IN THE COURT OF DISPUTED RETURNS.

In the matter of "The Electoral Act, 1907-1921," and in the matter of the Election of a Member of the Legislative Council for the Metropolitan Province, holden on the 12th day of May, 1934.

To the Court of Disputed Returns:

THE Petition of James Thomas Franklin, of 155 Adelaide Terrace, Perth, in the State of Western Australia, Lord Mayor of the said City of Perth, whose name is subscribed.

1. Your petitioner was a candidate at the election of a member of the Legislative Council for the Metropolitan Province, which was holden on the 12th day of May, 1934.

2. At the said election James George, Joseph Levey, and your petitioner were candidates.

3. On the counting of the First Preference Votes for the said election the totals recorded in favour of each of the said candidates were James George 1,991, Joseph Levey 1,093, and your petitioner 1,991 votes.

4. On the votes given for the said Joseph Levey being counted and the second preference votes in respect thereof being allotted to the said James George and to your petitioner, the totals were James George 2,695 votes and your petitioner 2,380 votes, and the Returning Officer, on the 14th day of May, 1934, declared the said James George as being duly elected by a majority of 315 votes.

5. Your petitioner says that there was corruption and that illegal practices were committed in connection with the said election.

6. Included in the votes above-mentioned were various postal votes, which purported to be the votes of electors of the said Metropolitan Province but which were in fact knowingly and fraudulently forged.

7. Certain of the said postal votes were obtained by one George Henry Green, a Postal Vote Officer under the said Electoral Act, by visiting electors for the purpose of taking postal votes in places other than his ordinary places of living or business contrary to the provisions of the said Act.

8. Certain of the said postal votes were recorded without the electors knowing for whom he or she was voting.

9. For the purpose of simplicity certain electors intending to vote for Joseph Levey were advised to mark their preference votes James George 2 and your petitioner 3, which your petitioner says was not a genuine exercise of such preference.

10. The said James George exceeded the amount of electoral expenses authorised by Section 172 of the said Act.

Whereupon your petitioner prays that it may be determined and declared:—

- (a) that the said James George was not duly elected; and
- (b) that your petitioner was duly elected; or
- (c) alternatively that the said election was and is absolutely void.

(Sgd.) J. T. FRANKLIN.

Signed by the petitioner, at Perth, in the said State, this 28th day of June, 1934, in the presence of—

(Sgd.) Wm. E. Bold, J.P.,

(Sgd.) H. W. Taylor, J.P.,
