4. The name, age, late place of residence, probable cause of death of deceased, and any other particulars mentioned in Schedule "D," shall be furnished at the time of giving the order.

9. In the case of an application for interment in any private grave or vault to which the deceased had no claim during life, the written consent of the owner shall be handed in with the application.

10. No burial shall be allowed to take place in the Cemetery without a certificate from the District Registrar of Deaths that the death has been registered, or a Coroner's order for burial.
