2. An application for the registration of dairy cattle shall be made by the owner in writing addressed to the Director of Agriculture, at the Department of Agriculture, Perth, in the Form No. 1 in the schedule hereto.

The prescribed registration fees shall be tendered with the application.

3. On receipt by the Director of Agriculture of an application for registration, together with the prescribed fees, the Chief Inspector of Stock shall arrange for a veterinary inspection of the animals desired to be registered, for the purpose of inspecting, describing, and recording animals to be registered. The result of such inspection shall be submitted to the Chief Inspector of Stock by the examining officer in the Form No. 2 in the schedule hereto, together with his recommendations.

4. All cattle submitted for registration shall bear a registered fire brand for the purposes of recording and identification.

5. Registration pursuant to an application shall be effected by an entry in the register kept at the Department of Agriculture; and such register shall make provision for a complete record as to the name and address of owner, date of application, date of registration, and particulars of dairy cattle as to number, sex, etc. Provision shall also be made for an appended list furnishing detailed particulars of individual animals, giving age, colour, breed, descriptive marks or markings, brands, etc. (Form No. 3 in the schedule hereto). A revision of such register shall be made at the end of each calendar year.

6. Registration shall be effected annually in the prescribed manner and on payment of the prescribed fees; and every registration shall be in force from the date on which it is made until the first day of January next ensuing, but no longer: Provided that registration effected prior to the 1st January, 1928, shall continue in force until the 31st December in that year.

Dairy cattle condemned under the provisions of "The Stock Diseases Act, 1895," or any other Act or statutory regulation, shall, if so required by an Inspector of Stock, by a notice to the owner in or to the effect of the Form No. 5 in the schedule hereto, be dealt with by the owner, in accordance with the directions of the Inspector, as set out in the notice.
