No. 19 of 1927.

THIS Agreement, made in pursuance of "The Industrial Arbitration Act Amendment Act, 1912-25," this first day of July, One thousand nine hundred and twenty-seven, between McIlwraith, McEacharn, Limited, and The Swan River Shipping Company, Limited (referred to as "the Employer"), of the one part, and The Federated Engine-drivers and Firemen's Association of Australia (West Australian Branch) Association of Workers (hereinafter referred to as "the Union"), of the other part, whereby it is mutually agreed by and between the parties as follows:—

1.—Scope of Agreement.

This Agreement shall operate over the Perth wharves owned and controlled by McIlwraith, McEacharn, Limited, and the Swan River Shipping Company, Limited.

2.—Term of Agreement.

This Agreement shall operate from the first day of July, One thousand nine hundred and twenty-seven, and shall remain in force for three (3) years from that day, and thereafter unless either party shall have given the other party three months' written notice of termination: Provided that either party shall have a right to apply for amendment after the expiration of twelve months, and provided that the rates of pay will be subject to amendment in accordance with "The Industrial Arbitration Act Amendment Act, 1912-25."

3.—Rates of Pay.

(Basic Wage—£4 5s. 0d.)

The minimum rates of pay for steam and electric crane drivers at the Perth wharves shall be as follows:—£5 15s. 0d. per week.

4.—Hours of Duty.

Eight hours shall constitute a day's work and forty-four hours a week's work.

The hours of work shall be from 8 a.m. to 5 p.m., from Mondays to Fridays inclusive, with one hour meal interval between 12 noon and 1 p.m., and from 8 a.m. to 12 noon on Saturdays.

5.—Early and Late Meal Hour Attendance.

Six hours per week shall be allowed to men employed on steam cranes to cover all work performed in raising steam and banking fires in overtime hours and attention to boilers during meal interval, for which a weekly payment of twenty-one shillings (21s.) shall be paid irrespective of whether steam is required at 8 a.m. or not. Provided that when a steam crane is out of commission for longer than the period necessary for annual survey (say two or three days) no such payment shall be made. Similarly, this allowance shall not be paid to an employee whilst on annual leave.

6.—Overtime.

All work done in excess of the hours stated in Clause 4 (with the exception of early and late attendance referred to in Clause 5) shall be considered overtime, and shall be paid for at the rate of 3s. 6d. per hour, except when working cargo, when such other overtime rates as shall be paid to members of the Waterside Workers' Federation employed on the Perth wharves during the currency of this Agreement shall be paid.

7.—Weekly Engagement and Sickness and Accident.

(a) All employment (except that of casual employees) shall be by the week and shall only be terminated by a week's notice on either side; such notice may be given any time during the week, except where an employee is summarily dismissed for misconduct.

(b) Any employee not attending for duty shall lose his pay for the actual time of such non-attendance, unless he produces or forwards within 24 hours of the commencement of such absence evidence satisfactory to the management that his non-attendance was due to personal accident arising out of and in the course of his employment or to personal ill-health, necessitating such absence; provided that in the case of sickness necessitating absence from work an employee (other than a

casual) will be granted full pay to the first following pay day, and thereafter half-pay on the production of a medical certificate on each occasion; such sick pay shall not be granted for more than twelve days in the aggregate in each year. In case of accident the provisions of the Workers' Compensation Act (W.A.) shall apply.

8.—Annual Leave.

(a) Fourteen consecutive days' annual leave shall be granted to each crane-driver on the completion of 12 months' service. In the event of his service terminating after three months but before 12 months' service he shall be granted one day's pay for each month he served, provided employment not terminated through employee's misconduct.

(b) Forty-eight hours' notice shall, wherever practicable, be given to each crane-driver of the date of commencement of annual leave, which shall be arranged as far as practicable at a period of the year to suit the employer and employee.

9.—Public Holidays.

All crane-drivers shall be entitled to the following holidays without any deduction from their weekly rate:—

New Year's Day, Foundation Day (26th January), Good Friday, Easter Monday, Eight Hours' Day, King's Birthday, Christmas Day, and Boxing Day; or such other days as are prescribed under the law of the State to be observed in lieu of the actual holidays mentioned; also Picnic Day (to be held conjointly with the Picnic Day observed by the waterside workers).

10.—Sundays and Holidays.

12.—Preference.

Preference of employment in respect of tasks for which rates of wages are specified in this Agreement shall be given to members of the Federated Engine-drivers' and Firemen's Association of Workers of Western Australia, provided suitable men are available.
