carefully raked out before the completion of the building and all ties kept free from mortar droppings.

Where cavity walls are used weep-holes shall be left at foot of cavity not more than 6 feet apart, and over all damp-proof courses inserted to protect walls weep-holes shall be left not more than 3 feet apart.

Notwithstanding anything to the contrary in this clause, the Board may permit the erection of dwellings not more than two storeys in height of concrete with walls of less than the prescribed thickness, if satisfied that such proposed dwellings will be hygienic and structurally sound.

#### 17. *Party Walls.*

Two but not more residences may be erected together in one block provided that they shall be separated from each other by a wall of concrete or of brick or stone at least eight and a half inches in thickness projecting in the case of wooden houses at least one inch through the woodwork front and back, and in all cases projecting one foot six inches at least through the roof covering or gutter adjoining the same, whether belonging to the same owner or not. Each building or dwelling-house in a block shall be subject to the provisions of this By-law applicable to its class save that the site or curtilage of each of such buildings shall have a superficial area of at least four thousand square feet and a frontage of at least 33 lineal feet to a street or road.

#### 18. *Rooms (size)—Cubic space.*

Every person who shall erect a building shall provide that—

- (a) the areas of the floors of all the habitable rooms in such building shall, taken together, average not less than 100 square feet per habitable room;
- (b) a habitable room shall not in any case have a floor area of less than 80 square feet; and
- (c) a habitable room shall not, in any case, have a cubic space of less than 720 cubic feet: Provided that in each dwelling-house and in each flat of a residential flat building there shall be at least one habitable room the cubic space of which shall be not less than 1,296 cubic feet.
- (d) No main room in any building shall be less than 10 feet 6 inches in height from floor to ceiling.
- (e) All shops shall have a clear space of 12 feet 6 inches from floor to ceiling.

#### 19. *Height—Rooms in roof.*

Every habitable room which is wholly or partly in the roof of a building shall, in the case of an attic room above the ground floor, be for at least two-thirds of the area of the floor not less than 9 feet in height, and shall not in any part be less than 5 feet in height; and, in the case of any other room, shall be for at least three-fourths of the area of the floor not less than 9 feet in height, and shall not in any part be less than 7 feet 4 inches in height.

#### 20. *Other rooms.*

Every habitable room which is not a room wholly or partly in the roof of a building shall be not less than 9 feet in height: Provided that bays, inglenooks, and recesses for furniture may be added to such rooms with ceilings of a less height than 9 feet, but the ceilings of such bays and inglenooks shall not be less than 6 feet 8 inches in height.

#### 21. *Rooms for places of assembly.*

A building in which there is a room designed, intended, or adapted to be used for the assembling of persons for any purpose, such room being situated upon the first or any higher floor above the ground floor and having a floor area of 450 or more superficial feet, shall be designed and constructed in compliance with the following provisions in addition to the general provisions in this Part.

If the room be on the first floor it shall be provided with at least two exits. If the room be on the second or any higher floor above the ground floor it shall be provided with at least two exits, and there shall also be provided two staircases leading from the ground floor to the floor on which the room is situated, or one such staircase and a fire escape.

Such exits and staircases and the passages connecting them shall be of a total width calculated in the proportion of 20 inches for every 600 superficial feet of floor area, or fraction thereof, in such room; but no passage, stair, or exit shall be less than 3 feet 6 inches in width, not more than 10 feet in width.

Such stairs shall be uniform throughout with risers not more than 7 inches high and treads not less than 10 inches wide exclusive of nosings, if any. Each flight of stairs shall contain not less than three nor more than fifteen risers. There shall be hand-rails on each side securely fixed, and staircases over 6 feet in width shall have a centre hand-rail.

The stairs and landings shall be of such strength as to be capable of carrying with absolute safety the largest number of people who may reasonably be expected to use them at one time.

All doors used as exit doors from any such room shall, except where otherwise approved, be hung in two folds fitted with "panic" bolts and be made to open outwards towards the thoroughfare or way. All doors between such rooms and the open air shall be hung so as not to obstruct when open any gangway, passage, staircase, or landing. A door shall not open immediately upon a flight of steps, but a landing of at least equal depth to the width of the door shall be provided between such steps and such doorway.

#### 22. *Lighting and Ventilation—Under Floors.*

For the purpose of ventilation every building shall be so erected that there shall be, between the underside of every joist upon which the lowest floor of such building is laid and the ground surface or upper surface of the asphalt or concrete with which the ground or site of the building may be covered, a clear space of 12 inches at least in every part; and such space shall be thoroughly ventilated and cross-ventilated by means of suitable and sufficient air-bricks or other effectual method: Provided that where the lowest floor is so constructed (by filling with concrete, asphalt, or other approved material) as not to permit the harbouring of rats, this provision shall not apply.

#### 23. *Rooms—Air-bricks, louvres, etc.*

Every room of a building shall be so constructed that for every 1,000 cubic feet or part thereof of air space in the room there shall be 24 square inches at the least of unobstructed ventilation to the outer air by means of air-bricks situated at or near the level of the ceiling or any other efficient means.

#### 24. *Rooms—Windows.*

Every habitable room, or room or alcove, in which food is intended or likely to be stored or prepared, and every bathroom, enclosed laundry, and privy-closet shall have at least one vertical window opening directly to the outside air. One-half at least of such window shall be constructed to open to its full extent, and so that the opening may extend to the top of the window: Provided that in a pantry any other system of ventilation may be substituted for windows if the Board be satisfied that such system is equally efficient.

#### 25. *Bedrooms—Additional ventilation.*

In every bedroom or room intended or adapted to be used for sleeping and having only one window there shall be provided cross ventilation by means of at least 24 square inches of unobstructed opening in some wall of the room other than that in which the window is situated. Such opening may be by an additional window, fire-place, faulting, air-brick, or any suitable means.

#### 26. *Height of windows.*

The top of a window of an enclosed laundry or of a kitchen or alcove or room in which food is intended or likely to be stored or prepared shall not be less than 6 feet 8 inches from the floor.

#### 27. *Size of windows.*

The window or windows of any room shall have a superficial area (clear of the sash frame) not less than one-tenth of the floor area of the room, or (if the following size be greater than one-tenth of the floor area) not less than 10 square feet for the windows of a kitchen or alcove or room in which food is intended or likely to be prepared, not less than 6 square feet for the windows of an enclosed laundry, not less than 3½ square feet for the windows of a bathroom, not less than 2 square feet for the window of a privy-closet, and not less than 1½ square feet for any other room.

#### 28. *Laundries and kitchens.*

A dwelling of any kind shall not be erected with the kitchen and laundry combined in one room.

#### 29. *Windows.*

Any window the top of which is more than 12 feet above either the ground or any external flat surface or slightly sloping roof sufficient for safety shall be so constructed that it can be cleaned from the interior of the building.

#### 30. *Drainage—Levels.*

Every person who shall erect a building shall construct the lower storey of such building at such a level that, in the opinion of the Board, it may be practicable to construct a drain sufficient for the effectual drainage of such building.

No person shall build or erect or cause or permit to be built or erected any building, erection, tent, or addition to any building, erection, or tent on any land unless and until such building, erection, tent, or addition and the site and curtilage thereof can be pro-

perly drained, and the Board may refuse permission to build and erect any building, erection or tent or addition unless and until it is satisfied that the proposed building, erection, tent or addition and the site and curtilage thereof can be properly drained. No water is to be discharged on to the surface of any footpath.

#### 31. *Miscellaneous.*

The Board may permit the enclosure and use of any public place in connection with the building or taking down of a building, or the alteration or repair of a building.

#### 32. *Skylights.*

The Board may order the alteration or repair or both of any skylight in any building if such skylight be, in the opinion of the Board, in such a condition as to be detrimental to health or dangerous.

#### 33. *Existing Buildings.*

If in the opinion of the Board any building has been allowed to fall into an unsafe or insanitary condition, either by faulty construction or any other cause, the Board may give notice in writing to the owner or occupier to repair said building, and in the event of no action being taken within seven days by the said owner or occupier to remedy any defect complained of in the said notice, the said owner or occupier shall be liable to a fine, as hereinafter provided, until such time as the building shall be placed in a safe and sanitary condition, and the owner or occupier will be liable for all charges incurred in doing the necessary works, and, moreover, if in the opinion of the Board any building does not warrant the expense of repairing, the owner, after receiving notice, shall remove the building within seven (7) days; failing this he will be liable to a fine, as hereinafter mentioned, to remove the building after receiving the notice; the Board may remove same and charge the owner with the cost of so doing and recover the same in any court of competent jurisdiction and/or sell the material to cover the cost of taking down.

#### 34. *Removal of Buildings.*

No building or erection shall be removed into and erected or re-erected in the Road District or removed from one part of the district to and erected or re-erected in another part thereof unless the owner or person carrying out the removal first obtain written permission from the Board so to do. Before such permission shall be granted not less than seven (7) clear days' notice in writing shall be given to the Board or the Surveyor of the desire to remove and erect or re-erect such building or erection.

Such notice shall contain or be accompanied by the following:—

- (a) Particulars of the situation of building which it is proposed to remove.
- (b) Particulars of the situation of and a plan of the land upon which it is proposed to erect or re-erect or place such building, showing the proposed position thereon, and a tracing copy of such plan to be retained by the Board.
- (c) A plan giving the dimensions of the building and any proposed alterations or additions thereto and a tracing copy of such plan to be retained by the Board.
- (d) A specification giving particulars of the construction of the existing building and of the alterations and additions (if any) which it is intended to make when the building is erected or re-erected.
- (e) Evidence satisfactory to the Board that such house has not been condemned as dilapidated, insanitary or unfit for human habitation, and a certificate from the Health Officer of the Road District from which the building is proposed to be removed that within a reasonable time prior to date of removal no case of disease of an infectious or contagious nature has occurred therein.
- (f) Such further particulars in writing regarding the same as shall be sufficient to enable the Board or its Surveyor to determine if all the provisions of any Act of Parliament, By-law or Regulation applicable thereto are or will be complied with.

No written permission shall be given unless such removed building when erected or re-erected shall comply with the provisions of this By-law as applicable to new buildings.

No building or erection that has been condemned as dilapidated, insanitary or unfit for human habitation shall be removed into or re-erected within the Road District.

No building or erection in which any case of infectious or contagious disease has occurred during the preceding six months shall be removed into or re-erected within the Road District.

No removed building shall be occupied until the Surveyor shall have certified in writing that all the provisions of this By-law have been observed and complied with in respect of such building.

Nothing herein contained shall prevent the alteration of the position of any building within the boundaries of the land on which the same stands, provided that in its altered position it shall comply in all respects with this By-law, and that in the progress of such removal the building be not taken on to any street, road or public place.

No dwelling shall consist of less than three main rooms of a total of not less than 300 square feet, and no building or rooms thereof shall be occupied for living purposes until at least three main rooms shall have been completed according to the plans and specifications submitted to and approved by the Board.

The Board may in special cases grant permission for the erection of a dwelling-house containing not less than two rooms.

#### 35. *Proportion of site which may be covered.*

A dwelling-house, together with its appurtenances, to be erected on an allotment, shall not occupy more than two-thirds of such allotment, and the minimum of unoccupied area shall not be less than 500 superficial feet: Provided that this shall not prevent the Board from granting approval to the erection of a dwelling-house occupying more than two-thirds of an allotment, or with a minimum of unoccupied area of less than 500 superficial feet, in replacement of an existing dwelling-house which occupies more than two-thirds of that allotment, or has a minimum of unoccupied area of less than 500 superficial feet, as the case may be.

Provided also, that where situated on a site considered by the Board to be an established shopping locality, the Board may permit a building which is to be a shop and dwelling combined to occupy not more than four-fifths of the allotment, subject to the unbuilt upon area being not less than 500 square feet.

Provided also that a garage erected at a low level, the roof of which serves as a portion of the garden, yard, or court, shall not be included as a building in calculating the proportion of the area of the allotment that may be occupied by a building.

After the adoption of this By-law all subdivisions or re-subdivisions of allotments must be such as to have a frontage to a street or road of not less than 50 lineal feet and a depth of not less than 140 lineal feet. Such subdivisions or re-subdivisions must be lodged with the Board for approval before commencing to build and shall apply throughout the whole of the South Perth Road District.

No shop shall be built on land having a frontage of less than 18 feet to a street or road and an average depth of 130 feet. There shall be back access from right-of-way 10 feet wide at least. For the purposes of this clause the Board may agree to a subdivision with frontages less than 50 feet, but notwithstanding any such approval no dwelling shall be erected upon the subdivided land except in accordance with these By-laws.

No land upon which any dwelling-house has been erected shall thereafter be reduced in area below the minimum area prescribed by this By-law. Provided always that notwithstanding anything hereinbefore provided to the contrary the Board may on application in writing setting forth the grounds of the application, under special circumstances, and for special causes, and at a meeting of which due notice has been given to each member declare that the provisions of this By-law either in whole or in part shall not apply to any particular area of land.

No building shall be erected in such a position that it shall lie between another building or any part thereof and street unless such other building has a direct and unobstructed access to some other street at least 16 feet wide.

#### 36. *Space outside windows on side land.*

If there be any side wall of a dwelling-house in which it is proposed to provide a window or door opening, that wall shall be set back (throughout its whole length) from the sideline of the allotment to a distance of three feet in the case of a dwelling of one or two storeys, or to a distance of five feet in the case of a dwelling of more than two storeys.

#### 37. *Kitchen, Laundry, and Bathroom fittings.*

Every dwelling-house shall be provided with a completely enclosed bathroom, or combined bathroom and laundry, and with wash-tubs and copper, or other means of washing clothes, and the water laid thereto. The floor surfaces of bathrooms on any floor, and of laundries when above the ground floor, shall be of impervious material properly graded and drained. The wash-tubs, copper and bath shall not be placed in the kitchen.

One bathroom in each dwelling-house shall have at least 30 square feet of floor area; and a combined bathroom and laundry shall have at least 56 square feet of floor area.

Provided that the Board may, in any case where it considers that a bathroom or laundry could be dispensed with, exempt any building from the above provision, but such exemption shall be given by resolution of the Board.

#### 38. *Enforcement—Inspection—Cutting into building.*

The Board may order the opening, or cutting into, or pulling down of any work where the Board has reason to believe or suspect that anything has been done in contravention of the Act or of any By-law, and in the event of the work being found to have been done in contravention of the Act or of the By-laws, the person doing the work shall be required to comply with the Act or the By-laws, and shall bear the full cost of such pulling down, opening, or cutting into, and of compliance with the Act or the By-laws.

In the event of the work being found to have been done in accordance with the requirements of the Act and the By-laws, the cost of such pulling down, opening, or cutting into, as well as the cost of re-instatement, shall be borne by the Board.

The Surveyor or his representative shall have power to enter at any time upon any building in course of erection for the purpose of inspecting the said building and may require the production of the approved plans thereof, which are to be available on the building during ordinary working hours whilst the building is in course of construction.

#### 39. *Inspection before Occupation.*

Before permitting any person to use or occupy any uncompleted building and forthwith upon completion of any unoccupied building, the person by or in consequence of whose order the building is being erected shall give notice to the Board.

Forthwith upon receipt of notice as aforesaid the Board shall instruct the proper servant to make an inspection, and such servant shall inspect and report to the Board whether or not the building has been erected in accordance with this By-law and without material deviation from the approved plans and specifications, but this shall not be read to permit any alteration whatever in the position of the building on the site.

Such report shall not be deemed to be evidence (in the event of any prosecution hereunder) that this By-law has been complied with.

#### 40. *Penalties.*

Any person who erects a building in contravention of this By-law shall be liable to a penalty not exceeding fifty pounds; and also a daily penalty not exceeding five pounds per day for any continuance of the offence.

Any person who neglects to comply with any provision of this By-law shall, where a penalty is not elsewhere prescribed, be liable to a penalty not exceeding five pounds for a first offence, or ten pounds for a second and any subsequent offence; and also in either case a daily penalty not exceeding ten shillings per day for any continuance of the offence.

Made and passed by the South Perth Road Board, on the 14th day of January, 1926.

Notice is hereby given that, in so far as the loan is to be expended in the construction of grandstand and undertakings, the plans, specifications, and estimates of such works and undertakings, and the statement showing the proposed expenditure of the money to be borrowed, are open for inspection at the office of the Claremont Municipal Council, Claremont, for one month from the date of publication hereof, between the hours of 9 o'clock in the forenoon and 4 o'clock in the afternoon, on any day except Saturdays and Sundays, and on Saturdays between 9 o'clock in the forenoon and noon.

The amount of £4,000 is proposed to be raised by the sale of debentures bearing interest not exceeding the rate of six pounds ten shillings per centum per annum, such interest to be paid half-yearly, and such interest and debentures to be payable at the office of the Claremont Municipal Council, at Claremont.

The said debentures are to be repayable twenty years after the issue thereof.

£2 per centum on the amount of the loan will be invested every year, in accordance with "The Municipal Corporations Act, 1906," to form a sinking fund.

G. P. STEVENS, Acting Mayor.  
M. H. SHARP, Town Clerk.

Claremont, 25th February, 1926.

## THE LAND DRAINAGE ACT, 1900.

Wungong Drainage District—Notice of Rate.

NOTICE is hereby given that, under the powers conferred by the above-mentioned Act, the Wungong Drainage Board has ordered a rate of threepence in the pound on the unimproved capital value of all rateable lands in the Wungong Drainage District, for the year ending 31st December, 1926. The said rate is now payable at the office of the Board, Armadale.

W. D. KERRIDGE, jun.,  
Chairman.

## ASHBURTON ROAD BOARD.

NOTICE is hereby given that the Ashburton District Road Board proposes to borrow the sum of Three Thousand Pounds (£3,000).

The amount is proposed to be borrowed by the sale of debentures repayable in twenty-five (25) years after the date of issue thereof, bearing interest at the rate of six pounds ten shillings per centum per annum (6½ per cent. per annum), payable half-yearly.

The amount of the said debentures and interest is to be paid at the office of the Ashburton Road Board, Beadon.

A sinking fund is to be provided at the rate of two pounds ten shillings per centum per annum (2½ per cent. per annum) of the amount of the said loan, in accordance with the provisions of "The Road Districts Act, 1919."

The purposes for which the Loan is to be applied are the works and undertakings set out in the plans and specifications and estimates referred to, and comprise—

- (a) The opening and making of streets and footways, the diverting, altering, or increasing the width of streets or footways or kerbing thereof.
- (b) The raising, lowering, or altering the ground or soil of streets.
- (c) The purchase of materials and plant for the foregoing purposes, and the payment of preliminary expenditure in connection with the flotation of the proposed loan, and supervision during the construction of the proposed works.

The complete plans and specifications, and the estimates of the cost of the works proposed, are open for the inspection of Ratepayers at the office of the Board for one month at least after the last publication of this notice.

The hours during which inspections may be made are 10 a.m. to 4 p.m. on ordinary working days, and 9 a.m. to 11 a.m. on Saturdays.

Dated this 16th day of January, 1926.

EDMUND A. BURT, Chairman.  
R. L. FISHER, Secretary.

ENGINE-DRIVERS (COLLIERIES), SOUTH-WEST  
LAND DIVISION.

(Registered 16th February, 1926.)

No. 7 of 1926.

THIS agreement, made in pursuance of the "Industrial Arbitration Act, 1912," this tenth day of February, one thousand nine hundred and twenty-six, between The Amalgamated Collieries of W.A., Limited, and The Premier Coal Mining Company, Limited (hereinafter called "the employers") of the one part, and The Federated Engine-drivers and Firemen's Association of Australasia (West Australian Branch) Association of Workers, being an Industrial Association duly registered under the provisions of the said Act, whose registered office is situated at No. 17, Trades Hall, Perth (hereinafter called "the Association"), of the other part; witnesseth that for the considerations hereinafter appearing the parties hereto mutually covenant and agree as follows:—

1. *Area.*—This agreement shall operate over the Coal Mining Industry in the South-West Land Division of Western Australia.

2. *Term of Agreement.*—The currency of this agreement shall be for three (3) years from the date hereof, providing that at any time after the expiration of twelve months from the date hereof either party may open negotiations to alter or amend same.

3. *Rate of Wages.*—The minimum rate of wages which shall be paid by the employers to the classes of workers in their employment hereunder specified shall be as follows:—

	Per shift of 7 hours.
	£ s. d.
Haulage Engine-drivers ..	1 0 3
Engine-drivers (Shakers) ..	1 1 0
Firemen .. .. .	0 18 11

(a) In addition to the above rates sixpence extra shall be paid to engine-drivers and firemen working afternoon and night shifts.

(b) The foregoing rates are based on a seven-hour shift. If necessary, to preserve the rotation of shifts, one hour extra shall be worked at ordinary rates. Each day to stand by itself.

(c) On Pay Saturday five hours' actual work shall constitute a shift and shall be paid for as such.

4. *Overtime Rates.*—Overtime rates shall be paid after eight hours on eleven days in the fortnight and after six hours on Pay Saturday.

All time worked in excess of the eight-hour or six-hour shift, as the case may be, shall be deemed overtime, and shall be paid for at time and a-half rates; except in so far as the excess is owing to an arrangement between the employees themselves or is necessary for effecting periodical rotation of shifts.

5. It shall be part of the duties of haulage engine-drivers to look after generators and dynamos, but no reduction shall be made in the wages of haulage engine-drivers if during any shift they are not called upon to do any haulage.

6. The foregoing rates are based on the existing price of coal, namely, nineteen shillings per ton at the pit's mouth, and for every penny increase or decrease in the said existing price the said wages shall increase or decrease one penny per shift. For the purpose of fixing the increase or decrease in the price of coal as aforesaid, regard shall be had only to the maximum price paid by the Commissioner of the Western Australian Government Railways.

7. *Minimum Time.*—Haulage engine-drivers and firemen shall be guaranteed a minimum of eleven (11) shifts per fortnight. Other engine-drivers shall be guaranteed work in the ratio of five shifts to four shifts worked by the mine.

8. *Crib Time for Firemen.*—On day shift (Sundays, Pay Saturdays, and specified holidays excepted) the Companies to provide relief for firemen during "crib time"; the limit of such "crib time" shall be in conformity with the approved custom of the Collie Coalfields District. The period specified for such "crib time" shall be immediately after the other employees at the mines' specified "crib time." The firemen relieved to be responsible for the proper firing of the boilers.

9. *Sundays and Holidays.*—The days to be observed as holidays are Anniversary Day, Anzac Day, Labour Day, Easter Monday, Good Friday, Boxing Day, Christmas Day, New Year's Day, and State and Federal election days when contested.

All work performed on Anniversary Day, Christmas Day, Good Friday and Labour Day shall be paid for at double time rates, and all work performed on Sundays, Anzac Day, Easter Monday, Boxing Day, New Year's Day and State and Federal election days when contested shall be paid for at time and a-half rates.

Every worker shall be entitled to an annual holiday not exceeding fourteen consecutive days in addition to the above-mentioned holidays, such holidays to be taken at a time which will cause the least inconvenience to the employer.

Any worker called upon to work on Sundays or holidays shall be paid a minimum of four hours at overtime rates.

10. *Reduction of Hands.*—In the event of the manager deeming it necessary to reduce hands, the last man employed in the particular class of work in which the reduction of hands is to be made shall be the first man to go, but in the event of such worker having been shifted from one class of work to another, then he shall be treated as if he were employed at his last job from the date he signed on at the mine. In the event of re-employment of hands by the manager, the last man off shall be the first man on in that particular class of work at which he was previously employed.

11. *Preference.*—That preference of employment shall be given to members of the Federated Engine-drivers and Firemen's Association of Australasia (Collie Branch). Every worker engaged by the employer shall within three weeks of his engagement become a member of the union, and the union herein agrees to accept him as a member.

12. *Local Arbitration Clause.*—Any matter in dispute of any kind whatever, in connection with the working conditions, discharge of workmen, or any other thing not provided for in this agreement, shall forthwith be referred to a board of arbitration consisting of the employer or his manager and the local secretary of the union or his representative for amicable settlement. Failing a settlement, the arbitrators so appointed shall appoint an umpire to decide the matter in dispute. Should they fail to agree upon an umpire within forty-eight hours, the Inspector of Mines for the district shall act as umpire and the decision of such person shall be final. There shall be no cessation of work whilst a settlement is being arrived at. The persons appointed as a board of arbitration as herein provided may, when determining any dispute referred for their arbitration, direct that the costs (if any) occasioned by the proceedings shall be paid by one specified party or parties to the other or others, and the parties to this agreement shall abide by and literally comply with any such direction.

13. *Existing Customs and Conditions.*—This agreement is based on existing customs and conditions not inconsistent with this agreement.
