C. G. MORRIS,

Onslow Common By-laws.

THE following By-laws relating to the Onslow Common have been made by the Ashburton Road Board:—

1. That an annual sum of ten shillings per head for horses, cattle, mules and donkeys, and 1s. per head per annum for sheep, shall be levied upon every owner of stock depasturing on the Onslow Common, and shall be paid in advance half-yearly to the Ashburton Road Board on or before the 31st day of January and the 31st day of July in each year.

2. No person shall depasture any animal upon the Onslow Common without having first obtained a license from the Board, or remove same without three hours' notice.

3. Every applicant for a license to depasture under these By-laws shall furnish the Secretary or Ranger with a correct list, in writing, of the number of horses, cattle, sheep, or other kind of animals that he or she shall intend to depasture on the said Common, and shall describe therein the brands, numbers, and other distinguishing marks thereon, and shall obtain a license signed by the Chairman, Secretary, or other person duly authorised in that behalf, setting forth the number and description of animals licensed by the Board to depasture on the Common according to these By-laws.

4. Any person or persons running stock on the Common may change them at any time on giving notice and full description of such stock to be changed to the Chairman of the Board or the Secretary.

5. That no person, firm, or family shall depasture on the said Common a greater number of horses and cattle than twenty; of sheep, one hundred and fifty; and a *bona fide* butcher be allowed to depasture ten head of cattle in addition to above.

6. *Bona fide* travellers, teamsters, and packers may run their cattle, horses, and donkeys or mules on the Common, and they shall be charged at the rate of sixpence per head per week, or part of a week, that their cattle, horses, donkeys or mules remain on the Common.

6A. Camels may be depastured on the Common for 1s. per head per week, or 12s. 6d. per half-year, or 20s. per year. Provided that the Common Ranger shall have full power to direct the area of the Common upon which camels shall depasture at any time, and owners shall depasture camels only on the area so directed. Provided further that no bull camel shall be allowed to run loose on the Common.

No one person shall depasture more than twenty head of camels at any one time on the Common.

Any person offending against this By-law shall be liable to the same penalty prescribed for a breach of the Common By-laws.

6B. All persons in charge of teams shall camp such teams in the reserves provided for that purpose, unless instructed to the contrary by the Secretary or any other officer of the Board. Any person or persons depositing any boxes, bottles, or any other rubbish that may prove a danger or menace to stock in or about the Camping Reserves shall be guilty of an offence against these By-laws, and the penalty for such offence shall not exceed five pounds (£5). In the event of any damages being sustained by any stock, the offender will be liable to the amount of such damages in addition to the penalty aforementioned.

7. The owner of any travelling stock shall give written notice of his intention to travel such stock, and to comply strictly with Section 29 of "The Cattle Trespass, Fencing, and Impounding Act, 1882" (46 Vic., No. 7).

9. No person with the exception of the Ranger shall be allowed to muster stock, other than their own, running on the Onslow Common. Always provided the owners may, upon application to the Chairman or Secretary, obtain a permit for another to muster their stock, but the Board shall have power to cancel any permit at any time.

10. Travelling sheep remaining on the Common for a longer period than four days will be charged a fee of one penny per head per week, and for large stock one shilling per head per week *pro rata*.

12. Arrears in respect of Commonage fees remaining unpaid after they have become due shall be sued for by the Board in the Local Court, or in such Court having jurisdiction therein.

13. That no stock on which Commonage fees are due shall be removed from the Common, unless with the written sanction of the Secretary, until after all such fees have been paid in full.

14. The Board shall sue and be sued in the name of the Chairman or such other person as the Board at meeting may delegate with written authority for this purpose.

15. All stock depasturing on the Common, except in accordance with these By-laws, may be treated as trespassing on the Common.

16. No entire horse or bull over the age of twelve months shall be allowed on the Common without written permission of the Secretary; any such horse or bull found thereon shall be liable to be dealt with in manner provided by "The Cattle Trespass, Fencing, and Impounding Act, 1882" (46 Vic., No. 7).

17. Where no penalty is provided either by these By-laws or by statute laws, any person committing a breach of such By-laws for which no penalty is provided (or in lieu of such other penalty as the Board may elect) shall be liable to a penalty not exceeding five pounds, exclusive of costs, and in addition to the Commonage fees, as provided in these By-laws. Provided always, that the amount of the penalty inflicted by this By-law shall not exceed the amount of any specific penalty; such penalty and fees may be recovered and enforced in a summary manner prescribed by "The Justices Act, 1902," and shall in no way affect any fines and fees recoverable under By-laws

of the Board regulating fees and fines to be paid in respect of poundage of stock.

18. All fees shall be for and on account of the Ashburton Road Board.

19. The Board shall not be responsible for any damage done to stock depasturing on the Common under the provisions of these By-laws, nor shall they be responsible for any loss sustained by whatsoever cause.

(b) In all cases where a worker is not required to attend at the shop or residence, as above, of his employer, but goes direct to the job, all expenses which are actually and reasonably incurred in excess of what the worker would have incurred in going to such shop or residence shall be paid by the employer. Under this clause workers using their own transport shall be paid the travelling expenses they would have been entitled to if they would have used the ordinary means of transit.

10. Country Work.—An employee employed on country work shall be paid an allowance of seven (7) shillings per day for each day during the currency of the job, including Saturday and Sunday, or thirty-five (35) shillings per week, or suitable accommodation mutually approved of. Time occupied in travelling to and from country work shall be paid for at ordinary rates, and

no worker shall receive more than an ordinary day's wage for any day spent in travelling, though the hours so spent on such day exceed eight (8), unless the worker is on the same day occupied in working for his employer.

11. Under-rate Workers.—A worker who by reason of old age or infirmity is unable to earn the minimum rate hereby prescribed may be employed at a lesser rate, which shall be agreed upon in writing between the worker and the secretary of the Worker's Union. If within seven (7) days after being notified in writing of the worker's desire to work at a lower rate of wage than that prescribed, the said secretary and the worker are unable to agree upon a lower rate, then the worker may apply in writing to the nearest Resident or Police Magistrate to fix such lower rate of wage. The worker shall give such secretary two days' notice in writing of his intention to apply to the Magistrate, and the said secretary or his agent may attend and oppose the application. The Magistrate may fix the rate of wage, and his decision shall be final. Any worker whose wage shall be so fixed may work for and be employed by any employer for such wage for the period of six (6) months thereafter, and after the expiration of the said period until fourteen (14) days' notice in writing shall have been given him by the said secretary of the Union requiring his wage to be again fixed in the manner prescribed by the Agreement. Provided always, that the employer shall not employ more than one (1) such incompetent worker to every four (4) fully paid workers or fraction of the first four (4).

12. Double Rate.—Double time shall be paid for work done on the following days:—Sunday, New Year's Day, Good Friday, Easter Saturday, Easter Monday, Anzac Day, Labour Day, Christmas Day, Boxing Day, and Picnic Day; provided that fourteen (14) days' notice has been given of Picnic Day.

19. Leading Hands.—Workers who have charge of three or more journeymen for at least one day shall be paid 2d. per hour extra.

20. Dangerous Work.—Workers on swinging and overhanging scaffold shall be paid two sixpence (2s. 6d.) per day extra.

(b) An apprentice who has served less than two years shall not be worked on a swinging scaffold. In no case shall more than one apprentice be employed on the same swinging scaffold.

21. Piecework.—A worker employed on piecework shall be paid at least the minimum rate of wages.

22. Spraying.—All workers applying paint by spraying shall be paid twopence halfpenny (2½d.) per hour extra: Provided that this clause shall not apply to a signwriter using a signwriter's spray.

Lead paint shall not be applied by a spray to the interior of any building.

23. Casual Hand.—Any worker whose services are dispensed with by his employer before he shall have completed six days of his engagement, shall be considered casual and entitled to ten per cent. (10%) extra.

24. Apprentices.—In this Agreement a "duly registered apprentice" means an apprentice of whose apprenticeship notice has been given to the Clerk of the Court, in accordance with the provisions of this clause, and a "duly registered probationer" means a person working as an apprentice on probation, of whose probationary period notice has been given to the Clerk of the Court in accordance with the provisions of this clause. Provided that an apprentice on probation shall be deemed to be duly registered during the period of fourteen days allowed for registration.

(b) Any employer taking an apprentice or probationer shall, within fourteen days thereafter, register such apprentice or probationer by giving notice thereof to the Clerk of the Court, in Form 1 in the Appendix.

(c) If at the date of this Agreement any employer is employing any person as an apprentice or probationer who has not been duly registered as such, he shall register such apprentice or probationer within fourteen (14) days thereafter.

(d) The maximum number of apprentices allowed to any employer in any branch shall be in the proportion of one apprentice to every three or fraction of three journeymen employed by him in that branch. An employer who has only one apprentice to the branch of signwriting may be allowed to take another apprentice to such a branch after his first apprentice has for three years duly passed the examinations prescribed by this Award: Provided that the fraction of three shall not be less than one.

(e) For the purpose of ascertaining the number of apprentices allowed to be taken at any time, the average number of journeymen employed on all working days of the twelve months immediately preceding such time shall be deemed to be the number of journeymen employed. Where an employer is himself a journeyman working at the trade, he shall be counted as a journeyman for the purpose of computing the number of apprentices allowed.

(f) Apprentices shall be allowed:—

(1) In general painting shops—

To painting, paperhanging, graining, putty glazing, and decorating.

No apprentice to this branch to be under sixteen years of age.

(2) In signwriting shops—

Apprentices shall be taught to prepare, in any necessary manner, any surface either wood, stone, or other material on which it is afterwards intended to paint lettering.

(3) In glazing shops—

To glazing, including putty glazing.

(g) The term of apprenticeship shall be five years. A probationary period of three months previous to being bound shall be lawful; such probationary period to be deemed part of the term of apprenticeship.

(h) Should any employer from unforeseen circumstances be unable to carry out his obligations to his apprentice he shall be allowed to transfer the apprentice to complete his term with another employer, but it shall be incumbent on the former employer to notify the Clerk of the Court of the date of such transfer, and when such apprenticeship commenced, in Form 2 in the Appendix.

(i) The following provisions shall apply in respect of all apprentices:—

(1) An employer shall be deemed to undertake the duty which he agrees to perform as a duty enforceable under this Agreement;

(2) At the end of the period of apprenticeship the employer shall give the apprentice a certificate to show that he has served his apprenticeship, in Form 5 in the Appendix;

Should the employer at any time before the termination of the period of apprenticeship desire to dispense with the services of the apprentice, he may, with the consent of the apprentice, transfer him to another employer carrying on business within a reasonable distance of the original employer's place of business, willing to continue to teach the apprentice and pay the rate of wages prescribed by this Agreement, according to the total length of time served and generally to perform the obligations of the original employer. He shall also give to the

apprentice a certificate of the time served and of the rate of wages paid, and shall give notice to Clerk of the Court of such transfer, in Form 2 in the Appendix.

It shall not be obligatory upon the employer to find the apprentice another employer if he should so misconduct himself as to entitle the employer to discharge him, but he shall nevertheless give him a certificate for the time actually served.

(3) An employer shall be deemed to have failed in his duty towards his apprentice if he fails to keep him constantly at work, but slackness of work may form a proper ground for transferring him to an employer willing to take the responsibility of teaching him.

(4) When an apprentice is discharged for cause the employer shall send notice in writing of the discharge, and the cause thereof, to the Clerk of the Court, in Form 3 in the Appendix.

(5) The Clerk of the Court on receipt of such notice shall refer the matter for investigation and report to an Inspector under this Act, and upon receipt of such report the Clerk may, in his discretion, register or refuse to register the notice; and the Union or any party who may be thereby affected may appeal to the Court from such a decision.

(j) The minimum wage payable to an apprentice shall be:—

	Per week.	
	s.	d.
During the first year	18	11
On passing his first year's examination	24	4
On passing his second year's examination	32	6
On passing his third year's examination	48	9
On passing his fourth year's examination	68	3
On passing his fifth year's examination he shall be entitled to the minimum wage for a journeyman.		

The wages of any apprentice are subject to alteration by the Court, as provided in notice in Form 1 (b).

(k) Every apprentice shall be bound to attend such classes at the Technical School as are provided for his trade, for a period of four hours in each week. Provided, however, that attendance at the Technical School shall not be compulsory when the apprentice is resident at any place outside a radius of twelve miles from Perth Town Hall. The fees for the classes attended by the apprentice shall be paid by the employer.

Every apprentice shall be bound to submit himself to examination by a Board of Examiners, hereinafter constituted, once in each year of his service, when called upon by the Clerk of the Court to do so. A certificate that he has attended at the Technical School shall be produced to the examiners prior to the examination referred to in Subclause (l) hereof.

(l) The Clerk of the Court shall notify the Board of Examiners of the names and addresses of apprentices required to submit themselves to examination. The examination will be held at the place where the apprentice is employed, and it shall be the duty of the employer to provide such necessary material and machinery as may be required, and in all ways to facilitate the conduct of the examination.

(m) The examination will be held in the month of September in each year, on a date to be fixed by the Board of Examiners. The Board of Examiners shall consist of persons skilled in the trade, to be nominated by the Union and by the employers carrying on business within the area to which the Agreement applies, or failing such nomination or nominations, such person or persons as may be appointed for that purpose by the Court. In the event of a disagreement between the examiners, the matter in dispute shall be referred to a third person, agreed to by them, or nominated by the Court or the President, at the request of either examiner, and the decision of such person shall be final and conclusive. The examiners shall examine the work of, require the production of certificate referred to in Subclause (k) hereof, inquire into the diligence of each apprentice and as to the opportunities provided by the employer for each apprentice to learn.

(n) The examiners shall report to the Court in writing as to the result of the examination.

(o) The term of apprenticeship may be extended upon the failure of an apprentice to pass examination, but the examiners may recommend the cancellation of the apprenticeship on the failure of the apprentice to pass two consecutive examinations.

(p) The Clerk of the Court shall supply to each candidate a certificate showing the result of his examination.

(q) If the examiners report to the Court that any employer has not provided sufficient opportunity for the apprentice to learn, the employer shall be deemed *prima facie* guilty of a breach of this Agreement. Upon such proceedings the report may be received in evidence.

(r) Such fees shall be paid by the Clerk to the Examiners as the Court shall allow.

25. Record Book.—(a) Each employer shall make and keep a record showing the name of each worker, ordinary time worked each day, overtime worked each day, and different rates, amount paid, including fares, together with the worker's signature for the same. Such record shall be open for inspection by the Secretary or other duly authorised officer of the employers' and workers' Unions during working hours.

(b) The employer and the worker shall be severally responsible for the proper posting of the book each week.

For the purpose of this Agreement there shall be a Board of Reference, consisting of two representatives of the employers and two representatives of the Union and a chairman to be mutually agreed upon by such representatives, or in default of such agreement to be nominated by the Registrar of the Arbitration Court.

Either party may at any time vary its representatives and fill any vacancies.

The term "permanently employed" in this clause shall mean having been fully employed for a period of three months previously.

2. The employer shall undertake to teach or cause to be taught to such apprentice the trade of a newspaper compositor.

An apprentice to letterpress machining shall be taught and instructed in all phases of letterpress machining and all things incidental thereto, including make-ready and mixing and use of inks, black and colour printing, the class of paper and stock used, and the care of cylinder letterpress machines, including the mechanism of such machines. For this purpose the employer shall have and use in his business at least one cylinder machine. An attendance at the Technical School shall be a sufficient compliance with this clause as to colour printing.

The term of apprenticeship shall be six years, provided that when an apprentice is over sixteen years of age at the date of indenture, the period shall be five years; but such apprentice's wages shall be as if he had already served 12 months' apprenticeship. The term of indentures existing at May 1, 1927, shall not, however, be affected.

A probationary period of three months previous to being bound shall be allowed, such probationary period to be deemed portion of the term of apprenticeship. On completion of probationary period notice of registration shall be given to the Clerk of the Court of Arbitration.

Before being indentured the apprentice shall prove to the satisfaction of the employer that he is physically capable of carrying out the duties of the section he intends being apprenticed to.

The apprentice shall submit to an eyesight test and obtain a certificate of his fitness to be apprenticed to

the trade, and a copy of such certificate shall be attached to the notice of registration of the apprenticeship.

An apprentice to composing shall be required to prove that he has passed the seventh standard or an equivalent examination, or to produce a certificate that he has obtained that standard before being registered.

During the third six months	1	7	6
During the fourth six months	1	10	0
During the fifth six months	1	12	6
During the sixth six months	2	0	0
During the seventh six months	2	10	0
During the eighth six months	3	0	0
During the ninth six months	3	10	0
During the tenth six months	4	0	0
During the eleventh six months	4	15	0
During the twelfth six months	5	10	0

No deduction shall be made from the wages provided in the above scale except as provided in Clauses 13 and 16 hereof.

The above rates shall be paid to all apprentices notwithstanding anything contained in their indentures.

5. An apprentice shall not be allowed to operate a linotype machine until he has passed the third year's test as a hand compositor and has reached the age of 18 years. Should he be put on a machine during the fourth and/or fifth year he shall be given at least four hours' practice a day, and shall receive 10s. per week in addition to the wages above prescribed. An apprentice shall not be fully employed on a machine to the exclusion of a permanent operator.

6. Should any employer from unforeseen circumstances be unable to carry out his obligations to the apprentice, he shall be allowed to transfer the apprentice to complete his term with another employer; but it shall be incumbent upon such former employer to notify the Clerk of the Court of Arbitration of the date of such transfer, and when such apprenticeship commenced.

7. In the absence of indentures, apprentices shall be bound for the terms and on the conditions herein provided, and subject to the following provisions:—

(a) Any employer taking an apprentice shall give notice thereof to the Clerk of the Court of Arbitration and shall be deemed to undertake the duty which he agrees to perform as a duty enforceable under this award, and shall, subject to the provisions of Clauses 13 and 16 hereof, pay the apprentice the rate of wage herein provided.

(b) At the end of the period of apprenticeship the employer shall give the apprentice a certificate to show that he has served his apprenticeship. Should the employer, at any time before the termination of the apprenticeship, desire to dispense with the service of the apprentice he may, with the consent of the apprentice, transfer him to another employer carrying on business within a reasonable distance of the original employer's place of business willing to continue to teach the apprentice and to pay the wages prescribed by this award according to the total length of time served, and generally to perform the obligations of the original employer. He shall also give to the apprentice a certificate of the time served, and of the rate of wages paid, and shall give notice to the Clerk of the Court of Arbitration of such transfer. It shall not be obligatory upon any employer to find any apprentice another employer if he shall so misconduct himself as to entitle the employer to discharge him, but he shall nevertheless give him a certificate for the time actually served.

(c) An employer shall be deemed to fail in his duty towards his apprentice if he neglects to keep him constantly at work, but slackness of work may form a proper ground for transferring him to a master willing to take the responsibility of teaching him.

(d) When an apprentice is discharged for cause, the employer shall send notice in writing of the discharge and the cause thereof to the said Clerk of the Court of Arbitration.

8. Every apprentice shall be bound to submit himself for examination by the Board of Examiners, hereinafter constituted, at the expiration of each six months of his service.

9. The Clerk of the Court will notify the Board of Examiners of the names and addresses of all candidates required to submit themselves to examination. The examination will be held at the place where the apprentice is employed, and it shall be the duty of each employer to provide such necessary material and machinery as may be required, and in all ways facilitate the conduct of the examination.

10. The examination will be held in January and July, on a date to be fixed by the Board of Examiners. The Board of Examiners shall consist of the Secretary of the workers' union, or such other person as may be nominated by the union in his stead, and a person skilled in the trade to be nominated by the employers carrying on business within the area to which the award applies or failing such nomination, such person as may be appointed for that purpose by the Court. In the event of a disagreement between the members of the Board, the matter in dispute shall be referred to a third person agreed to by them or nominated by the Court or the President thereof at the request of either member, and the decision of such referee shall be final and conclusive. The Board of Examiners will examine the work of and inquire into the diligence of each apprentice, and as to the opportunities provided by the employer to each apprentice to learn.

11. The Board will report to the Court in writing as to the result of each examination.

12. The term of apprenticeship may be extended upon failure of the apprentice to pass any examination, but the examiners may recommend the cancellation of the apprenticeship on the failure of the apprentice to pass two consecutive examinations.

13. It shall be lawful for the employer to withhold the increase in wages accruing to the apprentice in accordance with the scale set forth in Clause 4 hereof from any apprentice who fails to satisfy the examiners.

14. If the Board of Examiners reports to the Court that any employer has not provided sufficient opportunity for the apprentice to learn, the employer shall be deemed *prima facie* guilty of a breach of this award under Section 90 of the Act, and may be summoned before the Court. Upon any such proceedings the reports may be received in evidence.

15. Such fees shall be paid by the Clerk to the Examiners as the Court shall allow.

16. Each apprentice shall be allowed the necessary time off during his ordinary working hours to attend the technical classes at the Technical School. Any apprentice failing to attend such class when given time off shall be deemed to have unlawfully absented himself from his employment, and may have his wages deducted accordingly.

17. Any technical fees payable under these regulations shall be paid by the employer.

Apprentice to Stereotyping.

Apprentices shall be allowed to the stereotyping section in the proportion of one to five or proportion of five, on terms to be agreed to between the parties to this Agreement. No apprentices to be employed at night time.
