MINES REGULATION ACT, 1906.

Department of Mines,
Perth, 9th May, 1935.

1010/30.
IN accordance with the provisions of Section 63 of "The Mines Regulation Act, 1906," His Excellency the Lieutenant-Governor in Executive Council has been pleased to cancel Rule 1 of Regulation 4 of the Regulations made under the said Act (published in the *Government Gazette* of the 27th day of May, 1932) and to substitute the following:—

Ventilation of Mines.

1. In any part of the underground workings of a mine which has not been closed off as disused as hereinafter provided—

(a) The total quantity of carbon dioxide present in the air shall not exceed 0.25 per cent. by volume, but at any point where firing of explosives has taken place, a greater percentage of carbon dioxide shall be permissible until thirty minutes have elapsed since the last explosion;

- (b) The temperature shall not exceed 87 deg. Fahrenheit, measured with dry bulb thermometer, unless firing of explosives has taken place in such part not more than 30 minutes previous to the taking of the thermometer's reading; but the Inspector may, in writing in the Record Book, allow a higher limit of temperature if satisfied that it is impracticable to maintain the temperature below 87 deg. Fahrenheit;
- (c) The reading of the wet bulb thermometer shall not exceed 80 deg. Fahrenheit;
- (d) There shall be a perceptible current of air sufficient to distinctly deflect the flame of a candle from the vertical, but the test shall not be made within ten feet from the face of any drive or crosscut, or from the top of a rise or bottom of a shaft or winze, nor while rock drills are working so close to the testing point as to cause agitation of the air;
- (e) When instructed by the Inspector, in writing, the Manager, or some person appointed by him, shall make tests in the working faces to show that the foregoing requirements have been complied with in all rises, winzes and underlay shafts in course of excavation, and in all "ends" of levels and crosscuts in progress when such ends are over fifty feet in length, and also if the adequacy of the ventilation is in any way doubtful in all parts of the mine where men are working. The results of all such tests shall be entered in the Record Book. The Inspector may, in writing, require tests to be made at more frequent intervals in workings in which he may consider such necessary, and the Manager shall comply with such requirements;
- (f) Where the ventilation in any place is inadequate, no work excepting such as is necessary for the purpose of remedying the conditions shall be undertaken in that place until the ventilation is adequate;
- (g) The ventilation in any place shall be determined by the Senior Inspector of Mines;
- (h) From the decision of a Senior Inspector of Mines an appeal shall lie to the Mines Ventilation Board hereinafter constituted. Such appeal shall be instituted by notice in writing to the other parties affected and to the Under Secretary for Mines, which notice must be given within seven days from the date the parties appealing are notified of the Senior Inspector of Mines' decision. The Under Secretary for Mines will then convene the Board, which shall meet as soon as possible on a date to be notified by the Under Secretary for Mines;
- (i) For the purpose of this general rule the Mines Ventilation Board is hereby constituted, such Board to consist of—
 - (1) the State Mining Engineer;
 - (2) the Commissioner of Public Health;
 - (3) a workman's Inspector of Mines appointed by the Union.
 - (4) a representative appointed by the employer or, if unable to act, their respective nominees. The State Mining Engineer (or his nominee) shall be Chairman of the Board. The Commissioner of Public Health shall be a member of the Board in an advisory capacity only and without a vote. The decision shall be in accordance with the majority of votes. The presence of four members shall be necessary for a quorum. The decision of the Board shall be final.
- (j) All reasonable costs and charges of the Board and the members shall be rendered to the Under Secretary for Mines, who shall apportion them equally between the Mines Department and the parties to this award. Provided that the Board may order any appellant to pay the whole or a certain proportion or amount of the costs of any appeal which the Board may declare to be trivial, and such appellant shall forthwith pay any such sum.

Minister for Mines.

(h) Upon receipt of notice of cancellation or revocation of authority as aforesaid, the Returning Officer shall forthwith remove from the electoral roll the name of the representative person whose authority has been so cancelled or revoked.

23. (1) Whenever upon the receipt and acceptance by the Returning Officer of submissions of candidates the number of candidates submitted makes it necessary that an election shall be held, the Returning Officer shall fix a day, being not less than fourteen days and not more than forty-two days from the closing day for submissions of candidates for the closing of the poll at such election, and shall publish notice of the day so fixed by him as aforesaid in the *Government Gazette* and the *West Australian* newspaper.

(2) In any event, the day fixed for the closing of the poll at the election shall be so fixed as to enable sufficient time for the counting of the votes, and the declaration of the result of the election, at least three days before the nomination day mentioned in Regulation 24 hereof.

24. (1) The thirtieth day of March in each year in which persons are required to be nominated for appointment as members of the Board under paragraphs (c), (d), and (e) of section eight of the Act is hereby appointed and fixed as the nomination day for the purposes of the said section.

(2) The names of candidates who have been selected for nomination and appointment in accordance with these Regulations shall be submitted to the Minister on or before 4 o'clock on the afternoon of such nomination day.

25. (1) When, after the receipt of submissions of candidates, an election is necessary to select the candidate or candidates to be nominated, the Returning Officer shall, as soon as practicable after the closing day for the receipt of the submissions, but within seven days thereafter, cause ballot papers to be printed in

(2) The ballot paper shall set forth, in a space provided for the purpose, notice of the day fixed for the closing of the poll.

26. (1) When the ballot papers have been printed as aforesaid, the Returning Officer shall send by prepaid letter post to each person whose name appears as an elector on the electoral roll at his postal address as shown on his application for enrolment, one ballot paper, with the initials of the Returning Officer indorsed on the back thereof, together with—

(2) The envelope marked "Ballot Paper" shall also have marked thereon words identifying such envelope, and the ballot paper to be enclosed therein, with the particular election in which the elector by his ballot paper is entitled to vote.

(3) The Returning Officer may, before sending the declaration aforesaid to an elector, fill in the particulars required to be furnished therein, so that the same will be ready for signature and completion by the elector when marking his ballot paper.

27. (1) For the purpose of casting his vote at the election, the elector shall mark his vote on the ballot paper received by him as aforesaid in the manner hereinafter provided, and shall then place the same in the envelope marked "Ballot Paper," and seal the envelope. He shall then sign and complete the declaration in accordance with the directions stated thereon; and then place the sealed envelope, with the ballot paper enclosed therein, and the declaration signed and completed in the envelope addressed to the Returning Officer, and seal such last-mentioned envelope.

(2) The elector may then send by prepaid letter post, or may deliver the envelope, addressed to the Returning Officer, with its said enclosures to the Returning Officer at the address shown on the said envelope, but so that such envelope shall be in the hands of the Returning Officer not later than 4 o'clock in the afternoon of the day fixed for the closing of the poll.

(3) Where any envelope containing the ballot paper is sent by post to the Returning Officer, but the postage thereon is wholly unpaid or insufficiently prepaid thereon, the Returning Officer shall refuse to accept the same, and such envelope with its enclosures shall be deemed not to have been sent or delivered to the Returning Officer within the meaning of these Regulations.

28. (1) The elector, when completing and signing the declaration mentioned in Regulation 27 hereof, shall complete and sign the same in the presence of an authorised witness, who shall then sign his name in his own handwriting in the place provided for the purpose, and shall add thereafter the title under which he acts as an authorised witness, together with the date when he signed as such witness.

(2) For the purpose of this regulation, the following persons shall be authorised witnesses:—

- (a) any person authorised by "The Declarations and Attestations Act, 1913," to witness documents;

- (c) any Justice of the Peace or solicitor;
- (d) any other elector; and

(3) Any person who (not being an authorised witness) signs any declaration as an authorised witness shall be guilty of an offence against these Regulations, and on conviction shall be liable to a penalty not exceeding Five pounds.

29. If, prior to the closing of the poll, an elector satisfies the Returning Officer that he has not received a ballot paper and is entitled to vote at the election, or that the ballot paper or envelopes received by him have been lost or destroyed, and that he has not already voted at the poll, the Returning Officer may post or give per-

sonally to the elector a ballot paper and envelopes, or a further ballot paper and envelopes, as the case may be.

30. (1) Voting shall be by means of a preferential ballot.

(2) When only one candidate is to be elected and there are not more than two candidates, the elector shall mark his vote on the ballot paper by placing the numeral 1 opposite the name of the candidate for whom he votes.

(3) When only one candidate is to be elected and there are more than two candidates, the elector shall mark his vote on the ballot paper by placing the numeral 1 opposite the name of the candidate for whom he votes as his first preference, and he shall give contingent votes for all the remaining candidates by placing the numerals 2, 3 and so on (as the case requires) opposite their names, so as to indicate by such numerical sequence the order of his preference.

(4) When two candidates are to be elected the elector shall mark his vote on the ballot paper by placing the numeral 1 opposite the name of the candidate for whom he votes as his first preference and the numeral 2 opposite the name of the candidate for whom he votes as his second preference, and he shall give contingent votes for all the remaining candidates by placing the numerals 3, 4, and so on (as the case requires) opposite their names, so as to indicate by such numerical sequence the order of his preference.

31. (1) The Returning Officer shall keep a locked and sealed ballot box, with the words "Dairy Products Marketing Board Ballot Box" marked thereon, for each class of election held, and as and when the envelope containing the ballot paper and the declaration are received by him from an elector, he shall open the outer envelope and extract therefrom the declaration and the sealed envelope containing the ballot paper.

(2) He shall thereupon examine the declaration and satisfy himself that the same is in order, and that the elector who signed the declaration is on the electoral roll and entitled to vote.

(3) If and when he is so satisfied, he shall place the declaration in some place of security for safe keeping, and shall immediately place the envelope containing the ballot paper, unopened, in the proper ballot box, and so leave the same until the close of the poll.

(4) If upon examining the declaration as aforesaid the Returning Officer is not satisfied that the declaration is in order, or that the person who signed the same is on the electoral roll and entitled to vote, he shall retain such declaration and the envelope containing the ballot paper, unopened, in a safe place, and at once notify the elector in writing that his ballot paper has not been accepted, for the reasons to be stated in the notice.

(5) If, before the closing of the poll, a voter who has received notice as provided for in paragraph (4) hereof satisfies the Returning Officer that he is an elector and entitled to vote at the election, the Returning Officer shall forthwith place the sealed envelope containing such elector's ballot paper, unopened, in the proper ballot box, and leave the same there until the closing of the poll.

(6) If a voter who has received notice as provided for in paragraph (4) hereof fails to satisfy the Returning Officer in the manner required by paragraph (5) hereof, the Returning Officer shall reject the ballot paper received from such voter. Upon such rejection, he shall indorse on the envelope containing the ballot paper the word "rejected," and sign the same, and then place such envelope, unopened, in some place of security for safe keeping until after the election.

32. For the purpose of counting the votes cast at an election, the Minister may nominate and appoint two persons to act as scrutineers: Provided that no candidate shall act as a scrutineer.

33. (1) The counting of the votes cast at an election shall be carried out by the Returning Officer in the presence of the scrutineers.

(2) Subject as hereinafter provided, the method of conducting the count shall be the same as that prescribed under "The Electoral Act, 1907-1921," for the

counting of the votes taken at an election of members of the Legislative Assembly.

Provided that—

- (i) When two candidates are to be elected, the count shall be conducted as if only one candidate were to be elected, until only two candidates remain in the count, whereupon such two candidates shall be the two candidates elected.
- (ii) Votes shall not be deemed to be informal, except in the cases hereinafter mentioned.
- (3) As soon as practicable after the closing of the poll, the Returning Officer shall, in the presence of the scrutineers—
 - (a) open the ballot box, and remove therefrom the envelopes containing the ballot papers; and
 - (b) open the envelopes containing the ballot papers and extract the ballot papers therefrom; and
 - (c) examine the ballot paper, and satisfy himself that the same bears his initials indorsed thereon, and decide whether such ballot paper is formal or informal; and
 - (d) count all the formal ballot papers and reject all the informal ballot papers.
- (4) The Returning Officer shall be the sole and final judge as to whether a ballot paper is informal.
- (5) Any candidate may attend and be present at the counting of the votes.

34. (1) A ballot paper shall be informal—

- (a) if it is not initialed by the Returning Officer; or,
- (b) if, subject as hereinafter provided, it is marked in any other manner than prescribed in Regulation 30 hereof; or,
- (c) if it has upon it any mark or writing not authorised by these Regulations which in the opinion of the Returning Officer will enable any person to identify the elector; or,
- (d) if it does not indicate the elector's vote, or if, when there are more than two candidates, it is not marked so as effectively to indicate the elector's preference as regards all candidates; or
- (e) if no mark is indicated on it.

(2) A ballot paper shall not be informal for any reason other than the reasons enumerated in paragraph (1) hereof, but shall be given effect to according to the elector's intention, so far as his intention is clear; and, in particular, when only one candidate is to be elected and there are only two candidates, a ballot paper shall not be informal by reason only of the elector having indicated his vote or first preference by a cross instead of the numeral 1.

35. As and when the Returning Officer shall have completed the counting of the votes, he shall declare the result of the election in the presence of the scrutineers and of any candidates who may be present at the time.

36. (1) When the result of an election has been ascertained and declared, the Returning Officer shall forthwith furnish a certificate of such result in accordance with Form No. 17 in the First Schedule hereto, and state therein the names, addresses, and occupations of the candidates who have been elected; and such certificate, when received by the Minister, shall be deemed to be the nomination, within the meaning and for the purposes of section eight of the Act of the persons named in such certificate by the constituent body whom they have been elected to represent as members of the Board.

(2) Such certificate shall be final and conclusive evidence that the persons named therein have been duly and properly elected.

37. (1) On the receipt of the said certificate from the Returning Officer, the Minister shall, on or before the nomination day hereinafter prescribed and appointed, or, in the event of any inadvertent delay, as soon as practicable thereafter, submit the names of the persons named in such certificate to the Governor in Council for appointment as members of the Board, under and as required by section eight of the Act.

(2) Every appointment of a member of the Board shall be published in the *Government Gazette*.

38. The appointment of a member of the Board shall be deemed to run from the date of such appointment by the Governor in Council.

39. All costs, charges, and expenses as incurred by the Returning Officer in connection with the receipt of submission forms of candidates, preparation of rolls, and the conduct of elections or in connection with any other matters incidental thereto, and as certified in writing by the Returning Officer under his hand, shall be borne and paid by the Board or reimbursed to the Returning Officer by the Board out of its funds.

Provided that the Board may at its own expense have the accounts of the Returning Officer audited by the Auditor-General, whose decision thereon shall be final as between the parties.

40. In the event of any extraordinary vacancy arising in any representative membership of the Board under paragraphs (c), (d), or (e) of section eight of the Act, the following provisions shall apply:—

- (1) The Chairman of the Board shall notify such vacancy to the Minister and the Minister shall, upon receipt of such notice, instruct the Returning Officer to invite submission of candidates for selection and nomination to fill such vacancy;
- (2) The Returning Officer shall publish notice in the *Government Gazette* and the "West Australian" newspaper of the following matters:—
 - (a) of the vacancy in the membership of the Board;
 - (b) invitation for submissions of candidates for selection and nomination to fill such vacancy;
 - (c) of a date, being not less than seven or more than fourteen days after the date of such advertisement in the *Government Gazette*, on or before which submissions of candidates will be received by the Returning Officer;
 - (d) of a date, being not less than fourteen or more than forty-two days after the last day fixed as aforesaid for the receipt of submissions of candidates as the day fixed for the closing of the poll in the event of any election being necessary;
 - (e) of a date, being not more than ten days after the date fixed as aforesaid for the closing of the poll in the event of an election being necessary as the nomination day for the nomination of the elected candidate for appointment to fill the extraordinary vacancy.

41. (1) Where the name of only one candidate is received for nomination to fill an extraordinary vacancy, such candidate shall be deemed to be the nominated candidate, and thereafter the provisions of paragraph (g) of Regulation 15 shall apply.

(2) Where more than one candidate is submitted for nomination to fill the extraordinary vacancy, then an election shall be held, and, insofar as the Regulations herein relating to elections are applicable, such election shall be held in accordance with such Regulations.

Provided that the date for the closing of the poll and the date for nomination of the elected candidate shall be the dates fixed and advertised as provided for in Regulation 39.

42. (1) Where an extraordinary vacancy has arisen, and notice thereof has been published as provided for in Regulation 39, then, notwithstanding anything to the contrary contained in these Regulations, any person whose name is not enrolled as an elector on the electoral roll then in existence, and who would be entitled to apply for enrolment on such electoral roll under Regulation 21, if a new electoral roll were then being prepared in accordance with Regulation 17, may at any time before 4 o'clock in the afternoon of the day fixed as the last day for the receipt of submission of candidates for nomination for the extraordinary vacancy, make application in accordance with Regulation 20 for enrolment as an elector upon the said electoral roll, and, subject to the requirements of the said Regulation 20, the Returning Officer shall enrol the name of the applicant upon such electoral roll.

(2) Upon any person being enrolled upon the electoral roll under paragraph (1) hereof, he shall be entitled to all the rights and privileges of an elector as if he had been enrolled upon the electoral roll when the same was prepared in accordance with Regulation 17.

(3) Where any person whose name appears on the roll to be used at the election held under this regulation has ceased to be qualified to be enrolled on such roll by reason of having ceased to carry on that class of business which qualified him for enrolment at the time when he was so enrolled, such person shall not be entitled to vote at the election merely because his name appears as an elector on the said roll; and in any such case the Returning Officer shall cause the name of such person to be struck off such roll.

43. The Returning Officer shall retain all ballot papers and declarations received by him in connection with any election held under these Regulations until the expiration of three months after the declaration of the result of such election, and shall then cause the same to be destroyed.
