Agric. 2205/11; Ex. Co. 2267.

HIS Excellency the Governor in Executive Council has been pleased to approve of the annexed Stock Suspense Regulations (Department of Agriculture) and to repeal the existing Stock Suspense Regulations.

G. L. SUTTON,
Director of Agriculture.

STOCK SUSPENSE REGULATIONS.

1. Departments requiring horses or any other beasts of burden shall put in a requisition, approved in such a manner as the Head of that particular Department shall consider necessary. Whenever this requisition causes an addition to the number of animals on the Suspense Account, a requisition shall be put up by the Chief Veterinary Officer, and approved by the Minister for Agriculture and the Director of Agriculture or his deputy, before the animal required can be purchased, and no Department shall be allowed to purchase animals without this procedure being followed.

2. All animals shall be purchased under the inspection of the Chief Veterinary Officer or an officer appointed by him to act on his behalf. Where it is not possible for the Chief Veterinary Officer or his deputy to make an inspection at the time of purchase, the fact shall be recorded and an inspection made by some officer selected by the Chief Veterinary Officer as early as possible.

3. All animals which are purchased by any Department shall be paid for from the Loan Suspense Vote, which shall be under the control of the Chief Veterinary Officer. In certain cases the Minister may approve of horses being paid for from Department's Votes.

4. The cost of an animal which is once debited to a Departmental Vote shall not afterwards be debited to any other Vote, or the Suspense Vote, unless a credit can be effected in the year in which the original debit was created.

5. The annual depreciation on animals, also hire charges, shall be estimated on an average basis, such basis to be fixed by the Chief Veterinary Officer.

6. The accountants of the various Departments shall include in their statements the Departmental charges which have been incurred where animals have been debited to a Departmental Vote. If a horse purchased from a Departmental Vote is returned to the Stock Department, and it is not again required by the Department concerned, the hire charges shall be fifty per cent. (50 per cent.) of the ordinary hire charges.

7. A numbered book shall be kept as a Register of all animals transferred to the Suspense Account or subsequently bought and debited to same, and a separate number shall be used for each animal.

8. Each horse shall be sighted by a person authorised by the Chief Veterinary Officer whenever practicable. A copy of this report shall be placed on file.

9. An officer of a Department to which an animal has been supplied on lease shall sign a receipt for same, and the Department concerned shall be responsible for the charges until the return of the animal to the Stock Department, and a receipt obtained. In the case of horses which have been lost, hire charges will stand until the Minister for Agriculture or his deputy approves of such horses being treated as deceased. In the event of the death of an animal, the Department to which the horse is on hire shall notify the Stock Department immediately, in order that hire charges may be terminated.

10. Charges shall be made quarterly, unless mutually agreed upon with the Departments, for all animals leased out by the Stock Department. Portion of a week shall count as one week.

11. Before any Government animal is sold, a special report shall be put in as to the state of the same, and the reasons why it is advisable for it to be sold, and the approval of the Head of the Department of Agriculture or his deputy obtained for the sale.

12. Every animal to be sold shall, if possible, be offered for sale by public auction, and a reserve shall be fixed before instructions are given to the auctioneer to sell.

13. Police horses handed over to the Stock Branch shall be either sold or, if taken into Stock Suspense, they shall be treated in the same manner as horses mentioned in Clause 4. If taken over they shall be branded with a number and entered in the Register.

14. All Departments leasing stock from the Stock Department shall pay, in addition to the usual depreciation charge, at the rate hereunder set forth, as an insurance against death or loss occasioned to the Department by any other means in connection with the stock hired:—

Heavy draughts—9d. per week or part of a week.
Medium draughts—9d. per week or part of a week.
Camels—6d. per week or part of a week.
Light horses—6d. per week or part of a week.
Bullocks—3d. per week or part of a week.
