No business will be transacted at any ordinary or special meeting unless a quorum is present.

13. At any meeting of the Board it shall rest with the majority of the members of the Board present to exclude the public from such meeting when, in their opinion, it is expedient to do so.

14. At all meetings of the Board, when there is not a quorum present, or when the Board is counted out (which counting out shall take place whenever there shall be less than a quorum present, or within 30 minutes after time for which the meeting is called), such circumstances, together with the names of the members then present, shall be recorded in the Minute Book.

15. The first business of all ordinary meetings of the Board shall be the reading of the minutes of the preceding meeting aloud, with a view to their confirmation.

Voting.

16. Each member (including the Chairman) shall have one vote, and such Chairman shall, in case of equality of votes, have a casting vote in addition to his ordinary vote, and all questions at such meetings shall be decided by a majority of the votes of the members present. All motions and amendments shall be decided by show of hands, unless a division is demanded, before the next business is proceeded with.

Minutes of Meetings.

17. The Minute Book prescribed by the Act shall be kept, in which any item of business transacted by the Board at a meeting shall be entered by the Secretary. Minutes of special or ordinary meetings shall be confirmed at the next ordinary meeting. - (l) General business.
- (m) Notice of motions.

19. In the event of any member having urgent business to place before the meeting, he may move the suspension of the Standing Orders, and, if agreed to by the Board, such business shall take precedence of all other.

Petitions.

20. Every petition or memorial shall be respectful and temperate in its language, and shall be presented to the Board by a member only, and any member presenting a petition or memorial to the Board shall affix his name to the beginning thereof, with the number of signatures, and any member presenting a petition or memorial shall acquaint himself with the contents thereof and ascertain that it does not contain language disrespectful to the Board. The nature or prayer of every petition or memorial shall be stated to the Board by the member presenting the same.

25. When the Chairman rises in his place during the progress of a debate, any member when speaking or offering to speak shall immediately resume his seat, and every member shall preserve strict silence, so that the Chairman may be heard without interruption, but the member who was speaking may resume when the Chairman takes his seat.

How subsequent Amendments may be moved.

35. If an amendment, whether upon an original question or amended as aforesaid, has been negatived, then a further amendment may be moved to the question to which such first-mentioned amendment was moved, and so on until there are no further amendments and the question is decided by the final vote in the affirmative or negative: Provided that not more than one question and one proposed amendment thereof shall be before the Board at any one time.

Motions for Adjournment.

36. No discussion shall be permitted upon any motion for adjournment of the Board. If upon the question being put on any such motion the same is negatived, the subject then under consideration or next on the business paper shall be discussed, and it shall not be competent for any member to again move a motion for adjournment until half an hour has elapsed from the time of moving the one that has been negatived.

Western Australia.

LICENSING ACT, 1911 (CONSOLIDATED).

To His Excellency the Governor in Council.—

THE humble petition of the undersigned electors resident in Claremont-Cottesloe Licensing District, in the State of Western Australia, in an area comprised in a half-mile radius from the site of the premises known as the Brighton Hotel, sheweth as follows:—

- (1) That on or about the 14th day of December, 1921, the license of the Brighton Hotel was reduced. Since that time the premises have been renovated throughout and large additions have been made to the building; comprising 8 new bedrooms, 5 new bathrooms, 4 new closets, over 400 feet 9ft. and 13ft. width of balcony, large new garage, capable of accommodating 25 motor cars, and a new hall at the rear has been erected, 90ft. x 30ft. Two acres more of land have been added to the premises for the purpose of laying out tennis courts and a cricket pitch, etc;
- (2) That the premises known as the "Brighton" are well situated for the convenience of the population adjacent thereto, as also for the travelling and visiting public, and are admirably suitable for the purpose of a Publican's General License;
- (3) That the site of the aforesaid premises is in the centre of the largest and most renowned seaside and riverside resort in Western Australia;
- (4) That the population of the district at the time the license aforesaid was reduced was 18,432 (estimated), and has now increased to 25,000 (estimated), and this population is greatly enlarged during the summer months by visitors from the Country Districts, Goldfields, and the North-West;
- (5) That the premises have extensive grounds and gardens, covering an area of at least five acres, and are most beautifully situated on absolutely the best position on the Perth-Fremantle Road;
- (6) That the premises are conveniently situated, and give easy access to either the seaside or the river, and are near to the Cottesloe Municipal Tennis Courts and Golf Grounds. In respect to the riverside conveniences the owner of the Brighton Hotel aforesaid has purchased the freehold of half an acre of land, with a frontage to the Swan River, for picnic grounds in connection with the hotel;
- (7) That there has been a considerable increase of population in the area comprised within the half-mile radius from the site of the aforesaid premises, and that such increase is of a permanent character;
- (8) That there are insufficient licensed premises to meet public requirements within the said area;
- (9) That most certainly the aforesaid premises as now constituted are the most up-to-date in Western Australia from the point of view as to a visitor's resort as also for permanent residential purposes. The total number of rooms comprise over fifty, which are capable of accommodating at least 100 persons, besides which the 400ft. of balcony is unsurpassed in W.A. for sleeping-out accommodation in summer time;
- (10) That we the undersigned electors have resided in Western Australia for six months continuously, and are qualified to vote in the District of Claremont, at an election for the return of a Member of the Legislative Assembly, and are resident within a circle, having a radius of 40 chains from the site of the Brighton Hotel, and have resided in Claremont-Cottesloe Licensing District for at least one month;
- (11) That we are over the age of 21 years.

Your petitioners therefore most humbly pray that your Excellency will be graciously pleased to authorise the Licensing Court to grant a Publican's General License to the aforesaid premises, known as the Brighton Hotel, and to accord such premises the privileges thereof.
