LIME OPERATIVES (PERTH AND DISTRICT).
(Registered 10/5/1926.)

No. 15 of 1926.

THIS Agreement, made in pursuance of "The Industrial Arbitration Act, 1912-1925," this first day of April, One thousand nine hundred and twenty-six, between the persons, firms, and companies whose names and signatures appear in the Schedule hereto (hereafter called "the Employers"), of the one part, and the Fremantle and District Lime Operatives' Union of Workers (hereafter called "the Union"), of the other part: Witnesseth that for the considerations hereinafter appearing the parties hereto mutually covenant and agree the one with the other as follows:—

1. The award dated the eleventh day of October. One thousand nine hundred and eleven, number eight of One thousand nine hundred and eleven, and any agreements for amendment or variation thereof shall cease to be binding upon the parties hereto, all of whom shall retire from the same as from the date of the making of this agreement.

2. This agreement shall be for a term of one year from the first day of April, One thousand nine hundred and twenty-six.

3. This agreement shall operate over an area comprised within a radius of twenty-five miles from the General Post Office, Perth.

4. *Definition.*—In the construction of this agreement "Day Workers" shall mean any person including horse-drivers working in daytime in or about lime kilns or on any necessary work in connection with the quarrying of limestone and sandstone and the production and distribution of lime or stone.

5. *Day workers* working on or about kilns, sandstone cutters, loaders, and horsedriers shall be paid at the rate of one shilling and eleven pence half-penny per hour, but horsedriers in charge of more than one horse shall be paid at the rate of two shillings per hour.

6. *Quarrymen* shall be paid at the rate of one shilling and eleven pence halfpenny per hour if engaged in day work, and if engaged on piece work shall be paid two shillings and fourpence per cubic yard for ordinary limestone. If a quarryman be not satisfied with dray measurement he shall have the option of stacking the stone quarried and the measurement shall be ascertained on the ground.

7. *Night firing* shall be in one shift, namely, from 6 p.m. to 6 a.m. Half shifts may by mutual agreement between employer and employee be worked from 6 p.m. until 12 p.m. and 12 p.m. to 6 a.m. Night firers' wages shall be one shilling and eleven pence per hour.

8. That if an employee who has been employed in the day time is requested to continue and fire a kiln at night time, during the time he shall be employed at night he shall be paid time and one-quarter rates.

9. *Lime Baggers.*—Piece workers shall be paid at the rate of fifteen shillings per one hundred bags. Day workers shall be paid at the rate of two shillings and one penny per hour.

10. *Hours of Cooling.*—No kiln shall be broken into until twenty-four hours after the last fire in winter and thirty hours after the last fire in summer. The winter months shall be from the fifteenth day of March to the fifteenth day of October (both inclusive). The summer months shall be from the sixteenth day of October to the fourteenth day of March (both inclusive).

11. *Finishing off Kilns.*—Employees engaged in finishing off kilns owing to the greater responsibility undertaken shall be paid one shilling per kiln extra.

12. *Lime crushing* and/or *lime sifting* shall be paid for at the rate of one shilling and eleven pence half-penny per hour plus one shilling per day or part of a day on which the employee shall be so employed.

13. *Hours.*—Eight hours shall constitute a day's work. Overtime shall be calculated and paid for at the following rates:—Time and one-quarter for the first four hours after the usual time for ceasing work, time and one-half thereafter, provided that the employer and employee may agree to work such time in excess of eight hours on five days of the week as will enable one half day to be worked on Saturdays.

14. *Sunday Work.*—All work done on Sundays shall be paid for at the rate of time and one-half. Sunday work for nightburners shall be between 6 p.m. on Saturday and 6 a.m. on Sunday. Burners employed between 6 p.m. on Sunday and 6 a.m. on Monday shall be paid the ordinary rate, namely, one shilling and eleven pence per hour.

15. *Holidays.*—Workers shall be entitled to ten paid holidays per annum. They shall be taken in one stretch at Christmas time. If the worker has not completed twelve months' employment then he shall be entitled to one paid holiday for each thirty days he has been employed, and *pro rata* payment for less than thirty days' employment. The following days: Christmas Day, Boxing Day, New Year's Day, Good Friday, Easter Monday, Labour Day, Sovereign's Birthday, Anzac Day, Union Picnic Day, and Anniversary Day, shall be taken as holidays without pay. If work is done on those days it shall be paid for at double time. The above provisions shall apply to all workers covered by this agreement except piece work quarrymen. Piece work lime baggers shall be paid for holidays at the rate of sixteen shillings and eight pence for eight hours.

16. In case an employee presents himself for employment and is informed by his employer that his

services are not required, he shall receive a sum equal to half a day's wages unless his employer shall have notified him not later than the previous day at knock-off time of the fact that his services would not be required.

17. Paragraph 16 shall not apply to wet weather, and any employee who shall be absent from work owing to wet weather shall not receive any pay.

18. *Horsedriers.*—Horsedriers shall have their horses harnessed and hooked up to drays ready to commence work at the time appointed for all hands to commence, and shall finish at the usual knock-off time. Provided, however, that owing to the peculiar character of a driver's work no overtime shall be payable if employed not longer than fifteen minutes after knock-off time and no deduction shall be made from his wage if he ceases work not longer than fifteen minutes before knock-off time.

19. *Lower Rate.*—A worker who is unable to earn the minimum rate of wage hereby agreed upon may be employed at a lesser rate of wage which shall be agreed upon between the employer and the secretary of the union. If within seven days after being notified in writing of the worker's desire to work at a lower rate of wages than that hereby agreed upon the secretary of the union and the worker are unable to agree upon a lower rate then the worker may apply in writing to the nearest resident or police magistrate to fix such lower rate of wage.
